FIVE DEAD; SCORES STRICKEN BY HEAT

CHICAGO SWELTERS UNDER BURNING SUN AND SUFFERING IS INTENSE.

AMBULANCES KEPT BUSY ALL DAY

Unprecedented Heat is Reported From Middle West—Mercury Reaches Ninety-four Degrees.

CHICAGO, May 26.—Scores of men and women were stricken and five are dead as a result of the intense heat. All day the police ambulances were busy responding to calls for assistance from street intersections in the loop, and even in the outlying districts, where victims were felled by the hot blast. But the visitation was not confined to Chicago alone. From virtually every city and town in the Middle West and extending almost to the coast came similar reports of unprecedented heat. The high mark in Chicago, 94 degrees, was a duplication of the maximum temperature of Thursday, which was the highest record for that date in 47 years. Of those prostrated three will probably die as their condition is serious.

The visitors made two errors to Portland's one. The Seals scored first in the fourth when Weaver was hit by a pitched ball. Tennant straggled and the former scored from third on a line fly. The Roadsters by good stick work won from Victoria by a score of 5 to 3. Following were the results Friday: Pacific Coast League—San Francisco 2; Portland 1; Vernon 0, Oakland 5; Sacramento 3; Los Angeles 0. OIL OZES FROM FISSURE IN WELL

EXPERTS AT STONE THINK BIG FLOW WILL SOON BE OBTAINED.

DRILLING TO START AGAIN MONDAY

Cement Has Hardened and Rock Cap Will Soon Be Pierced—Character of Stone Encouraging.

Favorable news was received Friday by the Home Oil & Gas Company from the Stone oil well. Louis Vierhus, on whose farm the well is being drilled, reported that quantities of oil had been seeping through fissures in the rock, and it was believed by experts who had made an examination that it would not take long when drilling is resumed, to reach oil in paying quantities. Mr. Vierhus also reported that the cement which was poured into the well about two weeks ago to fill efficiently to resume drilling. The drillers are expected to resume work the first of next week, probably Monday. The drill was diverted by the crevices and it became necessary to shoot the well and fill in with cement in order to make further headway. The experts are confident that the strata of hard rock which is causing all the trouble is the "oil cap." The stone is of the same formation as that encountered in Texas and California just before oil was reached. Mr. Vierhus says that both oil and gas have seeped through the crevices, and there is every reason to believe when the strata is pierced both will be found in large quantities. The management is awaiting a report from a Portland chemist to whom was given a sample of the stone thought to be the "oil cap" for analysis. A depth of 1395 feet has been reached and it is believed that it will not be necessary to sink the well more than 250 feet additional.

WATER CLEARING; FISHING EXCELLENT

KNIGHTS OF REEL TAKE ADVANTAGE OF LAW ALLOWING SPORT NEARER FALLS.

Salmon fishermen on Friday for the first time since the new law went into effect ventured 400 feet nearer the falls than was formerly allowed. The sport was excellent and many reported good catches. Back water is bringing the salmon in from the ocean, and the head water has receded to such an extent that the river is clearing. With a few more days of sunshine it is predicted that fishing will be better than at any time this season, and the knights of the reel in this county and Portland are looking forward to the sport. The law allowing the line fishermen to go 400 nearer the falls is of great advantage, because it is there that the fish are stopped on their way from the sea. It is thought that a few go up the ladder, but the majority stop when they meet the obstruction. Here they remain until attracted by the fishermen's spoon and are caught. The die of go back down the river. Thomas Brown said Friday that he expected large crowds out from Portland Sunday.

SOLOIST GETS HEARTY OVATION AT RECITAL

ENTERTAINMENT PRESENTED BY PROMINENT WOMEN IS BIG SUCCESS.

One of the most enjoyable social events of the season was the recital given on Friday afternoon at the Woodmen hall, the hostesses being Mrs. M. D. Latourrette, Mrs. C. G. Miller, Mrs. W. S. U'Ren, Mrs. John W. Loder, Mrs. Walter A. Dimick, Mrs. Theodore Osmond, Mrs. Carl Joehneke, Mrs. J. E. Hedges, Mrs. Leon DeLarzes. The soloist was J. Ross Fargo, one of the leading tenors of Portland, and Master Gordon Soule, pianist, while Miss Veda Williams, of this city, was the accompanist.

