63 DIE IN QUAKE; SCORES ARE HURT

MORE THAN HALF OF VICTIMS OF BIG MEXICO CITY DISASTER ARE SOLDIERS.

LOSS OF LIFE MAY BE MUCH LARGER

Rejoicing Over Advent of Madero Changes to Sorrow in Gaily Garbed Capital—Americans Escape.

MEXICO CITY, June 7.—So far the earthquake death toll has been established as 63 souls, but it is believed that a more complete search of the ruins will increase this number considerably. Seventy-five are known to be injured and this also probably will be increased when the full details are known. With the streets decorated for rejoicing at the advent of Madero the city is today one of sorrow.

The loss to property is estimated at \$50,000. No property of Americans was damaged.

Of the dead only one person, a Chinese, is a foreigner. More than half of the dead are soldiers, the worst effects of the shock being felt in that section of the city near the Mexican Central station where also stand the artillery barracks.

Another place where the earthquake took its toll of death in considerable numbers was at the power plant of the street railway company. Here six were killed and six wounded. Two others were found in debris, consisting partly of steel rails, which had been stored in the iron and wood departments, and which collapsed.

BEAVERS WHITEWASH ANGELS SECOND TIME

PORTLAND, Or., June 7.—(Special.)—Portland again whitewashed the Angels before a large crowd of visitors and home fans. Henderson, who has been pitching remarkable ball this season, was almost invincible and allowed but two hits. Benny simply had Dillon's men at his mercy and toryed with them. Agnew pitched well, allowing only five safeties, but blunders by his team-mates were costly and disheartening. Charley Moore, the Portland boy with the Angels, was not able to play, because of an injured finger. Battling Nelson, one-time lightweight champion of the world, saw the game.

The results Wednesday were as follows:

OLD PHOTOS OF CITY ATTRACT ATTENTION

HAWLEY COLLECTION ON EXHIBITION IN MAIN STREET SHOW WINDOW.

In the show window of Burmelster & Andresen are views of Oregon City taken many years ago, and which are the property of William H. Howells, superintendent of the Oregon City Water Works. Mr. Howells is a son of one of the oldest Oregon pioneers, Josiah Howells, who has the distinction of being the oldest living member of the O. F. Lodge No. 5. William H. Howells takes an interest in the growth of the city, and these pictures taken so many years ago have attracted much attention by many of the old residents as well as those who have come in later years.

ROBBERS SURPRISED ENTERING RESIDENCE

EMPLOYEE SEES MEN AT WINDOW OF CAPTAIN GRAY'S HOME.

Sheriff Mass was on Wednesday informed by Mrs. J. T. Gray, wife of Captain Gray, who lives near the Open Air Sanitarium, at Courtney, that two men had attempted to gain entrance into their home by climbing through a window. They were discovered in the act by an employee, who appeared on the scene just as one of the burglars had started to enter the house. The employee was unarmed, and fearing the robbers were armed, did not approach them. He, however, gave an alarm and the housebreakers ran in the direction of the sanitarium. No description was obtained of the miscreants and it will be a difficult task to find them.

When you invest in a watch, make it a life-time investment. Pay enough to secure a watch that is made to give a life-time of reliable service. A cheap watch won't last a life-time. It cannot keep reliable time. That is why you must not buy a watch by its case, for most cheap watches have showy cases. They are made to sell on appearance. You can be sure of a Waltham Watch. POSTAL BANK TO AID CIRCULATION

MORE THAN \$10,000, IT IS BELIEVED, WILL BE DEPOSITED FIRST MONTH.

MONEY HERETOFORE EARNED NOTHING

Many Have Paid Government For Keeping Savings By Purchasing Money Orders—First National New Depository.

It is believed that the deposits at the Oregon City Postal Savings bank, which will open on June 26, will amount to at least \$10,000 and probably \$15,000 the first month. Persons making inquiry as to when the bank will be opened and the rules governing depositors have been numerous, and it is assumed that the department will do a large business. A large number of persons in this city and Clackamas county have made use of the money-order department of the postoffice as a depository for several years. They buy money orders which cost thirty cents for a \$100 a year, and keep the orders the same as other persons keep deposit slips or "bank books." Only a short time ago one man invested \$500 in money orders instead of depositing the money in a bank.

The first National Bank here will be the depository for the postal savings department. Depositors will be paid interest at the rate of two and one-quarter per cent, and the bank will be charged two and one-half per cent for the use of the money. It is generally agreed here that few, if any deposits, will be withdrawn from the other banks to be placed in the postal savings bank. The deposits for the most part, it is thought, will be made by persons who have never before patronized banks, and have kept their savings at home. As a result this much more money will be put into circulation.

Postmaster Randall went to Portland Wednesday to attend the convention of postmasters. After the convention he will familiarize himself with the duties of the postal savings bank. He has been notified by the postoffice department to go to Olympia, Wash., on June 19 to receive instructions concerning the new work.

Go to California. Mr. and Mrs. W. F. Hawley, Willard Hawley, Mrs. George Pusey and son, George Pusey, will form a party to leave this city about June 15 for California, going in the Hawley seven-passenger machine. They will visit Mrs. Hawley's sister, Mrs. Cassius Barlow, and will also visit in other California points before returning home. This will be the second trip the Hawleys have made by automobile. The first trip proved a most delightful one.

M. J. Cockrell, who had been employed at Huntley Bros. store at Hubbard, has resumed his former duties at the store of Huntley Bros. here.
