is progressing favorably." There is every reason to believe this statement. It is expected that the next tangible development will be news of the appointment of commissioners, who will meet at some neutral point and rush negotiations in a way

not possible by telegraph.

Dr. Gomez is expected to come here from Washington, having been asked to do so by General Madero.

EL PASO, Texas, April 24.-It was need of a longer period than five days in which to conclude peace, the armistice signed yesterday between General Navarro, of the Federal forces, and General Madero, will be extended from next Friday, when the period agreed on expires at noon.

Negotiations for peace had extended today just far enough to put each side into possession of the outlines of the they look fine and dandy in their new other's demands.

General Madero has known and sacredly guarded for two weeks information as to what the government will grant. He telegraphed Mexico City yesterday the nature of his basic demands. Following this, a long tele-gram was received from the Mexican capital, but no indication of its contents leaked out.

Nearly all of the Americans with Madero, feeling that the fighting is over, are preparing to quit the paths of war for the walks of peace. Many Mexicans, of the same opinion, have already made applications for work in this country. Scores of them, up to native mountains. They gaze with awe at the tall buildings of El Paso and are ambitious to secure work on this side of the border.
