Shepherd Delivers Strong Performance on "The Cycle of Life" Professor Boyer Delights With Singing.

CHAUTAUQUA GROUNDS, GLADSTONE, Ore., July 10.—(Special) One of the most thrilling events seen on the Gladstone course Kellogg this afternoon to the front in the exciting race which will end Saturday. He is attracting more attention in any of the athletic events, and friends of the runners crowd and stand daily. While Kellogg is there is no reason to believe that other fast men are pressing and may overhaul him at the end. The leader has turned laps, Amburn, Shaver and sixteen, Hamilton fifteen; who is one of the youngest and one of the fastest, fourteen and fifteen, Wilson fourteen and one and Hutchinson fourteen, and thirteen and three-sixths.

Takes Second Place.

Winning today from Gladstone score of 13 to 7 Aurora took second place in the race and is pressing Oregon City team for first place. Standing of the clubs is as follows: Oregon City won 2, lost none, average 1000; Aurora, won 2, lost 2, average 667; Gladstone, won 1, lost 1, percentage 500; Gladstone, won 1, lost 2, percentage 333; Crystal Springs Park played 2 to 2.

Are Popular.

There was another large attendance at Chautauqua today, and the variances started the work of the week with enthusiasm. The attendance at the classes exceeds that of last year, and the instruction is more thorough. The Forum was held during the lecture of Dr. James Baxter, who spoke on "Scientific Selection of Foods." His address was illustrated with many slides and was one of the most interesting and instructive of the chautauqua. Dr. Baxter gave a detailed explanation of how food should be selected, and declared that more should be given to the selection of food than was thought by average persons. A popular concert was given by Professor Boyer, of Portland, after which Schwab, also of Portland, rendered a number of selections with excellent expression. She became a favorite with the chautauqua after her number and an effort will probably be made to get her to sing again. Her performance was so successful that she was invited to sing at the chautauqua, of St. Louis, on "The Cycle of Life."

Many musical selections were rendered, and dancing on the lawn and games were held in the evening. Refreshments, ice cream, cake and other refreshments were served. The committee having the affair in charge consisted of J. M. Stevers, C. A. Bickel and A. C. Warner. A large bonfire and Chinese lanterns added to the attractiveness of the park.

Fatal Wreck on Oregon Trunk Line Near Deschutes—Engineer and Fireman Caught in Cab.

THE DALLES, Ore., July 10.—One man was killed and four persons fatally injured and a score more hurt as southbound Oregon Trunk passenger train plunged over a 49-foot embankment 2.35 o'clock this afternoon. The train was running 40 miles an hour when it struck a spread rail, caused by the intense heat of the afternoon.

Engine Rolls Down Bank.

When the engine hit the sink-in in the rail it left the track and rolled down a 40-foot embankment. The baggage car remained on the rails, but the day coach, following, left the track, plunging 40 feet to the top of the locomotive in the ditch below.

When the car struck the engine the escape valve of the boiler was ripped off and steam and hot water shot into the car filled with panicky passengers, who had been projected into the front end of the coach by the impact. P. J. Gallinger, a conductor, was riding with Conductor Cass, at the rear end of the car. Both clung to a seat, as the car shot down the embankment. They escaped serious injury.

Fireman Caught in Cab.

Thomas Miles, engineer, and George McKillip, fireman, said they knew nothing of the danger until the locomotive was rolling down the steep incline. Both men stayed with the engine until it struck the bottom of the ditch.

McKillip was unconscious and was caught under the cab, but extricated himself before the safety valve was released. He was scalded on the back and neck and slightly injured internally, but his condition is not considered critical.

HUSBAND BEGGED HER TO LEAVE, SAYS WIFE

EDWARD SCHEURER, IN SUIT, IS CHARGED WITH BEING CRUEL.

Edward Scheurer has filed a suit for divorce against Fred Scheurer, to whom she was married on February 17, 1908.

In the complaint Mrs. Scheurer alleges her husband, soon after their marriage, treated her cruelly and heaped personal indignities upon her, and rendered her life burdensome. He commenced neglecting her, she asserts, a year after their marriage, and on many occasions would receive letters and cards from girl friends of his, and when she asked him whom they were from he said it was none of her business.

On numerous occasions Scheurer told his wife, she alleges, he was tired of her, and that he wished she would leave him, and never come back. She says she could stand this treatment no longer after March last, and that she wishes to resume her maiden name, which was Edith Lewis. Mrs. Scheurer is represented by Joseph H. Page.

BABIES TAKEN FROM UNFORTUNATE MOTHER

BENJAMIN BALTIMORE SAYS WIFE USES HIS WAGES TO BUY DRUGS.

Judge Beattie, on Monday, ordered that the two youngest children of Benjamin Baltimore, of Elyville, be sent to a home. The action was taken at the request of the father, who alleged that his wife was addicted to the use of morphine. It developed that investigations of her case had been made at Hood River and in Marion County, but upon her promise that she would discontinue the habit the children were allowed to remain with her. The father said that his wife used a greater part of his wages in purchasing drugs, and it was impossible for him to support the children as they should be. There are four children, ranging from five to sixteen years of age.

DIAMOND SOWN WITH PEAS YIELDS ITSELF

REV. ROBINSON'S GARDEN ALREADY COSTLY MIGHT HAVE BEEN MORE SO.

The Rev. C. W. Robinson, rector of St. Paul's Episcopal church, after an exciting experience Monday, declared that he is not a success as a grower of peas. Mr. Robinson was urged early in the season by his sister, Miss Clara L. Robinson and their guest, Miss Catharine Percival, of Philadelphia, to plant peas in the garden in the rear of the rectory. He at first demurred, declaring that he had never had any experience in making a garden. He finally yielded and the peas vines soon came up and covered the poles he had planted for them to twine about.

Miss Percival went to the garden early Monday morning to gather vegetables, and upon returning to the house missed a diamond ring, valued by jewelers at more than \$300 and by herself at a great deal more, because it is an heirloom. She, Miss Robinson and Mr. Robinson hunted all day for the ring, giving up in despair several times, and finally at dusk found it.

"The garden cost enough as it is," said Mr. Robinson, "without trying to grow diamonds."

The prizes to be awarded are two Grand Upright Kimball Pianos, valued at \$400 each. Two "Twentieth Century" (latest model) New Home drop head sewing machines, value \$75 each. After the candidate has been nominated clip the vote coupons published daily and send them in and same will appear credited for your favorite. A quicker and better way to secure a large number of votes is by getting your friends and acquaintances to subscribe for The Enterprise.
