## TOBACCO COMBINE ORDERED TO QUIT

SUPREME COURT DECLARES THAT SHERMAN LAW IS VIOLATED.

## GOVERNMENT GAINS BIG VICTORY

Decision More Draastic Than That in Standard Oil Case—Time Is Given to Observe Anti-Trust Law.

WASHINGTON, D. C., May 29.—The Supreme Court today held the American Tobacco Company and its allied corporations to be operating in violation of the Sherman Anti-Trust law. By directing that the combination be forbidden the privilege of interstate commerce or be placed in the hands of a receiver unless it disintegrates in harmony with the law within six or at the most eight months, the court is regarded to have dealt with the tobacco corporations more drastically than with the Standard Oil Company of New Jersey, the dissolution of which was ordered two weeks ago.

Both the first and second sections of the Sherman anti-trust law have been violated by the so-called tobacco trust, according to the court. Not only has it restrained wrongfully and unlawfully interstate commerce in the eyes of the court, but it has attempted to monopolize the tobacco business to the injury of the public and of its competitors.

## ROAD FOREMAN IS HURT.

Edward Harrington Faints and Falls Against Big Crusher. Edward Harrington, road foreman in the Oak Grove district, had a narrow escape from serious injury Monday morning. Mr. Harrington was working near the big rock crusher when he fainted and fell against the machine. Fortunately, he did not come in contact with any of the sharp spines. His head was slightly bruised but otherwise he escaped injury. Mr. Harrington was taken to his home, where he soon recovered.

## WEATHER FORECAST.

Oregon City—Tuesday, fair; northwesterly winds. Oregon—Tuesday, fair; northwesterly winds.

## BOY SEES BROTHER DROWN IN RIVER

LADS AT SANDY PLAYING ON LOG WHEN ONE FALLS INTO WATER. Coroner Fox was notified Monday of the drowning of a boy, William Crutcher, eleven years of age. The facts showed that the boy was accidentally drowned, and the coroner decided that there was no necessity for an inquest. While playing with his brother on a log in the river, the log fell into the water, and being unable to swim, he drowned quickly. The brother did his best to save the drowning boy, but could not swim himself, and offered but little assistance. He gave the alarm, and grapples recovered the body. It was taken to Portland, where the interment probably will be made. The shock of the boy's death overcame his parents.

## NATION TODAY HONORS HEROES WHO GAVE UP THEIR LIVES TO SAVE UNION

Memorial Services To Be Held Wherever American Flag Waves—Elaborate program Arranged For This City—Business To Suspend Part of Day—Hon. S. B. Ormsby Is Orator—Exercises at Cemetery To Be Simple But Impressive—Comrades Hear Memorial Sermons.

Wherever the Stars and Stripes float, services will be held today in honor of the dead heroes who fought to prevent dismemberment of the Union. In most places the day is a national holiday, and all business will be suspended. After the various exercises, the graves of the Federal soldiers will be decorated and addresses and song services will be given. An elaborate program has been planned in Oregon City. Mayor Brownell, who is president of the day, asked that the business houses close in the morning, and the most of them will do so. The court house will be closed and the carriers will make only one delivery of mail. The post office will be closed after 10:30 o'clock. The exercises will start when the members of Meade Post and the Relief Corps assemble at Willamette Hall, where they will receive pupils of the public schools and pupils of the McLoughlin Institute. Father Hildebrand and Superintendent Toose will make short addresses. Members of the post and corps will form in line on Main street at 9:45 o'clock, and, escorted by Drum Corps and Company G, Oregon National Guard, will proceed to the bridge. Following the exercises at the bridge, the column will move to Shively Opera House, where the following program will be rendered: Music . . . . . Fife and Drum Corps Prayer . . . . . Rev. J. R. Landsborough Introduction . . . . . Commander D. K. Bill Announcements . . . . . President of the Day Geo. C. Brownell Quartet—Mrs. Leon Des Larzes, Mrs. E. H. Cooper, Mrs. E. A. Frost, Mrs. W. C. "To please him who hath called him to be a soldier," was the minister's text. The minister said in part: "True liberty can be found only in serving our unseen captain, Jesus Christ. Rifles and cannons cannot and never have abolished slavery. The liberty of Jesus Christ alone can make us free. Present and continued holiness of life constitute the only safety and only liberty."

