##### EXPLAINS CHRISTIAN SCIENCE

(Continued from page 2.)

not only of his physical ills and personal sins, but is being corrected of such things as sickness and sin. And not only mankind, but the whole material universe is being benefited through the teachings and demonstrations of Christian Science, and this brings "His Kingdom on earth and His Will, as it is in Heaven." "The wolf also shall dwell with the lamb, and the leopard shall lie down with the kid; and the calf and the young lion and the fatling together; and a little child shall lead them." "They shall not hurt, nor destroy in all my holy mountain, for the earth shall be full of the knowledge of the Lord, as the waters cover the sea." Isaiah 11: 6, 7.

Christian Science is the science of Life. It includes and comprehends the vast infinity of Being; and rejects all that is unlike the One perfect Being that is God, the absolute and only

Good. It is not something that Mrs. Eddy has created or invented. It is what she has discovered and given to the world. And for it we owe her more than we shall ever be able to repay. And right here, let me say, we are not trying to repay her by personal worship, or foolish adoration, but we are trying in a more practical way, by standing by her when she is slandered, and in a far better way still, we are seeking to understand the Science she has discovered and imparted to the world, to live it daily and hourly, and never to soil it by our own opinions and beliefs.

Christian Scientists never talk their opinions. It does not become a Scientist to be telling what he believes regarding Science, for Christian Science is not made up of beliefs, opinions and dogmas: It is Science, that is all, and that is enough. It is the eternal fact of being; and can no more change as the years go by, than the eternal God can change.

Christian Science Not Mesmerism. Christian Science is not mesmerism; Mesmerism is the belief of minds many; that each individual has a mind of his own, and that the stronger mind can influence and take unlawful control of the weaker mind; which judging from appearance would be the natural inference. And if the senses could be trusted, and appearances were reliable, this would be the only conclusion that could be arrived at. But we thank God, through Jesus Christ our Lord, that in the light of Christian Science the Revelator, that mortal sense is found to be a non-reality, and that the sense testimony is unreliable. That the Bible, and Science and Health, corroborating the Scriptures, also the grand and unsurpassed demonstrations of Jesus and the Apostles, and the corroborative testimonies of healing through Christian Science all teach and prove the power of Truth over Error; the power of God—Good—to destroy evil. All teach and demonstrate, that the one Mind has power over the carnal mind; that the mortal mind or sense, testimony, is false, and the Christ Mind is True.

Science and Health, and the Bible, when rightly understood, disclose the fact that God is the only Mind, and the so-called mortal mind is but the carnal mind, that must be corrected by the Divine Mind. So that Christian Science, so far from being mesmerism, is just the opposite. Really it Exposes and Destroys Mesmerism.

For instead of teaching minds many it teaches One Mind, and that the Mind of God, in whom no evil is; no sickness, sin, or death;—which mind must overcome and annihilate the mortal or negative mind,—as darkness is swallowed up of light. And Christian Scientists, instead of being mesmerists, are finding their way out of mesmerism,—out of the belief of minds many, into the One Mind, the Mind that is God, where all so-called material minds are swallowed up and lost in the One Divine Mind, wherein dwelleth righteousness. No Such Thing as Sickness or Disease.

Christian Science teaches there is, in reality, no such thing as sickness or disease. That sickness and disease are an illusion; not that it is hypochondria or imagination in the common acceptance of those terms, but that out in the great scientific fact of Being no such thing is or can be found; that

sickness or disease, cannot properly be said to be a part of Being. That Being, in its scientific purity is as free from sickness and disease now, as it was possible for it to be before the so-called finite world began, or as it ever will be, when all seeming evil is swept away, and His Kingdom is come on earth.

Through the teaching and understanding that the ills of the flesh are not the realities of Being, the world is not only being healed of its present load of misery and wretchedness but steadily and quietly the work of reformation and regeneration is taking place, not only in those who have espoused this glorious Cause, but in the minds of all men everywhere who hear of its wonderful teaching.

