Elmer Seeley came home from school on Friday, returning Sunday night to Portland. Mary Brobst spent Saturday and Sunday at home. Henry Aden was in Portland last week buying new goods.

German Language Should Rank Next to English In Our Schools.

By THEODORE SUTRO, President of the United German Societies of New York City and of the German-American Alliance of New York State.

THE German language should be pushed to the very front as a BRANCH OF INSTRUCTION instead of being crowded to the rear. We may well say that in the whole civilized world the two principal languages in active use today are English and German.

AS A MEANS OF FITTING OUR CHILDREN FOR PRACTICAL LIFE INSTRUCTION IN GERMAN SHOULD RANK AT LEAST NEXT TO THAT IN ENGLISH.

Aside from its practical use, the German language also embraces, with English, the RICHEST AND MOST IMPORTANT LITERATURE OF THE WORLD in every science and in every art and in every field of human endeavor.

German is used to a large extent in our commercial life. It is a distinct aid to a man engaged in a large business, to doctors, to lawyers.

German should be taught in our schools FROM THE EARLY GRADES, and there should be no thought of ever dropping it from the curriculum.

"THE ARCADIAN" TONIGHT.

Big Musical Success Three Nights at The Heilig.

Portland is to be honored with a presentation by Charles Frohman's New York Company of the international successful musical comedy, "The Arcadians."

It is indeed rarely that Portland is visited so soon after the metropolitan run of a play, and it is hardly within the recollection of the present day generation of theatregoers that the New York Company and production is held in fact on its tour in this direction.

The Gordon Bros. are enjoying a visit from their older brother, who has been engaged as manager of a farm near Mt. Hood.

SHUBEL.

George Schmidt, of South Shubel, visited R. Glather Sunday afternoon.

Frank Mueller and wife, of Clarkes, and Wm. Mueller, of Carus, visited with Mr. and Mrs. Massinger Sunday.

Arthur Hornschuh is busy blowing out stumps.

Mrs. Mildred Nielsen, of Portland, is visiting her parents, Mr. and Mrs. E. T. Gunther.

Mrs. C. Hornschuh is slowly improving.

Jacob Grossmiller was butchering hogs Monday.

Edward Schmidt was out driving with his best girl Sunday afternoon.

Will Dolbow is clearing land on his property recently purchased from Mr. Grossmiller.

The dance at Mr. Sheppard's Saturday was enjoyed by all present.

Fred Kamrath, our new supervisor, has put a new bridge across Beeson Creek on the Highland road the past week. He is now repairing the Clarkes road. Fred is evidently trying to do the fair thing—something unknown for a long time in this road district.

Are You A Money Saver?

Most every one expects to be a money saver some time. Some expect to save when their income is large; others plan to save when their expenses are less. People who wait until they can save without effort rarely begin to think they have missed.

Mr. Swafford, who retires, is well and favorably known throughout the county. He was born here and has always lived here and he has a wide circle of friends.

Mr. Money, who purchased the Swafford interest, is well known here and has lived here for years having been for some time a trusted employe at the paper mills in this city.

LATEST MARKETS

Oregon City Markets.

The general market tendency is downward; in certain instances well marked and in others because of a lack of supply tending upward, when the average is struck the tendency is downward.

APPLES—Good apples are in demand yet and the price is again better prices for good stock; they are enough good stock, however, so there is little or no demand for stock at any price. Prices are about 75c to \$1 the box, with choice commanding as high as \$1.25. Stock in hands of growers small; has been sold; it is the cheap stock left and they command about \$1.00. Hood River apples are selling \$1.10 to \$1.25.

POTATOES—Slow movement, in demand light. Plenty of good stock in the country yet and a few days of outside buyers are bidding high, but well for them but the market seems satisfied or the buyers' demand. Many are holding for good prices higher than the market and local buyers cannot ship in safety; prices range from 90c to \$1.10.

VEGETABLES—Little change in last report; onions are a little higher in price but other vegetables remain about the same. Onions \$1.00, potatoes \$1.25 sack, cabbage \$1.00.

FLOUR AND FEED—Flour is lower and demand weak. Selling at \$5.50; some selling as low as \$4.75. Bran and other feed grades are \$1.10 a ton from last reports, shorts selling \$1.20, bran barley \$1.15, corn \$1.10 to \$1.15, oats \$24 to \$25. Paying for local wheat.

HAY—Lots of hay in country being offered freely now; country weak. With winter past farmers are anxious to sell and the market has been in consequence. All grades are from \$11 to \$15—clover \$15 to \$18, timothy \$15 to \$18, alfalfa \$15 to \$17.

EGGS—Are very plentiful and price ranges about 15c.

BUTTER—Very weak and only commanding from 10c to 12c. Creamery always stiff and commanding 30c to 35c now. The Portland market is only paying from 10c to 16c. Choice dairy will bring 20c to 25c.

POULTRY—Prices are somewhat higher and the demand good. Spring 16c, roosters 12c, young and mixed chickens 13c to 15c. Doing in larger volume.

MEATS—Veal, dressed, is selling 10c to 11c, hogs 8c and 10c. There is big demand for mutton but the market is fluctuating according to what is available.

HIDES—Green 5c pound, salted dry hides 12c to 14c, sheep skins 75c each.

WOOL—Brings 16c to 18c for mohair 25c to 30c.
