Such men as George Washington, Thomas Jefferson and Abraham Lincoln would NOT HAVE BEEN OVERPAID IF THEY HAD EACH RECEIVED FIVE HUNDRED MILLION DOLLARS in cash for the services they rendered their day and generation.

stop and think when called to face the most solemn moment in life? There must be a softening, melting story that one needs not tell for the man who stops to think cannot but sense it.

Are you watching to see how deeply and how tenderly this life takes hold on your own? Are you permitting the sweetness that it breathes to come into your own that you may be snubbed and lifted up by it?

Many churches in this city will breathe to you and the world today more of the fragrance of this Jesus' love than they are wont to do.

STIPP RESIGNS AS DISTRICT DEPUTY

CANT AFFORD TO WORK LONGER FOR SMALL SUM OF \$41.66 A MONTH.

RESIGNATION MAILED TO MR. TONGUE

City Attorney George L. Story Has Endorsement of Clackamas County Bar for Position.

Refusing to serve the public any longer in an important capacity for the meager salary of \$41.66 per month, Livy Stipp, for several years past deputy district attorney for Clackamas county, has tendered his resignation, to take effect as soon as his successor is named.

At the last session of the legislature the salary of the deputy district attorney for Clackamas county was increased to \$75 a month, but this did not conform with Governor West's ideas of economy, and he vetoed the bill, while approving a measure appropriating \$50,000 for the Astoria colonial exposition.

While the salaries of the deputy district attorneys in other counties of the fifth judicial district are correspondingly low, the county court in some cases has rendered financial assistance in order to retain competent and experienced attorneys.

In Clatsop county the office rent of the deputy district attorney is paid out of the county's finances and in Washington county the official is allowed \$20 per month by the county court.

Nothing of this kind has ever been done in Clackamas county, however, and Mr. Stipp has declined to make a request. In his letters of resignation of District Attorney E. B. Tongue, Mr. Stipp boldly charges Governor West with playing politics, stating that the Governor "doubtless, with an eye on his future political prospects rather than on the needs of the county and State, vetoed the bill."

So far as known George L. Story, at present city attorney, is the only candidate for the vacancy made by Mr. Stipp's resignation.
