MADERO PUTS END TO REBEL MUTINY

CHIEF AND GENERAL OROZCO QUARREL AND SOLDIERS START RIOT.

NAVARRO'S LIFE IS THREATENED

Federal General is Split to American Side of Line—Angry Insurgent Mob is Thwarted.

EL PASO, Tex., May 13.—After a clash between the political and military authorities, Provisional President Madero is today master of the situation.

General Navarro, the defeated federal commander, whose life was threatened early by angry mobs of insurgents, was spirited away by Madero himself to the American side of the Rio Grande and tonight is safely ensconced in the home of friends in El Paso.

A plot deeply laid is suspected by the rebel leaders as the cause of the narrow front in front of the Madero headquarters today.

Early today General Orozco called on Madero and the two men talked alone for some time. Suddenly their voices were raised and the other rebel political chiefs rushed into the room only to find themselves held back by some of Orozco's men. A throng of soldiers had gathered outside the building and Madero determined to appeal to them. Six-shooters had been drawn and rifles leveled, but Madero stood bravely before the crowd and shouting his breast, shouted: "Shoot me, shoot me, if you dare."

As Madero stepped forth among them and talked in his calm, reassuring way, the affection which has been ripening among his men since the revolution began crystallized in a mighty shout: "Viva Madero."

ROSE SOCIETY IS TO HAVE FLORAL PARADE

COMMITTEE APPOINTED TO ARRANGE DETAILS OF PARADE.

The Clackamas County Rose Society at a meeting held in the parlors of the Commercial Club Saturday afternoon decided to have a floral parade in connection with the festival on June 3. A committee on arrangements was named and will report as to the details of the parade at a meeting next Saturday. Decorated vehicles of all kinds will compose the parade. It is also planned to have little children dressed in various costumes on some of the floats.

The parade will be the first floral ever given in Oregon City and no effort will be spared to make it a success. Mrs. Rosina Fouts, president of the Rose Society, said that the members were enthusiastic over the parade, and that it undoubtedly would be one of the most pleasing features of the celebration.

CLACKAMAS GRANGERS BACK FROM SESSION

The five Clackamas County delegates, who attended the session of the state Grange at Corvallis, returned to their homes Saturday. The session held, and it is believed that the results will be most beneficial to the farmers of the state.

Among those who attended were Mr. and Mrs. Harvey Starckweather, Mr. Dodds, Mr. and Mrs. W. P. Kirchem, C. E. Spence, State Master, and Mary S. Howard, State Secretary. The fraternal delegates were W. G. Parsons, State Federation of Labor, President McCallister of the Farmers' Union and A. P. Davis.

The Benton County Grangers and the Corvallis Commercial Club tendered the grangers a banquet at Wald hall Wednesday, the young ladies of the hall serving as waitresses.

To show their appreciation of the excellent service a collection of \$40 was taken and Mrs. Clara Waldo gave \$10 which will be used by the young ladies of the hall with which to purchase a mirror.

Much business of importance to the county was transacted. The committee had to work overtime and had no rest. Roseburg was chosen as the next place of meeting, with the assurance that there would be strawberries for everybody.

A. I. Mason, of Hood River, Mr. Dickenson, of Oswego and others added to the jollity of the occasion. Some who came in seemed to think the legislature was in session, the presence of W. S. U'Ren seemed to have made an impression. Music, both instrumental and vocal, was furnished by young ladies of the college.

300 ARE EXAMINED FOR HIGH SCHOOL

More than 300 pupils stood the examinations Thursday and Friday for advancement from the Eighth grade to the High Schools. This is the largest number ever known in Clackamas County to take the examinations. County Superintendent Gary received about 300 examination papers, and the remainder will be received by him Monday.

He will take the Board of Examiners, Supt. Gary, Mrs. A. C. Shaw, of Milwaukie; Mrs. Viola Godfrey, C. F. Anderson and Mrs. Haas, of Oregon City, all of next week to pass upon the papers.

Milwaukie had the largest class of any section, twenty-one pupils from there having taken the examination. The questions, which were furnished by L. R. Alderman, State Superintendent, are said to have been the most difficult ever offered in this county. The questions in civil government were most complained of by the children.

Applicants who fail in not more than two subjects will be given another trial in June. Those who fail in more than two subjects must spend another year in the Eighth grade.

TOMORROW IS "POST CARD DAY."

School Children Will Send Cards To All Parts of Country.

The children of the Oregon City schools are taking much interest in "Post Card Day," and it is expected that thousands of cards will be mailed to all parts of the country on Monday, the day designated by the Commercial Club. The Live Wires of the Commercial Club organized the plan, and a committee composed of Major L. S. Noble, E. E. Brodie and M. J. Lazzelle arranged the details.