Mr. Fargo never appeared to better advantage, and it was the first time that many of the music-loving people of this city had the pleasure of hearing him sing. His numbers received hearty applause and he was forced to respond to several encores. Master Gordon Soule, a pianist of Portland, played with expression and musical understanding. He aptly combines these two attributes and brings a tonal variety that was exquisite. Miss Veda Williams, who is one of Oregon City's accomplished musicians, and often has been heard in concert work in this city, was a most excellent accompanist, and her artistic work was thoroughly enjoyed by the large assembly.

Woodmen hall never looked more attractive, with its decorations of dogwood blossoms and Scotch broom. Ice cream, cake and coffee were served after the rendering of the following program: J. UMBRELLA TRICK STARTS STREET FIGHT

MEN GO AT IT HAMMER AND TONGS AND FINALLY LAND IN MUD.

Oregon City has been the scene of many fistcliffs and rough-and-tumble fights, as have all cities, but one that occurred Thursday night at Sixth and Main streets takes the palm for its novelty and suddenness. C. D. Swick, one of the belligerents, did not have the slightest idea an infinitesimal part of a second before the affair began that he was going to be a party to it. And it is doubtful if Mike Ribski, who, incidentally, not only got punched in the "noseki," realized that a fight was impending when he committed the act that provoked it. Ribski, who had been drinking, according to Policeman Cook, who arrested him, was standing on a corner of Sixth and Main streets. Swick, whose reputation is of the best, was passing with a friend. It was raining, and Swick carried an umbrella. As he passed Ribski he tried to raise his umbrella above that of the man on the corner. Ribski became peeved, and threw his umbrella up with such force that it knocked Swick's umbrella to his hand. An instant Swick was upon Ribski letting uppercuts and jabs fly in a manner that would cause Jack Johnson to almost turn green with envy. All of the blows landed. But Ribski meanwhile was not idle. He was fighting his best. Finally the men fell, and in the muddy street they belabored each other until the arrival of the policeman. They were separated and taken to the station house. Recorder Stipp fined Swick \$2.50. It is presumed a man should be willing to pay this sum for the privilege of giving another such a severe drubbing as was given Ribski. The latter was ordered to pay a fine of \$15, and he went down in his "jeanski" and "didaki."

SCHOOL HEAD TO MAKE ILLUSTRATED TALKS

SUPERINTENDENT GARY PLANS NEW FEATURE FOR EDUCATIONAL WORK.

Superintendent Gary of the Clackamas County schools has made arrangements for the purchase of a stereopticon lantern to be used in connection with the school work. It is his intention to give illustrated lectures on his visits to the various schools. The lectures will be given in the evenings at public halls, and parents, as well as the children, will be invited to attend. Illustrations of various school buildings and grounds, of historic and geographical scenes, etc., will be shown. The superintendents of the schools of several other counties in the state have been provided with lan-

FAIR PRIZE LIST IS AIDED BY PORTLAND

MERCHANTS SUBSCRIBE \$500 AS INDUCEMENT FOR EXHIBITS.

O. E. Freytag and George Lazelle, of the soliciting committee of the Clackamas County Fair Association, reported to Secretary Lazelle Friday that Portland merchants had subscribed \$500 to be used for prizes. It is expected that other merchants in Portland will also subscribe for the fund. The fair will begin on September 27 and continue four days. The committee will, in a few days, begin soliciting subscriptions from Oregon City merchants and those in other parts of the county. Indications are that the fair this year will be the most successful ever held. Secretary Lazelle daily receives inquiries regarding the exhibits, and more entries have been promised so far than ever before. A feature that is expected to attract a great deal of interest and a large attendance is the automobile race, complete arrangements for which have been made. The program, which will be published in a few days, will be distributed throughout the county.

INDIANS GIVEN CHANCE TO REGAIN LAURELS

CHEMAWA RUNNERS AND Y. M. C. A. REPRESENTATIVES TO RACE AT CHAUTAUQUA.

