OREGON CITY, OREGON, THURSDAY, MAY 11, 1911.

PER WEEK, 10 CENTS

JUAREZ IS MADE CAPITAL OF REBELS

TOWN TAKEN AFTER TWO DAYS' BATTLE AND FEDERAL ARE PRISONERS.

TACT RECOGNITION IS TO BE ASKED

President Not Ready. However, to Grant It—50 Government Troops and 15 Rebels Slain.

EL PASO, Tex., May 10.—The rebels have captured Juarez and made it the provisional capital. Francisco I. Madero, Jr., has been named Provisional President. He expects Washington to recognize the belligerents' rights.

General Juan J. Navarro, the federal commander is being held captive in a room of the barracks, which for two days he bravely defended against the fierce onslaught of the enemy. He surrendered with almost his entire garrison after a heavy loss in killed and wounded.

F. I. Madero, Jr., flushed with victory is surrounded by his men and officers. He declares that he is ready for peace. Madero declares that the Mexican government must deal fairly with the revolutionists. Action and not promise is demanded.

In improvised hospitals are many wounded attended by physicians and nurses from this city.

The federal dead are said to number nearly 50, while the rebel dead number about 15, with a total of wounded of 150. The total number lost probably never will be known, as deserters were many and the dead have been buried quickly. Among the dead were Colonel Tambores and Captain Sachu.

On the American side of the line five have been killed and about 17 wounded, some of them being innocently engaged at a distance from the river bank.

The surrender of the town by General Navarro took place at about 1 o'clock, General Navarro giving his sword to Colonel Garibaldi, of the insurgent army, after the rebels had completely surrounded the barracks and threatened to annihilate the garrison within. His eyes dimmed as he surrendered, but Colonel Garibaldi, with a handshake that bespoke his sincere admiration for the brave fight the federal leader had made, assured him every courtesy. Rebel officers rode up and extended to the federal commander their sympathy as Mexicans for him and his men.

GROVER FUNERAL TO BE HELD FRIDAY

EX-GOVERNOR AND ONE OF THE FRAMERS OF OREGON CONSTITUTION DIES.

PORTLAND, Or., May 10.—(Sp.)—The funeral service of Lafayette Grover, ex-Governor of Oregon; ex-United States Senator and one of the framers of the Oregon Constitution, who died suddenly this morning, will be held in Trinity Episcopal church at 2 o'clock Friday afternoon. Burial will be in Riverview cemetery.

Mr. Grover was born in Bethel, Maine, November 29, 1827, and came to Oregon 60 years ago. In 1857 Mr. Grover was chosen a delegate to the state constitutional convention and was one of the leading minds in drafting the constitution of Oregon. He was later elected to the state legislature. From this position he was elected as the state's first representative in congress in 1858. In 1870 he was elected governor of the state and was re-elected four years later. In 1877 he resigned the governorship to become United States senator, where he served the state until 1883.

It was when the Republican party was confronted by defeat in the effort to elect Rutherford B. Hayes President, that a National Union was placed within the hands of Governor Grover. When the votes were counted it was found that Louisiana, Florida and Oregon were the controlling factors. By rulings which the Republicans adopted, Florida and Louisiana were placed in satisfactory position, but every electoral vote from Oregon was still necessary.

Three electors had been chosen in this state, receiving a sufficient vote. It was found that one of the number was Joseph Watts, holding a post-office position at Lafayette, and the Democrats produced the Constitution, all provision which forbade any man holding a public office from being chosen as an elector.

Governor Grover issued a certificate of election to Attorney Cronin, of Portland, in the place of Watts, and on the recognition of Cronin or Watts hung the fate of the parties. Throughout the Nation the names of Grover Cronin and Watts were on every tongue.

The two Republican electors not attacked would not recognize Cronin, and refused to meet with him. Watts resigned his office as postmaster, and was chosen by the two Republican electors on the theory that they had the right to fill the vacancy, these three Republicans cast the votes which put Hayes into office, and then after that Watts was again given his postoffice. Party papers throughout the country raged, and Governor Grover was thrust into the very forefront of National prominence, being scored by his adversaries and cheered by his fellow party members.

RUSHLIGHT'S FOES AT SEA FOR CANDIDATE

MANY CITIZENS URGED TO MAKE RACE FOR MAYOR BUT DECLINE.

