

# It Wouldn't Pay to Advertise A Poor Article

Not a proposition of doubtful merit or honesty—for ad-readers  
nowadays, are DISCRIMINATING. They know values—they know  
GENUINE things, genuine opportunities.

Any article which can be sold by advertising is, by that test, a  
GOOD article. YOU are SAFE in buying a thing which has "stood  
the fire of publicity."

The maker of a widely advertised article, or commodity, is al-  
ways on trial for his business life. He cannot shirk, nor cheapen his  
products—and this is the best possible protection for the consumer.

You are SAFE in buying advertised things—it's the logic of  
nowadays business conditions.

## THEIR ONLY COUSIN COMES FOR A VISIT

### CORRESPONDENCE REVEALS RE- LATIONSHIP OF MRS. J. B. KETTER, OF WATSEKA, ILL.

Fred J. Meyer and Mrs. J. A. Mc-  
Causland, of this city, are enjoying  
a visit from an only relative, Mrs. J.  
B. Ketter, who is their cousin, and  
comes here from Watska, Ill. Mrs.  
Ketter heard indirectly of a Mr. Meyer  
connected with a bank of Oregon  
City, and communicated through the  
Banking System of the Pacific Coast,  
and found through the Seattle bank  
that it was Fred Meyer. Mrs. Ketter  
at once wrote to Oregon City, and up-  
on proof of her identity was urgently  
requested by Mr. Meyer and Mrs. Mc-  
Causland to visit them immediately.  
Mrs. Ketter accepted the invitation Mrs. Ketter  
gladly accepted. The meeting of the  
three cousins was a happy one. The  
visitor is delighted with the West, and  
with Oregon especially, and will re-  
main for several weeks in this city.  
Mrs. Ketter is the only child of Col-  
onel Miller, of Watska, Ill., the latter  
of whom was the brother of the late

## GIRLS WILL DEBATE AT CLAIRMONT APR. 19

THE CITY OR COUNTRY  
GIRL?

## CORRESPONDENCE

**SUNNYSIDE.**  
The road boss and his men are grad-  
ing the road by the Sunnyside grade,  
which will make it much better. Now  
if we could get a rock crusher we  
would have a good road.  
Dora Hemerick is quite sick with  
pneumonia.  
Mr. and Mrs. Osterback are the  
proud possessors of a baby boy, born  
April 5. Mother and child doing well.

## STAFFORD.

April has come with its sunshine  
and showers. Some frosty nights, but  
orchardists say not sufficient to in-  
jure small fruits which are now com-  
ing rapidly into bloom.  
Reint DeNuis' little boy, and his  
wife, are slightly better, but still very  
sick. Dr. Mount is in daily attendance,  
as also a trained nurse. Mrs. Atky,  
the wife's mother, is up again, but  
has not regained her strength. It is  
difficult to get help, but be succeeded  
on Tuesday in getting Miss Minnie  
Wilkins. Mrs. Zack Ellegesen sat up  
with the sick ones and relieved the  
nurse somewhat on Monday night,  
and Mrs. Gage did the same on Tues-  
day night. The neighbors have been  
very good, but a number of them have  
now got sick ones at home.  
At Conrad Schrader's they have the  
measles.  
On Wednesday morning there was a  
white frost.  
Sam Moser and Gussie got a new  
threshing machine which they brought  
home on Tuesday.

big load of potatoes Wednesday.  
Mr. Gage has not sold his potatoes  
yet, and says he has plenty wheat and  
oats in his granary.

for the mountains for thirty sacks of po-  
tatoes for seed.

About a dozen ladies, invited by the  
daughters, gave Mrs. Fred Ellegesen  
a genuine surprise party on Friday,  
the 31st of March, it being her birthday,  
and spent a delightful day. The  
daughters prepared a regular banquet  
and set the longest table so all could  
be seated at once, and they had man-  
aged so adroitly that the mother never  
suspected a thing. Such reunions are  
very enjoyable, and there should be  
more of them. It will be remembered  
that Mrs. Ellegesen has been sadly af-  
flicted in the death of Mrs. Turner,  
her mother, and Henry, her son. She  
has not recovered from the shock,  
and Mr. Turner, her father, has pre-
