CROWDS GROW AT BIG CHAUTAUQUA

EX-GOVERNOR HANLEY DELIVERS STRONG LECTURE ON FIGHT FOR TEMPERANCE.

MRS. FOX MAKES PLEA FOR SUFFRAGE

Price Bros' by Defeating Gladstone, Lead in Exciting Baseball Race—Today Set Aside For Boys and Girls.

(By Staff Correspondent)

CHAUTAUQUA GROUNDS, GLADSTONE, July 7.—Interest in the chautauqua was unabated today despite the threatening weather and light showers. The attendance at the classes continues to increase and the instructors are delighted with the interest shown by the students. Never before have the classes been so popular and many of the most prominent persons in the county are enrolled in a number of them.

The features of today were the addresses by ex-Governor Hanley, of Indiana, and Mrs. Emma A. Fox. Mr. Hanley's subject was, "An Irrepressible Conflict," which he called the battle for temperance. He declared that the forces for good and evil had been in conflict from time immemorial, but eventually the good would win.

"No great cause ever dies," said the ex-Governor. "The people have lost many battles in the fight against liquor, but they will win yet. You may kill its defenders and advocates, but God will raise up new defenders and new advocates. The churches must do the work, and, at yet, there is a lack of power that comes from great conviction. There are too many fair weather members and too many tin soldiers. If the church people as a whole had the proper convictions they would take this country for Christ and Temperance in half a decade. There is more need of good men in Oregon than in Heaven. In Heaven a man can wear a crown and play a harp, which is very good, but in Oregon a man can bear a cross and win a crown which is much better."

Mr. Hanley was introduced by the Rev. S. A. Hayworth. Mrs. Fox, who spoke in the afternoon, made a strong appeal for women's suffrage. She declared that the women should have a voice in the management of the country and that wherever they had been empowered with the right of suffrage better laws had been passed. Her address was eloquent and profound, and the speaker was generously applauded at intervals. Mrs. Fox is a member of the Detroit Board of Education, president of the Michigan State Federation and is parliamentarian of several continental congresses of Daughters of the American Revolution. She has a large class, composed of lawyers, club women, politicians, ministers, etc., at the chautauqua.

The baseball contest is another feature of the daily program that is attracting a great deal of attention. Five clubs have entered the contest for the big purse to be given by the assembly, and there is the keenest rivalry among the players. Price Bros' team by winning today took the lead in the race with two games won and none lost. Gladstone and Aurora are second with one game won and one lost each.

Portland Team Last. The Dilworth Derbies, of Portland, and Crystal Springs Park are last, each having played and lost one game. The series will continue throughout the chautauqua. Each team will play three games with each of the other teams, and the two leading teams on the last day will play for the purse. The game between Price Bros. and Gladstone today was bitterly fought. Oregon City winning by a score of 7 to 4. Oregon City made eleven hits and three errors and Gladstone six hits and no errors. R. Douglas and Heitsman composed the Oregon City battery and Burdon and Hargreaves and Coshow worked for the Gladstone nine. Burdon was hit hard in the third and was taken out, Hargreaves

replacing him. The game was exciting throughout, and the fans became as enthusiastic as rooters as at a big league contest.

The scores by innings follows:
Oregon City 1 2 3 4 5 6 7 8 9
Gladstone 0 0 2 0 2 1 0 2 3—7

Woman's Clubs Entertained.

The Forum hour was given over to the various woman's clubs, and much progress was made. The club women were entertained after the morning session at a banquet in the club house of the Harmony Woman's Club. About 100 plates were laid, and several toasts were responded to.

Several persons advertised to take part in various programs were late today, and the management requests that hereafter all be on time. The delay caused much inconvenience, and many persons missed parts of the programs.

One of the delightful features of today's program was the concert of the Apollo Concert Company, of Chicago. The company is composed of Arthur Wells, baritone soloist and saxophone player; G. E. Holmes, cornet and flute soloist; Clay Smith, trombone soloist and Mrs. Alta R. Wells, accompanist. Mrs. Wells is a graduate of the Chicago Musical College. The company will give concerts tomorrow evening and Sunday evening.

Tomorrow will be "Boys' Day" and all boys and girls under sixteen years of age will be admitted free of charge. There will be addresses on the work of the various boy organizations, competitive drills by the Boys' Brigade and other athletic exercises. Tom Dodson will sing a number of children's songs in the afternoon. The two companies of the Boys' Brigade that are to camp on the grounds arrived today and are ready for the drills. The boys are sturdy looking youngsters and are thoroughly trained in military tactics. Upon their arrival the work of making camp was begun and in a short time everything was in readiness for the night. Sentries were assigned to various posts and everything was done with military precision and order. The boys will give an exhibition in cooking in a few days. Each one entering the contest will have to make his own fire and with only one frying pan prepare a meal. The one who does the work in the shortest time will be given a handsome prize.