"The church was crowded and the music was one of the features. In the evening the Rev. S. A. Hayworth conducted memorial services at the First Baptist Church. His subject was "Our Hero Dead." The minister called attention to the fact that the world has always placed the warrior in a position of chief distinction. He said that the typical soldier is conceived to have in him the best elements of manhood. "No nation," said Rev. Hayworth, "has been able to marshal more men who were ready to die for the defense of right than our own beloved country." The minister declared that the Civil War was inevitable. He then made a resume of the events that led up to the strife. He said that Lincoln at first did not avow any intention of freeing the slaves, only of preserving the union of the states. He said that the South would not have listened to any offer to sell the slaves. "It was given Lincoln," said Rev. Hayworth, "to split the rail that was to fence out forever the human beast of slavery. He was the liberator to go into the temple of justice and drive out the high priests of cruelty and oppression, whose lives were devoted to bartering in human souls. You, brave veterans of the Grand Army of the Republic, followed this Moses of the black race through the horrors of four years of strife, and crossed the Mason and Dixon line, and came triumpantly to the promised land of freedom, leaving behind submerged in the great red seas of blood the hydra-headed Pharaoh of secession, states rights and human slavery. "The men who fell on the battle field of that great war and who were buried in the trenches, displayed that valor, courage and patriotism which have been the inspiration of all good men since. Today we drink at the fountain of inspiration which flows in abundance from their lives and behold the magnificent nation which they saved, and we say, surely if this great nation was worth dying for, much more is it worth living for. "By all these events of the past, let us learn never again to thank God with inhumanity; let the state beware of legislating wrong into law. Let the church beware of patronizing social mammon for its paltry gift. In the name of those whose graves you are to wreath, in the name of their widows and orphans, in the name of the Grand Army of the Republic, in the memory of blood and carnage, in the remembrance of Libby prison and Andersonville, let us never forget that eternal vigilance is the price of liberty. Let a thousand granite shafts pierce the sky emblazoned with the names of the boys in blue."

## SPEEDERS, LET GO, FORFEIT THEIR BONDS

POLICEMAN RELEASES THEM ON PROMISE TO RETURN FOR TRIAL.

T. D. Peters and P. M. Williams, motorcyclists of Portland, who were arrested Sunday evening by Policeman Green, did not appear Monday evening when their cases were called for trial, and their bonds were declared forfeited. The young men were going at a rate of about thirty miles an hour when the policeman halted them. They begged that they be allowed to go home, and, upon promising that they would return for trial, the policeman released them. The mother of one of the boys came to Oregon City Monday morning and gave bonds of \$5 each for their appearance. It is probable that a policeman will be sent to Portland to arrest them and bring them here for trial.

**BOYS ARE REPRIMANDED.**

Stanley Gibson and Roy Reed Before Court for Insulting Remark. Stanley Gibson, twelve years of age, and Roy Reed, seventeen years of age, were reprimanded Monday by County Judge Beale for using insulting language to Mrs. Charles Norton. The Reed boy some time ago was unjustly accused of having robbed the Norton home. The boys are said to have made an insulting remark about Mrs. Norton as she passed them on the road one day last week. They were arrested on a warrant sworn out by Mrs. Norton's sons.

**Miss Scott to Teach.**

Miss Mary Scott, of this city, who has been attending the State Normal School of Washington, has been appointed one of the teachers for the fall term of the Trout Lake, Wash., school. Miss Scott has been teaching a special course at the State Normal, and will finish this course this week, returning to her home in Oregon City within a few days to spend her vacation.

**Improvement Club to Meet.**

The Mount Pleasant Civic Improvement Club will hold a special meeting on Wednesday evening at the Mount Pleasant school house, at which time the banquet which is to be given in June will be planned and discussed. This is to be a most important meeting, and there is no doubt there will be a large attendance.

**School Closes Friday.**

The Mount Pleasant school will close on Friday, and the teachers—Professor J. M. Stevers and Miss Mable Frances—are planning a basket picnic for their rooms. Miss Frances' pupils will hold their picnic in the Holmes Park, one of the most picturesque places in this city.

## POOLROOMS ARE TO BE REGULATED

COUNCIL PASSES ORDINANCE PROVIDING GLASS FRONTS FOR PLACES.

## KERRICK ASKS LICENSE TRANSFER

Measure Creating Board of Inspectors of Weights and Measures Adopted—Streets to Be Improved.

