**RAILWAY OUT MOLALLA WAY.**

The time seems to be about ripe to secure a railway out Molalla way at this time. Fact is that unless it is secured at this time the opportunity to ever secure one may slip by. And those who have studied the matter to and considerable extent cannot but understand that to let a competing town or city get a railway line that should run into your own means a disaster that cannot be measured in dollars and cents.

As said before, now may the opportunity time; at least if you get it now you do not need to have further worry, and the thing accomplished it is only a question of a few months till you are enjoying the good that such a road can do the business interests of the place. And now that the ball has been set in motion it is up to the hustlers in the community to see that the proposition does not get cold till the road is running and bringing its hundreds to the town daily.

The people out Molalla way want easy access to Oregon City; and if you give it to them they will at once begin to come here—often than now. All of which means more money spent in the city and more profit for her business men. And these same people want to ship their produce and fruit this way, and the older the city and county becomes the more anxious will they be once the way is made, to come and to continue to come. And the older and more influential the new Fruit and Produce Union the more there will be to come this way and the larger percentage of what is raised will want to come.

Now is the time to build the road; now is when people are taking an interest in matters and right now is

**UNLESS WE WISH TO FACE THE INEVITABLE DEGENERATION OF THE RACE WE MUST PROVIDE FOR SPECIALLY DESIGNED AND SCIENTIFICALLY APPLIED EXERCISE TO COUNTERACT THE HABITS OF LIFE OF OUR PEOPLE.**

The national significance which physical training has assumed in recent years is due to the change in the MANNER OF LIVING during the last century.

Within the last century the growth of cities has changed the habits of life to such an extent that scarcely 40 per cent of the population remains in the country, whereas a hundred years ago only 2 per cent were city dwellers. The segregation of such large numbers of folk has TAKEN AWAY THE HEALTHFUL PHYSICAL OCCUPATIONS OF MEN and women.

The lack of housework for the modern wife and the sedentary occupations of the men are mistakes of our time. Physical training will help to

when the matter should be settled. And when it is settled be sure it is settled as you wish it—in the affirmative.

**HAS MUCH OF MERIT.**  
There were many things for which appropriations were made by the last legislature that had not so much of merit in them as the appropriation of \$500 for the Clackamas county Fair. As the Governor has a penchant for vetoing things that he has any doubt about it is feared the Governor may shy at this appropriation. Friends of the Fair in this county hope not, however, and some are praying that he won't. Better still, write him a personal letter.

A Fair, properly conducted, is certain to be a powerful agency for good in this county. Its influence will be of an inspirational character, and cannot but do great good. And this good will not be confined to this county alone in case it is made a success. Why not, then, the State bear a small part of the expense of putting it on its feet?

There is no good reason that can be offered why it should not be a wise expenditure. There may possibly be too many "wise expenditures" for one's purse, but we can see no other excuse for vetoing this appropriation at this time. It is to be hoped that the letters to the Governor may be so numerous that he will at least give the proposition the most careful hearing.

**WRITING GOV. WEST ABOUT APPROPRIATION**

**FRIENDS OF THE COUNTY FAIR FEAR HE MAY VETO BILL GIVING US \$500.**

A great many friends of the Clackamas County Fair are writing Governor West as to the appropriation of \$500 yearly for the benefit of the Fair, which it has been intimated the Governor might veto in his efforts at economy. The friends of the Fair feel that if that \$500 is wisely spent—and the personnel of the Fair management is a standing pledge that it will be—there is scarcely any other way in which that same \$500 could be spent and do the same amount of good to the people of the county and State as in just that way.

Hence it is natural that the friends of the Fair should at once rush to the mail bag as the easiest way to reach the Governor—and it is to be hoped they will reach him in time. From all parts of the county came messages of inquiry as to what to do in the matter—sit tight and let the Governor veto it or write him in the matter—and in all cases they were advised to write him. His mail from Clackamas county is likely to be heavy for a few days, at least.