**Demands Right Motives and Actions.** The teachings of Christian Science are of the purest and the best. It demands right motives and aims as well as right actions, and that right doing can, only come by honest and pure desires. From the mortal standpoint, evil thinking is the harbinger of evil doing. Evil thinking not only provokes wickedness, cruelty and crime, but it also breeds sickness, disease and death.

Christian Science mind healing not only heals the physical body, so called, but it heals the so-called physical mind as well, for physical mind and physical body are one. Therefore to the extent that the physical or false mind is corrected by the Divine Mind the so-called physical body is changed; as thoughts of sickness are exchanged for thoughts of health, the physical body responds; for the body is but the expression of the controlling thought.

Christian Science mind healing, therefore, is elevating, edifying and refining, and all those who come to it for help are not only physically, mentally, morally and spiritually, it teaches perfect health and righteousness, as the Real, and sickness and evil as the unreal. Consequently its teachings establish health instead of sickness; right instead of wrong.

To scientific understanding it opens wide the door on immortal glory, and reveals Spiritual Man in the full possession of his God given inheritance—health, happiness and eternal life—and thus consigns sickness, evil and death to everlasting oblivion. It is not, therefore, the mere superficial idea of not speaking evil or not talking sickness, but that sickness and evil are not a part of Being; they therefore are not only unprofitable topics of conversation, but that they are not true, and if spoken of at all they must be exposed as errors and not the facts of Being.

Christian Scientists, therefore, talk very little about sickness and evil; their conversation naturally turns to that which interests them most. They are searching for and finding health, and not sickness. They are seeking for and finding the right, rather than the wrong; and having found it, they find it is more lovely than words can tell. Consequently, they love to talk it, because it is nearest their heart and the one thing they love. "They love to tell the story because they know 'tis true. It satisfies their longing as nothing else can do."

Christian Science teaches, there is no reality in sin; that God made all that was made, and all he made was good; that God did not make sin. In the Bible we read that God is of "Purer eyes than to behold evil, and cannot look on iniquity." And the Master said, "there is but

one Good, that is God." And Science and Health in its teachings, corroborates these statements and reveals God, as the One Only God, and that He is Only Good, I. e., He is not good and evil too. He is the one absolute Good in whom no evil is. And since no evil is in Him, therefore no evil could emanate from Him; Hence He made no evil; and since he made no evil, and he made all that was made therefore evil never was made. Therefore sin, sickness, pain and death, evil, error and discord of all kinds, do not belong to God, nor to His Creation; and are no more a part of the great Fact of Being, than the errors and misunderstandings of mathematics are a part of the Science of Numbers.

And man and the Universe, in his true spiritual sense, is found to be as sinless and perfect now, and as unchangeable in his sinlessness, as the everlasting Father, the perfect, sinless and unchangeable God himself. "Be ye therefore perfect as your Father which is in Heaven, is perfect."

And Christian Scientists are finding their way out into the realms of perfect and harmonious ruling, where absolute right, religion, and wrong can never enter. This is the Kingdom of God, where Divine Science alone rules and nothing else has place or power.

They are, therefore, outgrowing sin, because the more they look into it, from the standpoint of absolute right, the more its nothingness appears; hence its emptiness. Therefore they do not make so much of sin. They are growing, neither to sin, nor to suffer for sin; neither to love it, nor commit it; and that, because the desire is gone. Whereas once it was real, now it is unreal. So that Christian Science, in teaching the nothingness of sin, not only takes away sin but the desire to sin; for when sin is nothing, then there is no incentive to sin.

When evil is nothing then Good is All in All. But does the nothingness of sin give the wanton sinner license to sin? By no manner of means; for the law still remains. And Christian Science comes as the Christ came of old; not to destroy the law or the prophets;—it comes not to destroy but to fulfill; and not one jot or one tittle shall pass from the law, till all be fulfilled. And he who sins shall suffer for his sins, and shall pay the uttermost farthing.

And if you sow to the wind, you shall reap the whirlwind. "And if ye sow to the flesh, ye shall of the flesh reap corruption."