THE OUTLET

PERPETRATED BY WALT McDOUGALL

In defence of "pure morals," which in Chicago and other yop towns, means simply old clothes, the Chief of Police has barred the "jupe culotte" or harem skirt bathing suit while still permitting the old-line vulgarities and atrocities in bathing-seenery to disfigure the public beaches and set Chicago back to the 1849 period of sartorial crudity, whatever that means. The Order of Old and Ugly She-Mulls in the home-made bathing-suit is what keeps us away from water. Other-and live-summer resorts take notice.

RAILROAD GRADING PROGRESSES RAPIDLY

TWO CREWS WORKING AT THIS END, ONE AT BEAVER CREEK AND ONE AT MULINO.

The work on the Clackamas Southern Railway line is progressing rapidly, with four crews working along the line between Oregon City and Mulino. Two crews are working on the Oregon City end, one at Beaver Creek and one at Mulino. At the present rate the company will finish one-half mile each week and at that rate, the entire grade from Oregon City to Mulino will be done before the end of the summer.

The company has nearly enough stock sold to complete the grade and bridges between Oregon City and Mulino, and as soon as all the stock necessary for this work is sold, the price of the stock probably will advance, as it is becoming more valuable each week.

HORSE TELLS TIME OF DAY FOR DEPUTY

REGULAR PACE OF STEED ENABLES MR. MILES TO SET WATCH CORRECTLY.

Deputy Sheriff Miles of this city, has a horse that would be valuable to a clockmaker. The horse travels at such a regular rate of speed that Mr. Miles knows the exact time he reaches every mile post on the roads in the country. On Friday he made a remarkable trip to Brightwood, which is thirty-five miles from Oregon City, and back in ten hours, or at a rate of seven miles an hour. He left the city at 5:30 o'clock, and upon arriving at Rock Creek, which is seven miles out, he found that his watch had stopped. He set it 6:30 o'clock, and upon arriving at Sandy compared it with the town clock, and found that his watch was correct to the second. The little animal is one of the best in the country.

WIDOW OF HERO CHIEF THANKS FIREMEN HERE

W. A. Long, chief of the fire department of Oregon City, has received a letter of thanks from Mrs. David Campbell, wife of Fire Chief Campbell, of Portland, who recently lost his life, for the sympathy shown her by the local firemen during her late bereavement. The Oregon City fire department sent one of the most beautiful floral tributes at the funeral, it being a lyre, which was more than five feet high and made of white and pink carnations, the base of which was of red roses and red carnations, and having golden strings. Many of the firemen of this city were personal friends of the hero chief.

ARBITRATION WILL WIN, SAYS TAFT

PRESIDENT SPEAKS FOR PEACE AT BIG GATHERING OF CHRISTIANS.

ENGLAND CERTAIN TO SIGN TREATY

Similar Arrangement, He Believes, Will Be Made With Six Other Nations—Church Urged to Aid Cause.

ATLANTIC CITY, July 7.—In a speech to the International Christian Endeavor convention here tonight, President Taft declared that negotiations for the arbitration treaty between Great Britain and the United States have reached a point where there is no doubt as to the signing of the agreement.

The President expressed the hope that eventually six European countries may make similar treaties. Such an action he said would not abolish war, but would furnish a forcible instrument in preventing war.

Taft Praises Society. The first part of the President's speech was devoted to a brief review of the work of the Christian Endeavor Societies.

From praise of the society, the President turned to peace and arbitration, which, he said, could be expedited by the influence of such an organization.

"In the last 25 years we have made great progress toward an international condition in which war is less likely than heretofore," he said. "It is true that in that time we have had several freak wars—the war between China and Japan, the war between Russia and Japan, the war between the United States and Spain, the war between England and the Boers, and perhaps some others. Peace Treaties Made.

"Nevertheless, as between the great countries in Europe which have armed themselves to the teeth since the German and French war of 1870, peace has been maintained, and under the inspiration of a common desire for peace, treaties have been made with reference to arbitration and for the establishment of a court at The Hague for the settlement of international disputes."

BARBERS AGREE TO CLOSE SHOPS AT 7:30

HALF AN HOUR CLIPPED OFF HAIR CUTTING AND SHAVING TIME.