PORTLAND, Or., May 10.—(Special.)—The opponents of A. G. Rushlight are having a difficult time finding a man to oppose him on an independent ticket. Since the nomination for mayor of Mr. Rushlight by the Republicans last Saturday every effort has been made to find a man to run against him, but without success.

Exactly 10 days remain in which to flush the right kind of a citizen to be the independent, and the searching parties, of which there are several, will continue their investigations up to the last minute, if necessary. A dozen suitable citizens who would fill the bill are adamant in their refusal to enter the political race, which is quite satisfactory to Rushlight and equally satisfactory to Thomas, the Democratic nominee, who contends that for an independent to come out will split the vote and allow Rushlight to win.

Mayor Simon is still considering; John F. O'Shea positively balks; John Burgard says his business won't let him; John M. Gearin declines with thanks; Tom Word is digesting the situation, and so on down the line. Ex-Mayor Rowe is being boomed in some quarters. C. W. Hodson's name

is being talked of, but no far as known the proposition has not been put to him.

In the Sixth Ward, the insurgent Republicans are camping on the trail of Councilman Belding, and predict they will defeat him with John Montag, Democrat, in June. There is also talk of an independent against Councilman Kubli in the Eighth Ward. Dr. Edward Locke, who served in the State Senate last session, Dr. J. E. Joseph and Richard Deich are mentioned as possible material with which to defeat Kubli.

For the past few years hundreds of lights have been allowed to burn day and night in the lobby on the second floor, and in the rotunda.

CLACKAMAS BERRY IN BIG DEMAND

MANY DEALERS EAGER TO TAKE ENTIRE CROP OF OREGON CITY UNION.

CAR OF BOXES READY FOR DELIVERY

Better Fruit Expected To Be Grown This Year Than Ever Before—Methods Are Improved.

The directors of the Oregon City Fruit & Produce Union met Tuesday night in the office of the manager. Those present were George W. Waldron, president, O. D. Eby, B. Kupper, George M. Lazelle, A. J. Lewis, C. W. Swallow, George De Bok and M. J. Lazelle.

The most important matter considered was the disposal of the strawberry crop. Several buyers were present and anxious to obtain the entire crop of the Oregon City Union, as the berries produced in this section are of a very fine flavor and quality and are sought after by the dealers. It is understood that in all probability the strawberries of this section will be purchased by the R. F. Hosking Company, of Portland, although as yet no papers have been executed.

Manager H. G. W. Miller reported that the members had used 2000 gallons of lime sulphur spray already this year and at present he was distributing arsenate of lead. This shows that the Union is having effect upon the methods of the growers and prospects are that more good fruit will be produced in Clackamas County this year than ever before.

The Union has just received a carload of strawberry boxes from the factory and will distribute them among the growers. Each grower must have his name and number on the crates and after the berries have been inspected by the manager, the stamp of the Union will be placed on the crate.

This is the first time in the history of Oregon City that strawberry buyers have been attracted here and this only goes to show the importance of the Union to this section.

"Red Riding Hood" which will be given on Thursday evening, will be participated in by more than 100 children of this city, who will be beautifully costumed.

"The Gypsy Queen" will be given Friday. These two entertainments are to be given under the auspices of the Daughters of the King of the St. Paul's Episcopal church under the direction of Mr. and Mrs. Stimpson, who recently arrived in this city from Chicago, and who have had much experience in putting on cantatas of this order.

Balliffs To Be Tried Today.

The trial of Water Balliffs Gustafson and Mundell, charged with catching trout illegally will be held before Justice of the Peace Samson at 10 o'clock this morning. The trial was postponed Wednesday because of the absence of witnesses who, it is said, will testify that they saw the accused men with salmon the last day of the closed season. The balliffs declare that they are not guilty.

MAN KILLED IN PLANE FALL.

SAN ANTONIO, Texas, May 10.—Lieutenant George M. Kelly, of the Thirtieth Infantry, U. S. A., was killed this morning in a fall from a Curtiss aeroplane at the Fort Sam Houston. He was making a light, and when about 50 feet from the ground shot forward from his seat landing on his head. His skull was fractured, and he died in a few minutes, without regaining consciousness.

Kelly was a pupil of Glenn Curtiss in aviation, and came here about three weeks ago from San Diego, Cal., where he received his first lessons.

It is believed the accident was caused by the unexpected starting of the engine while Kelly was making a landing.