The City Council Monday evening passed the ordinance creating a Board of Inspectors of Weights and Measures. Under the new ordinance, any person selling anything or any commodity that is more than one per cent short of the true weight or measure will be liable to a fine of not less than \$25 or more than \$100. The maximum length of imprisonment is set at fifty days and the minimum at twelve days. An ordinance regulating the poolrooms was also passed, and is virtually the same as the saloon ordinance which was passed recently. This provides for the opening of the fronts of the places occupied to a point four and one-half feet above the level of the sidewalk, with an unobstructed view of the interior. It also provides an age limit and other regulations. The ordinance providing for the sale of the Center street improvement bonds was also adopted. Joseph Kerrick, proprietor of the Log Cabin saloon, was before the council asking to have his license transferred as he wants to sell and has a purchaser. As Kerrick has been sentenced to ten days in jail and fined \$75, the council took the matter under advisement until the Circuit Court passes on the application for a writ of review. An ordinance providing for building a culvert on John Adams street between Fourteenth and Fifteenth streets was passed.

**JOHN M. BOWYER.**  
Recently Resigned as Superintendent of Naval Academy.

## \$20,000 IS PAID FOR RANCH AND ORCHARD

STEWART PLACE OF 400 ACRES BOUGHT BY MEN FROM HOOD RIVER. Ellis Brothers, who have been residing at Hood River for many years, came to this city a few days ago and purchased a 400-acre ranch formerly owned by John Stewart, the price being \$20,000. It is the intention of those men to take possession in a short time. They will do general farming and apple-growing. The land was purchased through Elliott & Son, of this city. The Messrs. Ellis visited Beaver Creek, Highland, Molalla, Mount Angel, going as far as Hailey, but they decided that the land here was just as reasonable and as well adapted for farming as anywhere. Elliott & Son also sold another tract of 80 acres. This was purchased by A. Walters, of Portland, who came to Oregon from Iowa this spring. Mr. Walters is an experienced farmer, and purchased the land on the implements, horses and cattle on the place. Three acres of this farm is in young fruit trees, planted last spring. Mr. Walters was in this city Monday, closing up the deal, being accompanied by his father-in-law, A. D. Miller, of Portland, who will also make his home at Beaver Creek, where Mr. Walters has purchased. The land just sold formerly belonged to J. Masoy.

**False Fire Alarm Wakes City.**  
The alarm of fire early today, which called out the firemen, was false. Some one went to the window of

Gerald Warner, a member of the department, and yelled "Fire." Mr. Warner turned in the alarm, but no fire could be found.

**Postal Banks to Open.**  
WASHINGTON, May 29.—Postmaster General Hitchcock designated today 50 additional postal savings depositories, making the number to be in operation by July 1 more than 300. Mr. Hitchcock still adheres to his policy of designating only second-class postoffices, in the belief that thereby he is extending the banking facilities of the smaller communities. The offices designated today which will open for the receipt of deposits on June 27 include: Hollister, Sonoma and Tulare, Cal.; Bozeman and Lewiston, Mont.; Grants Pass, Or.; Breunerton and Mount Vernon, Wash.

Sarah Jones, of Portland, who formerly resided at Carus, passed through this city on Sunday on her way to Carus, where she will visit her old home.

**Licenses to Wed Granted.**  
Lena Roedel and P. C. Nerwin were granted a marriage license by County Clerk Mulvey on Monday. Mr. Nerwin lives in Barlow.

**SOCIAL PLEASES MANY.**  
Knights and Ladies of Security Gave Fine Entertainment. The social given by the Knights and Ladies of Security at Woodmen Hall Monday evening was one of the most delightful functions ever given by the order. Dancing was indulged in until a late hour, and everyone present spent a most enjoyable evening. Ice cream and cake were served. The attendance was the largest at any of the socials this year, and an excellent program was rendered.

## UNION ARRANGES TO MARKET BERRY CROP

CARS WILL BE LEFT AT OREGON CITY FOR BENEFIT OF GROWERS.

Strawberries will be the first crop to be marketed by the Oregon City Fruit & Produce Union. I. F. Hosking & Co., of Portland, will handle the entire crop. A number of the growers at Clackamas have announced that they will not join the union this year. Transportation facilities will be better this year than ever before. The Portland Railway, Light & Power Company will have cars on hand every day especially for the benefit of the growers. The cars will be at the Oregon City freight house and the doors will be open until 9:30 o'clock in the evening. There probably will be no cars on the Gladstone spur on account of the failure of a number of the Clackamas growers to come into the union. There is a heavy crop in prospect that will mature quickly if the warm weather continues.