**Teaches That All is Good.** Christian Science teaches that all is Good; not, however, that sin and evil are good, but that all that is, is good; and that that is Not Good, is not at all. That sickness, sin and death, matter and mortality, are not of God, the only Good,—and therefore are not good, and hence are not at all.

Christian Science teaches what the Master taught, that "There is but One God, that is, God." He therefore, is the only Good, the Spirit of God,—The Principle of Good, Good in quality and in substance. And His creation, like himself, must have the qualities of good, I. e., Good could not produce evil. "Like begets like."

The effect must always be like the cause. Sky is instance of illusion. "He looked upon all that he had made, and pronounced it very good." And He made all that was made, but He did not make that which was not made. That sky out there, for instance, that seems so real, seems like a cen-

spread over the earth, is but the illusion of the limited senses. We are looking out into, what to finite sense, is unmeasured space, and we see as far as we can, and we call that limit, the sky.

According to Physics, light travels at the amazing rapidity of more than eleven millions of miles in a minute of time, or more than six trillions of miles in one year of time, and yet there are stars so distant that their light is hundreds and thousands of years in reaching our planet. Then talk about seeing the sky!

God's creation is spiritual and good; always has been, always will be, and never can be anything else. In His creating there is no sickness, sin or death, matter or mortality, or anything contrary to God the only God.

And the so-called material world wherein dwelleth sickness, sin and death, matter and mortality, is not of God, and is not Good, and hence is not at all.

While we look not at the things which are seen, but at the things which are not seen; for the things which are seen are temporal; but the things which are not seen are eternal." II Cor. 4:18.

Allow me to read from our Text Book, Science and Health with Key to the scriptures, by Mary Baker Eddy, Page 468:

**The Scientific Statement of Being:** "There is no Life, Truth, Intelligence nor substance in matter. All is Infinite Mind and its infinite manifestations, for God is All in All. Spirit is Immortal Truth; matter is mortal error. Spirit is the real and eternal; matter is the unreal and temporal. Spirit is God, and Man is His image and likeness. Therefore man is not material. He is Spiritual."

This is one of the grandest revelations of Truth and Love, that was ever made to human sense, for it virtually and conclusively reveals man and the universe as perfect, spiritual reflections of the One and Only Spirit,—God.

Who, but He we call "The Master," and she we call "Our Leader" would have love enough, and hence, the moral courage, to state that Truth to a frowning world, that would liberate the world from its seeming ills, and make it free indeed?

There is more true love and unselfish devotion, to the cause of humanity, made manifest in this woman of the twentieth century. Mary Baker Eddy, than has been displayed since the time of Him, who stood up in the face of mortal man and said, "Ye are of your father, the devil, and the lusts of your father, the beginning, and abide not in the truth, for there was no truth in him. When he speaketh a lie he speaketh of his own, for he is a liar and the father of it."

Rotherham in his version of the New Testament renders the last clause of this text "for a lie he is, and the father of it."

Christian Science is the same straight and narrow way, today as when the Master taught it, nineteen hundred years ago, on the shores of Galilee. It is as radical as the science of Numbers;—and one can no more deviate from its principles and rules, and still call that deviation Christian Science,—than he could deviate from the principles and rules of mathematics, and still call the process mathematical.

It stands preeminently alone; there is no other religion, theory, creed or doctrine that is anything like it, and

there never will be; for it is absolute and final. It is based upon the principle of unchanging Truth, undying Life, and unselfish Love, which Triune Principle is God, that is, "Yesterday, today and forever the same."

"All is Mind: There is No Matter." Christian Science teaches, "All is Mind, there is no matter." And the Scriptures declare, "Heaven and earth shall pass away, but my word shall not pass away." What does this teach, but that all matter and materiality shall pass away, but the Divine Mind and His Idea shall remain forever.

And furthermore, what else does it teach, but that all that God has not made shall be swept away as nothingness, for nothing that He has made can ever be destroyed; for all He made was good.

Christian Science does not teach that matter is a reality that will some day be destroyed, for if matter were one of the factors of Being it could never be cast out, but would remain fixed forever. It is not that the material universe was created to continue for a time until it had served its purpose, then to be burned up and destroyed, but that it has no existence save in the mistaken belief of mortals, and is eliminated by the knowledge of the Truth in Christian Science. Some day, men everywhere will know that matter does not exist, and then they will know it never did exist and that day is now.

