DEMAND FOR TENTS UNPRECEDENTED

Ball Game Between "The Blackstones"
and "The Teachers" and Lec-
tures by Yates and Maguire
Opening Features.

(BY STAFF CORRESPONDENT.)

CHAUTAQUA GROUNDS, GLADSTONE, July 3.—Assured of a record-breaking attendance by the number of campers already on the grounds the annual assembly of the Willamette Valley Chautauqua Association opens today.

This, the first day of the session all Grand Army of the Republic Veterans wearing the button will be admitted free. There will be a spectacular game of baseball at 10 o'clock in the morning between the Blackstones, (lawyers, doctors and preachers) and the Teachers. This will be a startling expose of what real baseball can be. The line-up is as follows:

Blackstones.	Teachers.
H. E. Cross	James Park
Thomas J. Fox	Charles Sievers
C. Schuebel	Harry Hargreaves
Gilbert Hedges	Raleigh Searl
C. W. Robinson	Brenton Vedder
L. G. Ice	T. J. Gary
Mr. Jenkins	F. J. Toose
Livy Stipp	Robert Glither
William Stone	J. Dean Butler

The substitutes will be: Blackstones: Colonel Dye, O. D. Eby, J. U. Campbell, Clyde Mount, John Clark and George C. Brownell.
Teachers: A. A. Baldwin, N. W. Howland, A. O. Frel and P. L. Coleman.

A great deal of interest centers about this game and the result is hard to predict, but the Blackstones ought to be able to get the best of the umpire on technicalities.

Ex-Governor Yates to Speak.
There will be a band concert at 1 o'clock by the Naval Reserve Band of Portland and the Grand Army of the Republic Drum Corps. The afternoon lecture at 2 o'clock will be by Richard Yates, ex-Governor of Illinois. His theme will be "The Evolution of Patriotism." Ex-Governor Yates is famous as a story-teller and his subject offers manifold opportunities of humor.

The Price Bros. and Aurora teams will play a game of baseball at 3 o'clock.

There will be track events for Clackamas county boys at 5 o'clock, and a free-for-all relay race at 5:30.

The evening lecture will be preceded by the usual band concert. The Naval Reserve Band will become a favorite attraction with Chautauqua visitors. The band has the class that counts. Dr. Gabriel R. Maguire, the first man up the Congo after Stanley came down, will deliver his famous lecture, "With an Irishman Through Africa."

Dr. Maguire has a wonderful personality that carries his auditors into the realms of which he speaks in an astonishing manner. His Carnegie Hall oration delivered to more than 6,000 persons was one of the greatest oratorical triumphs of the century.

Gladstone Park presented a most animated appearance Monday. Here and there any everywhere men, women and children hurried and scurried in the rush of making camp, and looking after the multitudinous details that must be wound up on the day before such an event as the Chautauqua Assembly.

Record Number of Campers.
Not the least busy of the persons about the ground was Secretary Gary. There are already more than two

MILLIONS HONOR NATIONAL EMBLEM TODAY

hundred tents on the grounds and more are expected to arrive every day for several days. The employees of the association were exceedingly busy, but nowhere was there the least evidence of exasperation over the delays.

Several days ago the tents the association had on hand to rent were exhausted and more had to be ordered, the order having been doubled and duplicated every day since in an effort to supply the demand. There will be not less than 500 campers on the grounds by the time the season is in full swing, as many are arriving on every train and inquiries for camp supplies show no evidence of abating.

Chautauqua Notes.
T. J. Gary, secretary of the Assembly, is holding down a prominent and popular corner of the grounds at the Headquarters Booth and postoffice.

Andy Robertson is back at the old stand and more rushed than ever. His stand is doing a rushing business.

E. T. Avison and family, of Oregon City, are camping this year.

The Schuebel tent is holding forth at the former location. Robert Beattie, formerly of Oregon City, but now at the head of the Presbyterian Mission School at Sitka, Alaska, is substituting for the Schuebel family this year.

Other Oregon City persons here are Don Meldrum, J. E. Jack, E. S. Follonsee, and Harley Stevens.

There is a new building on the grounds this year and all the old ones are in the usual places.

Mrs. R. R. Aldredge is in charge of the Relief Corps headquarters.

Joseph and Rev. C. L. Cheesy will conduct the meetings, to which the public is cordially invited.

The Lightning-like Loon.
The loon is the quickest living creature. A loon that has had experience can dodge the flash of a gun. You see a loon on a lake, but long before you see him he sees you and has taken a mental inventory of you and your belongings. If you have no gun you may perhaps approach within 100 yards before he laughs at you with that horrid shriek which gives him his name and disappears under the water, but show a gun and he does not stop to laugh—he goes instantaneously into a sportive mood. Sometimes waits until he sees you about ready to fire, when at the flash he dives, and you see the shot spatter the water where he has just gone down.

BUSINESS HALTS FOR CELEBRATION

**EXERCISES TO BE HELD AT
BY, DAMASCUS AND OTHER
PLACES IN COUNTY.**

ESTACADA WILL HAVE BIG PARADE

**Oregon City Stores to Close in After-
noon—Postoffice Open One
Hour—Made Post Going
to Chautauqua.**

With the coming of dawn today thousands of Clackamas County residents will tumble out of bed and prepare for the celebration of the Fourth. There will be interesting exercises in various parts of the county, and, of course the small boy, with the din of his firecrackers, will not let any one forget that it is the anniversary of the birth of the great nation. Aside from the interesting program that has been arranged at the chautauqua at Gladstone there will be elaborate exercises at Sandy, Estacada, Wright Springs, Colton and Damascus. Exercises were to have been held at Mount Pleasant, but, owing to the threatening weather, the plan was abandoned.

Members of Meade Post, Grand Army of the Republic, and the members of the Relief Corps will meet at 9:30 o'clock this morning at Harry King's drug store to board the 10 o'clock car for the chautauqua. The veterans will be admitted to the grounds, upon showing their buttons, free of charge.

Canby to Have Big Time.
Firing of cannon, music by the Canby band, fireworks, games, races, athletic events of all kinds will make up part of the big celebration at Canby. The oration of the day will be by the Hon. Henry S. Weste-brook, of Portland. The morning program will consist of songs, recitations, speeches, music, etc. The games and races will be held in the afternoon at the Clackamas County Fair grounds. The noon meal will include a farmers' free-for-all trot, half-mile heats; half-mile running race; foot races; girls' race; fat men's race, 200 pounds and over; sack race, potato race and relay race. There will be dancing in the big pavilion, and Chemawa and Canby will play a game of baseball.

Another big celebration will be held at Damascus, where W. A. Dimick will make the oration. There will be horse races, foot races, climbing the greasy pole, etc. Dinner will be served on the grass in the large grove, and the young folk probably will indulge in dancing.

An "old-fashioned" celebration will be held at Estacada and it is expected that many persons from Portland will attend. An industrial parade will be given in the morning in which there will be floats representing various lines of trade. One float will represent the Goddess of Liberty. Two baseball games will be played and the Milwaukie band will furnish music.

Judge Dimick to Speak.
Grant B. Dimick will be the orator of the day at Wright's Springs, where an interesting program has been arranged. Howard Brownell will be the speaker at Sandy, Mayor Brownell, who was first chosen, having been forbidden by his physician to speak. The mayor is suffering from a cold.

It is expected that a large number of Oregon City residents will attend the Arion Society's picnic at Schnoor's Grove. There will be singing, dancing and other features of entertainment.

Many of the Oregon City stores will be closed all day and others will close at noon. The general delivery window of the postoffice will be open from 8:30 to 9:30 o'clock in the morning.