## RECORD NUMBER FISH FOR SALMON AT FALLS

NEW LAW VIOLATED BY ENTHUSIASTIC ANGLERS—SPORT IS EXCELLENT.

The record number of the fishermen enjoyed the sport at Willamette Falls Sunday, and there was a large number out Monday. It is estimated that more than fifty fish were in use Sunday, and about half that number hovered near the horseshoe Monday. About 200 large salmon were caught in the two days, the most of them by anglers from Portland. The headwater has receded and the backwater is bringing in the fish by the hundreds. Since the law allowing the line fishermen to go 400 feet nearer the falls became effective, it is reported that the anglers have paid little heed to any restrictions. The new line has not been stretched, and as a result several enthusiastic knights of the reel have gone within a few feet of the falls. The master fish warden is expected to have the line put in place tomorrow. If the warm weather continues, fishing should be excellent all week.

**W. A. DIMICK TO SPEAK.**

Lawyer Will Make Memorial Address at Hubbard. Judge G. B. Dimick and Walter A. Dimick went to Hubbard Monday night to attend Memorial Day exercises there. Walter A. Dimick will deliver the oration of the day. The Messrs. Dimick recently erected a monument to their parents in the Hubbard Cemetery.

## VETERAN GOES TO SILENT BIVOUAC

F. G. MILLER DIES SUDDENLY AS HE PREPARES TO CELEBRATE MEMORIAL DAY.

## CHEERFUL JUST BEFORE END COMES

Cavalryman Serves Through War, Participating in Many Important Battles—Body Shipped to Former Home.

F. G. Miller, prominent member of the Grand Army of the Republic, died suddenly Sunday morning at his home in Gladstone. Mr. Miller, who had been a resident of Oregon since December, was in his seventy-third year, and enjoyed unusually good health. He accompanied the members of Meade Post Thursday when they visited the Barclay and Parkside schools, being one of the most enthusiastic members of the delegation, and had planned to participate in the Memorial Day exercises. Mr. Miller complained of being slightly ill Saturday night, and his son and daughter, Curtis C. Miller, and Leonard D. Miller, with whom he lived, gave him some medicine. He told his son early Sunday morning that he had entirely recovered, and was feeling unusually well. The young man went downstairs to his breakfast, his father promising to join him in ten minutes. When the elder man did not put in an appearance at the appointed time the son again went to his father's room and found him dead. Dr. H. S. Mount, who was summoned, said that Mr. Miller had died of cerebral hemorrhage. The members of Meade Post, Grand Army of the Republic, held services at the Holman undertaking establishment Monday morning, and at 4:30 o'clock in the afternoon the body was shipped to Kallspe, Montana, where Mr. Miller formerly lived. The funeral there will be conducted by the local post of the Grand Army of the Republic. Curtis G. and Miss Leonard Miller until recently conducted a store at Jennings Lodge. Shortly after their father came to live with them they moved to Gladstone. Mr. Miller was a member of Company B, First Iowa Cavalry, and served throughout the Civil War, participating in many of the most important battles.

## LAWYER, IMPERILED, FLEES RUNAWAY AUTO

JUDGE DIMICK JUMPS FROM CAR JUST BEFORE IT CRASHES INTO POST.

Judge and Mrs. G. B. Dimick and Mr. and Mrs. F. M. Swift and baby went to Wright's Springs on Sunday for an outing, going in the Swift auto to mobile. They returned home in the evening. The Swifts reside on Washington street between Eleventh and Twelfth, and upon their return left the automobile on Eleventh street at the top of the steep grade. Mrs. Dimick and Mrs. Swift had returned to the latter's home, while Mr. Swift and Judge Dimick were preparing to take the machine to the garage. Judge Dimick remained in the car, waiting for Mr. Swift to enter, but the machine started to move. Judge Dimick, not being able to master the automobile, jumped out. He and Mr. Swift caught hold of the back of the car in an effort to prevent it going down the hill, but they were unable to stop its progress. The machine dived down the hill at the rate of 20 miles an hour, and struck the South-ern Pacific sign board at the railroad crossing, breaking the post and scattering the timbers in all directions. One of the pieces of signboard became fastened in one of the wheels of the machine, thus preventing it from going into the river below or through one of the large plate glass windows of the Bush furniture store. The front of the machine was slightly damaged by the collision. Examination of the machine after the accident showed that the brake had not been set.