**L**ORD DECIES, the British army officer who won Miss Vivien Gould as his bride, was often seen in her company before their marriage in New York on Feb. 7. This snapshot of them was made as they were in a carriage on Fifth avenue a few days before the wedding. The nobleman seemed to be very proud of his handsome young companion, and she was every bit as proud of her distinguished looking cavalier. Lord Decies does not look his forty-four years, and few who saw him with his bride would have guessed that he was considerably more than twice her age. Lord and Lady Decies will pass most of their honeymoon in California after a leisurely trip through the south to reach the Pacific coast.

**RING CEREMONY USED;**  
**VERY QUIET WEDDING**

WENTWORTH-MARSHALL NUP. TIALS ARE WITNESSED BY IMMEDIATE FRIENDS.

One of the prettiest weddings of the season was performed last evening at 5 o'clock at the Canemah chapel the contracting parties being Miss Grayce Maude Marshall and Mr. Walter Rolla Wentworth, of this city. Owing to the recent death of the bride's mother, Mrs. E. J. Marshall, the affair was very quiet and only relatives and intimate friends of the bride and groom attended.

The interior of the chapel was artistically decorated with cedar, Oregon grape and ferns. An archway was formed of the Oregon grape, and from this was suspended a white wedding bell, where the ceremony was performed. The windows were banked with evergreens, making a very pretty effect. At 5 o'clock, to the strains of Mendelssohn's Wedding March, by Miss Norene Wagner, of Vancouver, the bridal party entered the church, and proceeded up the aisle, the bride on the arm of her brother, Ralph Marshall, preceded by the ushers, William Marshall, brother of the bride, and Vernon Wagner, of Vancouver, Wash., and the matron of honor, Mrs. Dale F. Young, of Sellwood, niece of the bride, were met by the groom and best man, Dr. R. W. Hanneman, of Portland, took their places beneath the archway. The bride's gift to the groom, the ring in the East Mr. and Mrs. Wentworth will return to Oregon City, and will be at home to their friends at the Marshall home in Canemah after April 1st.

Those attending the marriage ceremony and reception were Rev. and Mrs. J. R. Landsborough, Mr. and Mrs. Ralph Marshall and son, Ralph Lor, one, of Montavilla; Mr. and Mrs. S. S. Mohler, Mr. and Mrs. W. L. Midlam and daughter, Emily, Mr. and Mrs. Sidney Young, of University Park, Mr. and Mrs. Dale F. Young, of Sellwood, Mr. and Mrs. Horace Williams and daughters, Misses Nina and Vera, William Marshall, of Montavilla, Vernon Wagner, of Vancouver, Wash., Dr. R. W. Marshall, of Portland; Miss Bess Gilbert and Miss Nora Gilbert, of Portland; Mr. and Mrs. William King, of Portland; Miss Kathryn Sinnott and Miss Nan Cochran.

One of the features of this marriage ceremony was the land upon which the little chapel stands, and where the ceremony took place, was donated to the Episcopal church many years ago for the purpose of erecting a church by the bride's father, the late W. H. Marshall, and had Mr. Marshall and his wife lived until this day they would have celebrated their golden wedding anniversary.

Mrs. Wentworth, who is a tall brunette, made a handsome bride with her beautiful gown of Brussels lace over white silk made in semi-Princess style, and her long veil caught in place by a diamond eirelet, and wore a handsome necklace of pearls, the gift of the groom. She carried Bride's roses. Her matron of honor, Mrs. D. F.

The piano is correct in every particular, and not the cleverest part of the toy instrument is the rolled top over the key board, which works perfectly. The piano legs are beautifully carved and there are tiny casters which must have taken an inextinguishable amount of patience to adjust. In length this exquisite ivory piano is two and a half inches long and an inch and a half high. Collectors of small ivory objects are enthusiastic over this musical masterpiece.