Dean Swift tells a story of how a misplaced punctuation mark got a barber as well as his customers into trouble. The enterprising tonorial artist placed a sign in front of his shop which read:

"What do you think, I'll have you for nothing and give you a drink." The shop was soon crowded with customers, and the owner began figuring on employing extra help at once. After finishing shaving the first man, the fellow, while adjusting his collar and necktie, said, "Well, I guess I'll have my drink." The barber didn't seem to understand, and told the customer that he must be crazy, whereupon the man called attention to the sign. Admitting the joke was upon him the barber gave the man the drink and let him off without paying. Then he made the sign read:

"What do you think I'll shave you for nothing and give you a drink?" The others who had come for shaves and drinks departed dejectedly.

The above story is germane to the one that will follow only in that both are about barbers. The barbers of this city, all but one, have agreed to close their shops every night at 7:30 o'clock except on Saturday nights. One barber on the hill, however, insists that he will keep the old closing hour which is 8 o'clock. An effort will be made in the near future to have the shops closed at 7 o'clock on all nights but Saturday. The new time of closing will start Monday.

WILSON, DARK HORSE, WINS CORONER'S RACE

LIVERYMAN WON'T HAVE REGULAR PHYSICIAN, BUT WILL GIVE ALL CHANCE.

W. J. Wilson, the liveryman, was on Friday appointed coroner of Clackamas county to succeed Dr. Thomas J. Fox, resigned, who has moved to Portland. The appointment of Mr. Wilson came unexpectedly, as his name was not mentioned for the place until W. H. Mattoon, of the board, voted for him at the meeting Thursday. Before then the only men mentioned were R. W. Baker and Thomas J. Myers. Mr. Mattoon and N. Blair voted for Wilson. Judge Beattie supporting Baker to the last. Mr. Blair changed his support from Myers to Wilson.

The new coroner will be sworn in today. He declared Friday that he would depart from the custom of several of his predecessors in giving all the work to one physician. "I shall divide the work among the physicians of the city," said Mr. Wilson. "I believe in giving all of them a chance."

GERMANS TO HAVE OUTING.

Annual Meeting of Verein Society Will Be Held Tomorrow. The German Verein Society of this city, will hold its annual meeting at the August Schnoerl Park at Willamette, on Sunday. ARCHBISHOP TO CONFIRM CLASS

ONE HUNDRED AND THIRTY TO BE RECEIVED BY ST. JOHN'S SUNDAY.

NUMBER BREAKS RECORD OF CHURCH

The Rev. A. Hillebrand Has Built Up Congregation to One of Largest in State Outside of Portland.

The largest class in the history of St. John's Catholic Church will be confirmed at high mass at 10:30 o'clock tomorrow morning. The class has 130 members. The confirmation exercises will be conducted by Archbishop Christie, assisted by the Rev. A. Hillebrand, pastor of the church, and the Revs. Frowin and Thomas, of Mount Angel. Three masses will be held, the first at 6 o'clock, the next at 8 o'clock and high mass at 10:30 o'clock.

Archbishop Christie will preach at high mass, after which will come the sacrament of confirmation. The class being the largest ever confirmed in the church, it is expected that the attendance will break all records. Since the Rev. Hillebrand became pastor of the church twenty-three years ago, it has had a remarkable growth, and there are only three Catholic churches in the state, outside of Portland, with larger congregations. St. John's church has 1,300 members.

The following is a list of those who will be confirmed tomorrow:

Jacob Rissberger, Frank Robinson, Gehard Entner, Arthur Rothe, Benjamin Shultz, John Ford, George Storiz, Victor Meyer, Ralph Armstrong, Albert Moore, Joseph Swonkowski, Jodie Miller, Joseph Murphy, Peter Bodovik, Daniel Lyons, William McMahon, Bruno Meber, Otto Smith, Michael Serres, George Rissberger, John Serres, Frank Kroll, Frank Champion, Paul Potter, John Rissberger, John Kobolnik, Ralph Edmonds, Joseph Gasko, Daniel Brady, Frank Murphy, Frank Michels, Percy Pollans, Edward Rasser, Albert Moore, Joseph Eyovic, Frank Kobolnik, Louis Kessler, Henry Ast, Peter Rotter, Frank Mooney, Edward Busch, Michael Cosofsky, Joseph Scherzinger, Hilda Meyer, Mary Tanzer, Sattie Ford, Gertrude Nadeau, Donald Nadeau, Albert Hoffman, Frank Bruce, Henry Hoffman, James Bodowik, Byron Moore, Carl Hoffman, Frank Hastings, Theodore Davenport, Benjamin Rotter, Howard Crenier, Frederick Delors, Julia Hastings, Helen Junker, Helen Sorghan, Julia Rotter, Mathilda Michels, Anna R.
