1899—The famous Illinois convention met in Chicago. The Democratic convention had already met in Charleston and separated over the stately question. The Illinoisan aspirants for the role of standard bearer were Lincoln, Senard and Chase. Lincoln was nominated.

The half-breed, who tried to whip Deputy Sheriff Frost, went against the wrong man. The peace officers of this city have demonstrated on numerous occasions that they can take care of themselves.

Baseball as played forty-five years ago was not the scientific game it is today, as is proved by the article reprinted today from the first issue of the Weekly Enterprise. But the rivalry was just as keen and the interest as great. Think of the score, 77 to 48.

The exhibit of the Oregon City Schools in the Weinhard Building was a revelation to the citizens of this city and county. The work of the children is certainly of high order and reflects credit upon Superintendent Tooze and the teachers, as well as the children themselves. Methods of teaching have undergone a radical change in the last ten years and Oregon City is to be congratulated upon being in the forefront of progress. The city has reason to be proud of the schools.

Policeman Green Finds Check.
City Policeman Green left at the office of the Enterprise Monday a check which he found on the street Sunday. The check, which is made out for only 20 cents and was evidently intended for payment of lodge dues bears the signature, "Charles Holme." It is on the Bank of Oregon City.

SHERIFF STOPS FIST FIGHT.

Young Men Go to West Side to Settle Difficulty.
Two Oregon City young men became involved in an altercation Monday afternoon and went to the West Side to settle it with their fists. They were followed across the river by a large crowd. Sheriff Mass appeared on the scene after one of the fighters had sustained a battered eye. The sheriff took the young men to Justice of the Peace Samson's office where they were made to shake hands. They said they had picked the battleground on the West Side to escape arrest. The sheriff, however, informed them that fighting was not allowed in any part of the county.

EXCITING STORY OF BASEBALL GAME 45 YEARS AGO

Baseball fans of today will be interested in the report of a game played in this city forty-five years ago by the Clackamas Club and the Pioneer Baseball Club, of Portland. The score was somewhat larger than those of today, but the game was none the less interesting on that account and rivalry was keen.

The following description of the game was published in the first issue of the Weekly Enterprise on October 27, 1866:

The Pioneer Baseball Club of Portland paid our city a visit on Saturday, the 13th, and participated with the Clackamas Club in a match game. The day was pleasant and the playing fine. The first two innings put the Pioneers far ahead of the Clackamas Club. It will be seen that the Pioneers returned with two straight blows on their score. The following runs were made:

| Clackamas Club | Runs | Home | Runs |
|---------------------------|------|------|------|
| N. W. Randall, capt. | 5 | 0 | 0 |
| S. D. Pope, pitcher | 4 | 1 | 0 |
| G. Sheppard, 1st base | 6 | 0 | 0 |
| G. Bridges, shortstop | 5 | 0 | 0 |
| P. Barclay, 2nd base | 4 | 0 | 0 |
| A. M. Zigler, right field | 4 | 0 | 0 |
| C. Mason, center field | 4 | 0 | 0 |
| F. Cherman, 2nd base | 5 | 0 | 0 |
| | | 45 | 2 |

| Pioneer Nine | Runs | Home | Runs |
|---------------------------|------|------|------|
| W. K. Wetherell, 1st | 9 | 0 | 0 |
| T. Miner, catcher | 9 | 0 | 0 |
| Jas. Steele, center field | 8 | 0 | 0 |
| J. Upton, shortstop | 8 | 0 | 0 |
| Wadhams, 2nd base | 7 | 0 | 0 |
| Quackebush, pitcher | 8 | 0 | 0 |
| J. Butchell left field | 11 | 0 | 0 |
| P. DeHuff, right field | 8 | 1 | 0 |
| F. M. Warren, 3rd base | 9 | 0 | 0 |
| | 77 | 5 | 0 |

The runs made each inning were as follows:

| | | | | | | | | | |
|-----------|----|----|---|---|---|---|---|----|----|
| | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 |
| Clackamas | 2 | 7 | 4 | 6 | 1 | 1 | 3 | 11 | 10 |
| Pioneer | 20 | 28 | 8 | 7 | 8 | 6 | 9 | 0 | 0 |