ARRANGEMENTS MADE FOR "POST CARD DAY"

SCHOOL CHILDREN ARE TO AID OREGON CITY PRO-MOTION PLAN.

Oregon City will be a busy place next Monday. That day has been designated "Post Card Day," and it is expected that thousands of cards will be mailed from this city to various parts of the United States.

The plan originated with the Live Wires of the Commercial Club, and the details have been arranged by a committee, composed of Major L. S. Noble, E. E. Brodie and M. J. Lazelle. Noble, children of the city schools have been supplied with cards by the Commercial Club. They are expected to devote a part of the day to addressing and mailing the cards to friends. Their parents, and, in fact, all friends are urged to mail post cards to persons in various of the country. Anticipating the great demand for the cards, many of the merchants have added to their stocks and are displaying the cards in their windows. It is believed that the cards, all of which will contain illustrations of points of interest in Oregon City and Clackamas County will attract many home seekers.

TO HAVE SANE FOURTH.

Permission May Be Given For Harmless Displays.

The Gladstone city council met in regular session on Tuesday night, and among the important matters given attention was the passage of an ordinance prohibiting fireworks in the limits of Gladstone. This was in response to a demand for a sane Fourth of July this year. Special permission may be given for a harmless display of fireworks in the evening.

Aaron Burr's Mansion To Go.

NEW YORK, May 10.—Another New York landmark, the famous Aaron Burr mansion on Riverside, drive, is to go before the advancing line of modern apartment houses. ORDINANCE URGED TO END TREATING

PETITION TO MAYOR AND CITY COUNCIL FOR MEASURE IS CIRCULATED.

MANY SIGNATURES ARE OBTAINED

Action in Line With Recent Regulation of Saloons and Pool Room Law Now Being Considered.

An anti-treating ordinance is being agitated in Oregon City, and those who favor it say that the measure will be passed. A petition to Mayor Brownell and the City Council urging the passage of the ordinance is being circulated by Harley C. Stevens. Mr. Stevens has obtained several hundred signatures, and will submit the petition to the Mayor and city council when he has obtained 1000. The agitation is in line with the recent reform movement that was started when an ordinance was passed providing for glass front doors and windows for the saloons. An ordinance before the city council now provides for the regulation of the pool and billiard rooms. It prohibits card playing and all games of chance in these places, and makes the same provision as to glass doors and windows as the saloon ordinance.

The petition for the anti-treating ordinance recites that great harm comes from the custom of treating in saloons and clubs. It is contended that many persons are induced by friends to drink who would not do so otherwise.

Folling is the copy of the petition: "To the Honorable Mayor and City Council or Oregon City, Or.: We the undersigned, residents and taxpayers of Oregon City believe that great harm comes from the custom of treating in places where intoxicating liquors are dispensed and believing it to be for the best interest of this community that said custom of treating be prevented, we therefore petition your honorable body to prepare and pass an ordinance making it unlawful for persons to treat or give to any person or persons any intoxicating liquors of any kind in any saloon, drug store, club room or any other public place within the corporate limits of Oregon City, and your petitioner will ever pray."

BAILEY'S REMOVAL IS ASKED BY GRANGERS

RESOLUTION INTRODUCED OPPOSING REFERENDUM IN SCHOOL MONEY.

CORVALLIS, Or., May 10.—(Special.)—Multnomah County delegates offered a resolution today at the convention of the State Grange looking to the removal of State Dairy Commissioner Bailey. In case he fails to resign the Governor is asked to remove him. The Grangers were entertained at the college for luncheon and dinner.

Columbia county introduced a ringing resolution opposing the referendum on the educational appropriations and another opposing the appropriation of money to defray expenses of an ambassador to the coronation of King George.

Douglas county presented a resolution favoring a key to the unwritten work. Lane county presented a request for information relative to co-operation.

Delegates from Linn county favored more stringent laws relative to tubercular livestock and the spread of the disease.

Following the report of the committee on credentials and other preliminary work, several committees to take charge of routine work of the four days' session were named. Mayor C. V. Johnson delivered the address of welcome from the city, and Professor W. F. Gaskins welcomed the visitors in behalf of the Commercial Club, of which he is president. C. E. Spence, master of the State Grange, responded for the visitors. An address was given by President W. J. Kerr of the college, who spoke on "The Place of the Agricultural College in Education."