And the students of this Truth are finding more and more, that matter, so called, has no power to heal disease, that matter is inert, that drugs have no intelligence to direct themselves. That material medicine so called, cannot diagnose a case and therefore cannot heal it. They are finding that nothing but Truth, Divine Mind, can overcome evil, or error of any kind.

Jesus of Nazareth did not use material means in healing disease; it was the power of the Spirit, with which he destroyed sickness as well as sin; although it is stated, and some are using it as an argument against Christian Science that He put clay on the blind man's eyes, when he healed him. But one of the beautiful and wonderful lessons this demonstration teaches, is, that all men (Mortal) are born blind and cannot see, until the clay of material sense is washed away by the cleansing waters of the Spirit of Christ, and then they will see and see clearly.

Christian Scientists are finding more and more, that food does not really sustain life, that while they are eating so-called material food, that it has no real life sustaining properties or qualities. Yet Christian Scientists will nevertheless eat and drink, until they have demonstrated over it, and that will not be until they have demonstrated over the flesh, and all mortality. But how long that will take, or when that will be accomplished, "No man knoweth." It would be the height of folly for any one to stop eating, until by actual knowledge and practical demonstration they had proven that they could live without eating.

Christian Science, like the Scriptures, teaches, "Wisdom is the principle thing." And it certainly would not be wise to cast ourselves down from the pinnacle of the temple, or do any other uncalculated, or unnecessary thing.

Christian Science sounds the tocsin, "There is no death." And St. Paul writes in his first letter to the Corinthians, "The last enemy to be destroyed is death." And the Revelator saw death and hell cast into the lake

of fire. And in his most wonderful vision, he saw the "Tabernacle of God among men." And God should wipe away all tears from their eyes, and there should be no more death. And whatever is to be, with God, is done.

Since therefore, there is to be a time when death shall not be,—in fact, there is no death today. What will ever be true with God is a present accomplished fact; but this must be understood and demonstrated before it becomes a fact to man. What will ever be found not true, is not true today. When we found there were no fairies, we found there never had been any. When we found the sun did not rise, we found it never had risen.

Since there is to be a time, when there will be no death, then there is no death today; and, since in God's presence there is no death, then there is no death anywhere; because He is everywhere, and there is no place where He is not.

Death therefore, is another error that in Adam—Error—all die, even so in Christ, Truth shall all be made—found—alive. (II Cor. 15:22.)

##### Why Lazarus Was Raised.

Jesus of Nazareth did not raise Lazarus from the dead, simply to restore him to family and friends, and a temporal life, again to suffer and die, and be mourned and lamented; but to show the power of Truth to overcome error—to show that Life was the Master of death;—that the Christ could triumph over every evil, sickness, sin and death.

And since, as the Bible declares, that sin brought death into the world, therefore the overcoming of sin, is the overcoming of death. And as sickness and sin are overcome to the extent that sickness or sin is overcome by Truth, to that extent is death overcome.

Therefore whenever Christian Scientists demonstrate over sickness or sin, either in themselves or others, they are overcoming death in a messenger; and with the disappearance of sickness and sin, death will disappear, to the extent that sickness or sin is overcome by Truth, to that extent is death overcome.

Christian Science, more than any other religion, teaches the Divinity of Christ. On this point allow me to quote from our text book, Science and Health, page 26, line 10:

"The Christ was the Spirit which Jesus implied in his own statements: 'I am the Way, the Truth and the Life'; 'I and my Father are one.' This Christ, or Divinity of the man Jesus, was His Divine nature, the Godhead which animated him. Divine Truth, Life and Love gave Jesus authority over sin, sickness and death. His mission was to reveal the Science of the immortal Being, to prove what God is, and what He does for man."

And the glorious Science of Being comes in the name of Christ, with healing in its wings,—to promulgate the Kingdom established by Him, of which there should be no end.
