It Wouldn't Pay to Advertise A Poor Article—

Nor a proposition of doubtful merit or honesty-for ad-readers, nowadays, are DISCRIMINATING. They know values—they know GENUINE things, genuine opportunities.

Any article which can be sold by advertising is, by that test, a GOOD article. YOU are safe in buying a thing which has "stood the fire of publicity."

in this. Another recipe for prune whip in which the making is omitted is especially rich. Take one pint of stewed prunes, one-third pint of thick cream, whites of six eggs and raspberry or loganberry jelly. After thoroughly draining the prunes pit them and rub them through a colunder, but avoid rubbing the skins through as much as possible. Beat the whites of the eggs to a stiff froth, then by degrees bent this into sifted prunes. If not sweet enough to suit the taste add a ter

spoonful of sugar. The delicney of this dish depends largely upon the thoroughness with which the ingredients are beaten to gether. When well beaten together pour into a glass dish. Whip the cream and spread evenly over the top of pudding, then fleck the whipped cream with bits of the jelly. Serve with cream or, if preferred, with a custard made from the yolks of six eggs.

> Stews That Are Good to Est. A variation of the old time Irish stew has the meat cooked with tomatoes, peppers and potatoes in place of the usual carrots and other vegetables For a brown stew cut the cooked or uncooked meat in pieces, roll them in flour and fry them brown in drippings. Then turn in hot water and boil until the meat is within fifteen minutes of being tender. Add potatoes cut in pleces, a green pepper or two with the seeds removed, and cut in pieces a sweet red pepper or two prepared in the same way and a half cupful of tomatoes. Season with salt, pepper and a little paprika.

Mix the flour, sugar, salt, soda and cream of tartar together and rub through a sleve. Whip the egg till very light and stir it into the milk. gredlents. When the batter is smooth stir a very scant plnt of chopped clams into it, taking care not to add enough clam Juice to moisten it too much. Fry on a hot griddle.

Neapoltan Cake.

For neapolitan cake prepare two cake batters, one white and the other yellow, and divide each batter into two parts. Color one half of the white batter a beautiful pink and leave the other half white. Color and flavor one half of the yellow batter with chocolate. Bake each of the cakes in layer form and when cold place the layers together with a nice soft leing flavored with orange juice. INTERESTS WANT INACTION.

Effort Being Made to Get Congress to Recess for Several Months.

WASHINGTON, March 10.—Reactionary influences are at work on a plan to induce Congress to recess as soon as convened on April 4, to meet again about September, doing nothing in the way of legislation until that

Senator Aldrich returned from the south Thursday and at osce inquiry began among members to see if the recess plan could be accomplished. There seems little reason to believe it can be accomplished, however.

Those who seek the recess desire to prevent further revision of the tariff and hope by postponing action to find a way to reach the new members with such means as have been employed often in such cases.

TWO LONDON VIEWS.

LONDON, March 10 .- Commenting on the situation on the Mexican-American frontier, the Standard says: "Diaz is Mexico's savior, but the lawless element does not want sal-vation. The object of the United States is to prevent a recrudescence of the old spirit, an ebuiltion of viclence and a baneful reaction when the reins drop from the dictator's hands."

The News says: "No nation may march an army across a frontier simply because a civil war may endanger its subjects. its duty is to withdraw its subjects, or warn them that they remain at their own risk."