At the conclusion of the game the participants sat down to a sumptuous feast at the Barlow House, where good cheer prevailed until two hours after departure for Portland. The Oregon City Brass Band under the leadership of Mr. Thomas Miller, headed the procession on the line of march, and "played" their part in a most creditable and satisfactory manner. A large number of ladies, both from Portland and Oregon City, were on the grounds and witnessed the playing. The lions expressive of their pleasure Clackamas Club adopted resolutions expressive of their pleasure tending thanks to the Brass Band, etc., which we regret to say have been mislaid and we cannot publish them at this time. The Pioneer Club sends us the following for publication:

At a regular meeting of the Pioneer Base Ball Club held on the evening of Monday, October 15th, 1866, it was unanimously resolved that a vote of thanks be and is hereby tendered to the members of the Clackamas Base Ball Club of Oregon City for hospitalities extended to the members of this club while in their city on the 13th inst. To the Oregon City Brass Band for services rendered on the occasion, and to mine host of the Barlow House for his many kindnesses to our visiting members and friends from Portland.

That these resolutions be ordered published in the Daily Oregonian and Herald of this city, and the Enterprise of Oregon City, and that the secretary be instructed to forward a copy to the secretary of the Clackamas Base Ball Club.

Gold Lace and Ermine Being Prepared For Coronation Robes

Photos by American Press Association.

REAR gold threads were used in weaving the lace for King George's coronation robe. The process was quite slow, ten inches of the lace being the average daily output of a skilled weaver. Preparations for the coronation were begun many months ago, and the weaving of the gold lace and the sewing of the ermine, both of which tasks are shown in the pictures above, were only a small portion of the work that was done. Historic old Westminster abbey was materially changed, additional seats and galleries being constructed, and an addition was built to accommodate those entitled by official rank to view the ceremony. England does not have a coronation very often, and when the chance does come for lavish display it is not allowed to pass unnoticed.

CLARK SENTENCED TO 50 DAYS.

Man Who Attacked Deputy Sheriff, Goes to Jail.
Harry Clark, Jr., who attacked Deputy Sheriff Frost Saturday, was sentenced to fifty days in jail by Deputy District Attorney Stipp on Monday. A warrant charging Clark with intoxication and disorderly conduct was sworn out by Joseph Andrews. When the deputy sheriff served the warrant on Clark, the latter resisted arrest. The deputy sheriff was forced to use his club. He was assisted in subduing the half-crazed man by Harry Quackebush, policeman Cook, who had arrived by this time, snapped handcuffs on Clark.

CATTLE AVERAGE IS HIGH Portland Receipts Light in Stock Market.
The Portland Union Stock and Commission Company reports as follows: Receipts for the week ending Monday have been 1248 cattle, 18 calves, 1417 hogs, 4733 sheep, 23 horses, 1 mule.
Light receipts in each division has accounted for a high range of prices. The cattle market showed a pronounced line of high averages and the shipper of the Pacific Northwest has in the Portland market a good assurance of profit this spring, and any other livestock center in the United States. The Eastern packers are enabled to put beef in the Portland Northwest cities at from 12 to 15c per lb. less than the cost of Portland secured supplies hung in cold storage.
The hog market stayed very high. There was no limit to the demand, the local offering brought a higher price than the Missouri River market warranted.
The sheep market remained firm and strong. The mutton appetite of the sheep consumers tributary to the market has created a demand which the present supply of fat sheep cannot meet.
There was a considerable amount of inquiry for horses but no trading resulted. Our team of drafters sold for \$850.00.

Panama Exposition Will Prove a National Benefit
By CHARLES C. MOORE, President of the World's Panama Pacific Exposition Company of California
THE Panama canal exposition, to be held in San Francisco, is going to OPEN THE EYES OF THE WORLD to the great possibilities and VAST RESOURCES OF THE WEST.
THIS WILL ALSO PROVE A NATIONAL BENEFIT, AS IT WILL RESULT IN BRINGING TO MANY EASTERN PEOPLE TO WHOM THE WEST IS SIMPLY A PART OF THE MAP A KNOWLEDGE AND UNDERSTANDING OF THE COUNTRY. IT WILL MAKE THEM BETTER APPRECIATE THEIR COUNTRY.
Stimulating the interest that easterners would have in the trip to the west and a visit to the exposition is the DESIRE to see the city that within five years rehabilitated itself and raises the money to finance what is sure to prove one of the MOST ELABORATE EXPOSITIONS the world has ever seen.