The Commercial Club has supplied the school children with cards and they are expected to begin bright and early Monday morning addressing the envelopes. Not only are the children excited to send out cards, but their parents are in fact all the residents of the city are urged to take a hand in the work. Through the cards it is believed that many persons will be attracted to Clackamas County. Beautifully illustrated cards may be had at several stores. Some of the window displays are attracting a great deal of attention.

GOV. WILSON GETS OVATION.

LOS ANGELES, May 13.—Woodrow Wilson, Governor of New Jersey, was greeted with great enthusiasm when he spoke before the City Club here to night.

General E. C. Bellows, ex-American Consul-General to Japan, presided. In his opening remarks he referred to Theodore Roosevelt, La Follette and Hiram W. Johnson, Governor of California, each name receiving much applause.

TOOZE PROTEST IS HEARD BY LEAGUE

SUPERINTENDENT SAYS OREGON CITY TEAM WAS NOT GIVEN CHANCE.

PROF. JAMES DEFENDS HIS ACTION

Head of Local Schools at Fault; Estacada Principal Asserts—Debates Was Arranged He Declares.

The Executive Committee of the Clackamas County School League at a meeting Saturday afternoon heard evidence in the protest of Superintendent Tooze, of the Oregon City Schools, granting the debating championship to the Parkplace team. Mr. Tooze made the protest on the ground that H. M. James, principal of the Estacada High School, had used his influence as head of the debating department of the Clackamas County School League to deprive the Oregon City High School team of a chance to take part in the race for the championship.

Only three members of the Executive Committee were present, but Professor James and Superintendent Tooze agreed that they should hear the case and make a decision. Those members were Benton Vedder, President; Linn C. Durand and County Superintendent of Schools, T. J. Gary. The case was taken under advisement and a decision will be rendered in a few days.

Mr. Tooze declared that he had no quarrel with any of the schools but did not think that the Parkplace team should be awarded the championship when Oregon City had not been given an opportunity to take part in the contest. He said that Estacada had lost to Parkplace, and before a decision could be made Parkplace would have to debate with the Oregon City High School team. Both Superintendent Tooze and Professor James testified before the Executive Committee along the lines of the statements they had made to the news press.

Mr. Tooze said that Mr. James arranged for a debate between Estacada and Oregon City one Sunday and on the following day cancelled the debate and arranged one between Estacada and Mount Pleasant. The Superintendent said that Professor James' explanation of his action was that two members of the Oregon City High School team had listened to a debate on the same subject at Parkplace. The Superintendent charged that the contention was not well founded, inasmuch as all the members of the Mount Pleasant High School team had heard the debate on the same subject.

ORGANIST TO GIVE RECITAL.

Dr. Frank Wilbur Chase To Be in Portland During Festival.

Portland, Or., May 13 (Special).—One of the attractions for musical people of the Northwest at the Third Annual Convention of the Pacific Northwest Music Teachers' Association, which meets in Portland June 7, 8, 9 and 10, will be a recital at the White Temple on the afternoon of June 8, by Dr. Frank Wilbur Chase, of Seattle. This event is being looked forward to eagerly by lovers of the pipe organ. Dr. Chase is recognized as among the foremost organists of the time. He was one of the famous players of this superb instrument invited to take part in concert's given at the World's Fair at St. Louis. The recital will be held at an hour when there is no counter attraction on the Rose Festival program. The decorated horse and vehicle parade is held on Thursday afternoon, but this comes early and will be over before the organ recital starts, so none need miss either event.

For the afternoon of Friday, the following day, a manuscript concert will be given, open to all composers of the Pacific Northwest. A number of manuscripts of much merit have been received for this concert and it is desired by Mrs. Alice Brown Marshall, head of the program committee, that other composers who have not yet been heard from, send in their manuscripts. This event will be a big concert than was at first planned, as more have entered than was thought likely.

ELK'S DEAL FOR SITE CALLED OFF

CLOUD ON TITLE OF PART OF PROPERTY OFFERED TO LODGE BY MR. HAWLEY

TAXES NOT PAID PRIOR TO 1899

Another Location Will Be Obtained Unless Suit is Filed To Quiet Title—Price Is \$8,000.

The refusal of W. P. Hawley, owner of lots 7 and 8, block 9, Oregon City, to give a warranty deed to the property to Oregon City Lodge, No. 1189, Benevolent and Protective Order of Elks, after negotiations were practically closed for the purchase of the property, has caused the deal to fall through. There is a possibility, however, that the purchase may still be consummated, and it is understood that Mr. Hawley has been given 60 days to clear up the title.