To settle a dispute which started when the runners of the Portland Young Men's Christian Association recently defeated the Chemawa Indians in a relay race, the management of the Clackamas Valley Chautauqua Assembly on Friday made arrangements between the contending factions for a relay race to be held on July 4 at the Chautauqua meeting. The Indians, who won every race prior to the last one, still assert their prowess as runners as being superior to that of the Young Men's Christian Association representatives, and declare they will prove it in the Chautauqua contest. The race will be on the track and will include hurdle jumping. A gold medal will be given to each member of the winning team, and a cup to the school or association which they represent. The race is still open for other entries, and it is probable that other runners will compete. It is planned to have the race immediately after the ball game between the league clubs. The management has also arranged other running races, including a 100-yard dash, high running jump, putting the shot, and other athletic contests. Gold, silver and bronze medals will be given.

DR. SOMMER GETS PARTNER.

Dr. E. A. Sommer, who practiced in Oregon City several years, has formed a partnership with Dr. R. C. Coffey. They will have offices in the Selling building, Portland, and their practice will be confined to surgery. Dr. Sommer left here about a year ago. Six hundred hogs in the Yakima Valley have recently died from some strange and baffling disease.

MAYOR BROWNELL ISSUES PROCLAMATION FOR HONORING DEAD HEROES.

CITIZENS URGED TO DISPLAY FLAG

Business Men Requested to Close Stores in Morning—Services to Be Held in Churches on Sunday.

Mayor Brownell on Friday issued a proclamation urging all business men in the city to close their stores between 10 o'clock in the morning and noon, and that as many as possible decorate their stores and residences with American flags on next Tuesday, Memorial Day. The proclamation is as follows: To the People of Oregon City, Oregon: Tuesday, May 30th, is Memorial Day. Exercises commemorative of the deeds of valor performed by the soldiers living and dead in the great Civil War of 1861 to 1865 will be held at Shively Hall and at Mount View Cemetery under the auspices of the Meade Post, Grand Army of the Republic, and the Ladies Relief Corps. I would suggest, as a mark of our respect and appreciation for what this day means and what it stands for in the hearts of the American citizens, and as a slight evidence of the affection that we entertain for the memory of those men who left their homes and gave up their all in order to save and perpetuate the Union, that all the business houses in this city close their places of business between the hours of 10 o'clock a. m. and 12 o'clock p. m. of that day, and that as many as possible decorate their stores, residences and places of business with American flags, and also direct that our national flag be raised over the City Hall (half mast) from 9 o'clock a. m. until sundown. GEO. C. BROWNELL, Mayor.

Memorial services preliminary to Memorial Day exercises will be held next Sunday morning at St. Paul's Episcopal Church, Rev. Charles W. Robinson officiating, and Sunday evening at the First Baptist Church, Rev. S. A. Hayworth officiating. Members of Meade Post, Grand Army of the Republic, will assemble at the Willamette Hall, and will be escorted by the Fire and Drum Corps and Company G, Oregon National Guard, to the churches.

The program on Memorial Day will consist of exercises at the bridge, the Shively Opera House and the decoration of the graves. Mayor Brownell will be president of the day and an address will be made by Hon. S. B. Ormsby. The exercises at the cemetery will be as follows: Dirge Fire and Drum Corps Address, ritual, page 8. Commander Prayer, ritual, page 11. Chaplain Crowning Monument Officer of the Day Response, "Our Unknown Dead" Rev. E. F. Zimmerman Lincoln's Address at Gettysburg. OREGON CITY TO HAVE NEW CLOTHING STORE

A. L. SHORE RENTS BUILDING ON MAIN STREET—TO OPEN JUNE 1.

Oregon City is to have another clothing, boot and shoe and haberdashery store. A. L. Shore on Thursday rented from George A. Harding, agent, the building at 506 Main street, which he will occupy about June 1, or as soon as necessary alterations can be made. Mr. Shore says that he will carry a large stock and will cater to all classes. The location, although a little out of the present retail district, is considered a good one because of its nearness to the mills. Oregon City is well supplied with stores, and all of the merchants say business is good. Mr. Shore declares that he will adopt up-to-date methods and look out for the interest of his patrons.
