THE INTEGRITY OF MORRIS.

In argument before Circuit Judge Kavanaugh in the Multnomah County Court Thursday Attorney Wirt Minor said he knew Fred S. Morris too well not to be certain that he would not be guilty of such an action as failing to keep a business agreement with W. H. Hurlburt, involving more than $65,000. Perhaps Mr. Minor is right, but Oregon City people know that Morris, as head of the Oregon Water Power & Railway Company, sought to corrupt members of the City Council, when he wanted a franchise, by retaining them in his employ. Mr. Minor's exalted opinion of Morris is not shared by the public. His integrity in this particular case is a matter for the court to decide, but his method of obtaining city franchises to barter is indefensible. It was only an indignant public, aroused by men like E. G. Caufield and William Andresen, that created a sentiment which resulted in Mayor Sommer vetoing Morris' franchise ordinance. The Portland Railway, Light & Power Company will soon be asking Oregon City for another franchise but there are no councilmen on the corporation's pay roll now.

The people of this city should buy "Made in Oregon" goods from the local merchants whenever the price and quality are equal to Eastern made goods.

The "Made in Oregon" movement inaugurated by the Manufacturers' Association, of Portland, will do much to stimulate the manufacture and sale of goods made within the state.

BEET SUGAR MEN CAUSE BIG ADVANCE

SHORT CROP GIVEN AS REASON OF AMAZING RISE IN VALUE.

The advance in the sugar market is attracting attention all over the country. The cause of the advance has been a matter of speculation among the trade. With the consumptive demand increasing year by year and with a short crop expected in some of the sugar centers this season, the upward movement was quickly started.

The market for sugar is now absolutely under control of the beet production. While the United States as a whole has excellent crop prospects, the output in Europe, where the bulk of the beet sugar crop of the world is grown, is far from being favorable.

The production of beet sugar is growing larger each season, while the cane crop has either decreased in certain districts or is standing stationary. This is the first season that the beet crop has absolutely dominated the sugar market of the world, but it seems to be the beginning of the end of the domination of the cane product.

Wholesalers have been puzzled recently regarding the sugar market, because the advances by the various refineries have come at widely separated periods, although in the end they were uniform. For instance, the Western Sugar Refining Company, the trust, advanced its price 10c early Friday and made a further advance of 10c late in the afternoon. The Honolulu Plantation Company made a single advance of 20c late, while the California and Hawaiian did not advance its price when the movement was 20c.

Downfall and Decay Await Nations Where Women Don't Work

By OLIVE SCHREINER, Author

THE WOMAN WHO DOESN'T EARN HER OWN LIVING IS A PARASITE. WHEREVER IN THE HISTORY OF A NATION GREAT NUMBERS OF ITS WOMEN BECOME PARASITES THAT NATION IS ON THE ROAD TO DOWNFALL AND DECAY. AMERICA IS, THEREFORE, ON THE ROAD TO DEGENERATION UNLESS THE WOMEN OF LEISURE CAN BE ALLOWED OR INDUCED TO EXCHANGE THEIR VANITIES FOR HARD LABOR.

The human female parasite, whether in modern Paris or New York or in ancient Greece, Rome or Assyria, is the woman who, RELIEVED of manual labor by the prosperity of her class or nation or by the invention of LABOR SAVING machinery, will trade on her unused potentialities of motherhood for her support. Unless she can or will enter the industrial field of some other line of productive activity she has no RIGHT to live on the labors of the male.

The woman of leisure today, like that hothouse specimen so notorious before the downfall of Rome, who seeks mainly by pursuit of PLEASURE to fill the void left by lack of HONORABLE activity, would be far happier if she had plenty of HARD WORK to do, and the race would be correspondingly healthier and MORE efficient.

And when any license is taken out after the first of any quarter, the sum to be paid up to the beginning of the next quarter shall be in proportion to the time such license has to run to the whole quarter. Before license shall be granted to conduct such place as aforesaid, the fee must be paid to the treasurer, and a good and sufficient bond filed with the Recorder to be approved by him, in the sum of $500, conditioned that the person or persons conducting such place will permit no disorderly conduct therein. The Council may refuse to grant a license as aforesaid, if in their opinion the applicant or applicants are not of good moral character or have been found guilty of violating any of the penal ordinances of the city, or for any other reason which the Council deems sufficient.

Such room shall have no screens, boxes, alcoves or partitions of any kind or any other manner of obstruction therein, that will in any manner interfere with persons on the outside in front of same seeing every part of the same.

If any signs are used to designate such place and to call the public attention to the same, such sign shall not be misleading but shall designate the true character of the beverages kept and sold therein.

Section 3—It shall be unlawful for the proprietor or for any of his employes of any such place as aforesaid to take into the same to keep there, or for the purpose of disposing of the same there or otherwise, any spirituous, vinous or, malt liquors, or to permit or suffer any other person or persons to bring into such place any of the aforesaid liquors, to be drunk or otherwise disposed of therein or otherwise or at all. And any person or persons so offending shall be guilty of a misdemeanor.

Every place where Near-beer or similar beverages are sold or are kept for sale in Oregon City shall keep closed on every election day and on the first day of the week, commonly known as Sunday, and shall not open on any other day until 7 o'clock a. m. thereof and shall close at 11 o'clock p. m. thereof.

Section 4—No miner or woman shall be employed in or about any such place as aforesaid, and it shall be unlawful for the proprietor or keeper of any such place or for any of his employes to permit any miner or woman to enter into or loiter in or about any such place as aforesaid, or to sell or dispose of any Near-beer or similar beverages to any such persons to be drunk on the premises or to be carried away.

Any miner or woman who shall enter into or loiter in or about any such place or who shall buy or attempt to buy any of the beverages aforesaid, therein, for personal use or otherwise, shall be deemed guilty of a misdemeanor.

Section 5—It shall be unlawful for any person or persons, firm or corporation carrying on any business patronized by the public to permit or suffer to be played in the room where such business is carried on or in any room connected therewith any game of chance with cards or other contrivances or at all; or to keep in any such place or in any place connected therewith any cards or other contrivances or tables used for playing such games or otherwise or at all. And any person patronizing who shall engage in any game of chance in any such place or room connected therewith shall be deemed guilty of a misdemeanor.

Section 6—Any person violating any of the provisions of this ordinance, shall upon conviction thereof, before the Mayor or Recorder, be deemed guilty of a misdemeanor, and shall be fined not less than five nor more than fifty dollars, or be imprisoned not less than two nor more than 25 days in the city jail, or by both such fine and imprisonment.

Section 7—Whereas, there are several places of business in Oregon City, which sell Near-Beer and similar beverages and such places are without control and regulation by the City Government of Oregon City and in danger of the health and safety of the people of Oregon City and it is necessary for the immediate preservation of the health and safety of the said people of Oregon City that such places should be regulated by Oregon City, an emergency is hereby declared to exist and this Ordinance shall take effect and be in force immediately upon its approval by the Mayor.