Arrangements were made a few weeks ago by the Elks lodge to purchase the property for \$8,000, and plans were immediately made for a bond issue of \$25,000, with the object of building a home for the lodge. These plans will probably be held in abeyance.

Trustees of the lodge learned Friday that there is a cloud on the title to lots 7 and 8, known as the back lots, though the title to lot 2, on Main street, is perfectly clear. Lots 7 and 8 were owned by the Alden Prune Drying Company, and it is understood the concern is on the list of defunct corporations. Previous to 1899 the taxes were unpaid and in 1899 Thomas F. Ryan and H. C. Stevens obtained a tax title to these lots. They then gave a warranty deed to Charles Albright, who owned lot 2, and Mr. Albright gave Mr. Hawley a warranty deed to all three lots four years ago, when Mr. Hawley purchased the property for \$5,000, paying \$4,000 on lot 2, upon which there is a residence, and \$1,000 for lots 7 and 8.

Mr. Hawley has offered the Elks either a bargain and sale deed or a special warranty deed, but these were not satisfactory to the trustees.

There are other desirable sites in the city, one of which will be purchased if the break in the title to the Hawley property is not corrected, through suit to quiet title. The Hawley lots, however, are desirable, being pleasantly situated and having a frontage on the river and the principal street of the city.

EXPERT COMING HERE TO FIGHT PEAR PEST

H. F. WILSON, OF AGRICULTURAL COLLEGE TO BE IN CITY MAY 23.

Oregon Agricultural College, Corvallis, Ore., May 13 (Special).—"Xyleborus pyri", or the pear blight beetle as it is commonly known, is reported to be killing large numbers of pear trees in Northwestern Oregon. The Oregon Agricultural College will send H. F. Wilson, of the entomology department on a tour, the week of May 22, to discover the extent of the ravages of the pest, and plan a campaign against it.

Mr. Wilson will go to Aurora and Hubbard on Monday, May 22; Oregon City on Tuesday, Wednesday to Portland; and Thursday to Hillsborough. He will be interested to meet all farmers and fruitmen who can give him information as to orchards where this pest is making depredations, as well as regards any other crop pests of the vicinity.

The *Xyleborus pyri* is a little black beetle that bores into the center of the tree and makes channels which, it is said, are rapidly killing many pear orchards.

As soon as the funds provided by the recent legislature are available the college will be able to send more men into the field to help the farmers and fruitmen to fight the insect and fungus pests which annually destroy thousands of dollars worth of crops.

CLACKAMAS TEACHERS HAVE FINE MEETING

WOMAN'S CLUB GIVES SUMPTUOUS LUNCHEON AT WOODMEN HALL TO VISITORS.

More than 100 teachers attended the Clackamas County Institute held in Oregon City Saturday. The institute was convened at 10 o'clock in the morning and from that time until night everybody was busy. Probably the most important feature of the meeting was the discussion following the reading of a paper on "What Women's Clubs and Kindred Organizations can do for the Public Schools" by Mrs. W. A. White.

Mrs. White's paper covered every phase of the theme. She pointed out how women's clubs had aided the schools and said that even more could be done by them. After the paper had been done by several teachers told what had been done for the schools in which they teach by Women's Clubs. Among them were teachers from Oswego, Milwaukie and Gladstone. The clubs have furnished pictures for the walls of the school rooms, aided in beautifying school grounds, calcimined rooms, had flowers planted, etc. The women's club in Oswego furnished a drinking fountain for the children. Several of the clubs have also provided books for the school libraries.

One of the features of the meeting was the sumptuous luncheon provided the visitors at Woodmen Hall by the Oregon City Woman's Club. More than 100 persons sat down to the luncheon and it was the unanimous verdict that the spread was unusually fine. The visiting teachers were the guests of the Oregon City teachers, and, in behalf of them Superintendent of City Schools Tooze extended the following card of thanks to the Woman's Club: "In behalf of the Oregon City teachers I desire to thank the Woman's Club for its splendid interest and courtesy shown the teachers of Oregon City in the assistance rendered in providing the magnificent luncheon served our guests, the Clackamas County teachers, attending the institute today."

"FRID S. J. TOOZE, Superintendent Schools."

County Superintendent T. J. Gary, who arranged the institute, was complimented by many upon the success of the meeting.

The address of Dr. G. A. Patterson, Dean of Willamette University, was one of the features of the meeting. Dr. Patterson spoke of the splendid work that is being done by the schools and gave some interesting and instructive suggestions to the teachers.

Others who made interesting addresses or read papers were John R. Slevens, "The Background," P. L. Coleman, "Teaching Writing in the Schools," and J. E. Calavan, "School Management."
