TERRIBLE FAMINE WORKS ITS HAVOC

GREAT SECTIONS OF CHINA ARE CENTERS OF TERRIBLE SUFFERINGS BY THE PEASANTS.

500 RIOTERS ARE BURNED TO DEATH

Victims of the Plunderers in Turn Pour Out Vengeance on the Heads of Their Foes.

NEW YORK, March 1.—(Spl.)

The latest from the seat of the famine in China tells a story of looting stores and the overcoming of the police by men, women and children who are starving. Roving bands are wandering up and down killing when necessary to secure their demands. At Kunshan, which is a walled village within 50 miles of Shanghai, the raiders looted stores and destroyed much property. But the villagers retaliated in kind and in return surrounded the raiders and burned over 500 of them in a compound from which there was no escape. The raiders were in possession of the town, and had held high revel for two days. They had looted the stores and killed several who resisted. Many villagers had been ruined by the raid and loss of life had been considerable. When the raiders moved on to the next town these people organized and followed and coming on them in possession of the next place they at once surrounded it and burned it to the ground. Innocent as well as guilty perished, with no effort to save the innocent.

HOUSE VOTES PAY TO MILITIA.

Government to Give Wages for Actual Service Rendered.

WASHINGTON, March 1.—The Stearnson militia pay bill was passed by the House today by a vote of 159 to 124. The bill provides that militia officers in the various states shall receive from 5 to 20 per cent of the pay of officers of similar grade in the regular army. The pay of privates is fixed at 25 per cent of the regular army scale.

One of the conditions imposed upon anyone accepting pay under the proposed act is an agreement to render military service to the United States during any period for which he may be called into such service, not to exceed two years. The bill has not been acted upon by the Senate.

"WETS" WIN BACK CITIES.

Many "Dry" Indiana Communities Decide to Switch.

INDIANAPOLIS, Ind., March 1.—The "wets" gained several of the large cities of Indiana that previously had been on the "dry" side in local option elections in 14 counties of the state yesterday.

The "drys" held the county townships and some cities, but the people decided for the return of saloons in the cities of Marion, Wabash, Vevey, Rushville, Huntington, Connelville, Decatur and Kokomo. Cities that voted to remain "dry" were Delphi, Tippecanoe, Petersburg, Green Castle, Gas City and Noblesville.

LAKE VIEW.

We are having cold, windy weather at present. Miss Hayman attended the ball last Saturday night and has been quite sick with grip since. L. Sagar is on the sick list this week. Mr. McMurren is keeping his children out of school on account of them being exposed to the whooping cough. His sister, Mrs. Weatherford, of California, was to see him and her boy had the whooping cough. Beck's are moving to Portland. They sold their place to Mr. Smith of that city. Dix Brothers have built them a plank road and are loading with their engine and trucks off of Schmitt Bros. Otis Dix is working for them now. He will stay till spring. We hear it rumored that Oscar Dix is going into the duck business. Good luck to you Oat!

TREASURY HAS SURPLUS.

Passage of Canal Bill Opens Way for Replenishing Cash Drawer.

WASHINGTON, March 1.—February closed with the condition of the Treasury improved as compared with a month ago. There was a surplus of \$58,000 for the month on all accounts as against a deficiency of \$3,000,000 in January. The total deficit for the fiscal year changed little and still stands at \$21,000,000 as compared with \$45,000,000 at a corresponding time a year ago.

The balance in the general fund increased slightly to \$85,000,000, but the working balance dropped off about \$2,000,000 and the month closed with it at \$23,000,000.

LORIMER IS SAVED BY A CLOSE VOTE

BALLOTS COUNTED SHOW 46 FOR AND 40 AGAINST HIS RETAINING HIS SEAT.

WASHINGTON, March 1.—(Spl.)—By a vote of 46 to 40 the United States Senate today attempts to uphold the honor of one of its members. At that there is a question as to whether or not Lorimer is not condemned in the eyes of the whole world.

After the vote was announced Lorimer's friends hastened to congratulate him. With such a narrow margin in his favor there is little short of condemnation for his acts as seen by even those closely associated with him.

Salmon Fishing Season Ends Today.

SALEM, Or., March 1.—Closed season on salmon and sturgeon on the Columbia River starts tomorrow at noon and will continue until noon on May 1.

While the law provides that there shall also be a closed season on smelt during this period, the Washington allows smelt fishing and consequently it is considered of small practical benefit to attempt to enforce the closed season on this kind of fish on the Oregon side.

Relief for Siletz Settlers.

WASHINGTON, March 1.—Senator Chamberlain has secured a favorable report from the public lands commission on the bill which passed the House for the relief of settlers on the Siletz reservation.

DISCRIMINATION IS CONTENTION

JENNINGS LODGE PEOPLE SAY THEY GET SHORT END FROM RAILWAY COMPANY.

MELDRUM OBTAINS BETTER RATES

Improvement Club Will Confer With Oregon City Commercial Club With View of Relieving Present Conditions.

Discrimination is charged by the people of Jennings Lodge at the hands of the Portland Railway, Light & Power Co. in rates of fare, and a delegation from the Jennings Lodge Improvement Club will probably confer with the Oregon City Improvement Club with a view to securing the adjustment of rates. Jennings Lodge is much nearer Oregon City than it is to Portland, yet the fare from that point to Oregon City, while the fare to Portland from Jennings Lodge is 12 1/2 cents. The fare from Meldrum to Portland is the same as from Jennings Lodge to Portland, and although Meldrum is only about one-quarter mile south of Jennings Lodge it has a 5 cent fare to Oregon City. This means that a resident of Jennings Lodge must pay 10 cents to come to Oregon City and 2 1/2 cents to go from Oregon City to Portland, while a Meldrum resident can come to Oregon City for 5 cents and go back to Portland for 17 1/2 cents. This means that the Meldrum man saves 10 cents on the entire trip from Meldrum to Oregon City and from that point on to Portland, and it does not appear equitable.
