ton tariff bill, the third of the big  
tariff revision measures brought for-  
ward by the Democratic House of  
Representatives, passed that body to-  
night, 202 to 91.

The bill cuts the average tariff on  
cotton manufactured goods from 48  
to 27 per cent. ad valorem, a 21 per  
cent. reduction. The Democratic lead-  
ers estimate that it reduces revenue  
by about \$3,000,000.

## STIPP ANSWERS MOORE SHARPLY

ASSISTANT DISTRICT ATTORNEY  
SAYS HE IS TIRED OF  
OFFICE.

WANTS PLACE GIVEN TO ANOTHER

Cement Man Thought to Have Under-  
studied that Investigation of  
Fight Should Be Made  
By Grand Jury.

Deputy District Attorney Stipp, on  
Thursday, answered the letter of  
Aman Moore, president of the Port-  
land Cement Company, in which Mr.  
Stipp was accused of not keeping his  
promise in regard to the prosecution  
of John and Henry Bichner who en-  
gaged in an altercation with Mr.  
Moore over a strip of land at Osweg-  
o. Mr. Stipp did not give out a copy  
of the letter for publication, but it is  
understood that it was to the point.  
It does not appear that Mr. Stipp  
tried to evade the duty he was asked  
to perform, but on the contrary sug-  
gested to Mr. Moore that the case  
should be probed by the grand jury.  
It is inferred that Mr. Moore under-  
stood this should be the plan of pro-  
cedure when he agreed to defer the  
prosecution in the justice's court.

"If anyone does not like the way I  
am doing my work," said Mr. Stipp, to  
a Morning Enterprise reporter, "he can  
go where he pleases." I resigned as  
Deputy District Attorney sometime  
ago, and my resignation is still pend-  
ing. I don't care for the office, and  
if anyone can do any better, I am  
willing for him to take the place. I  
am thoroughly independent about it.  
I am looking after the duties of the  
office as well as I care to under the  
circumstances, and if my work is not  
pleasing to people they can find some-  
body else."

## COUNTY JAIL EMPTY; HOORAY! HOORAY!

For the first time since Ernest Mass  
became sheriff of Clackamas county  
the county jail is empty. J. Rhodes,  
who was arrested in Sandy some time  
ago for disturbing the peace, was re-  
leased Thursday after serving a sen-  
tence of ten days, and A. Cain, who  
was serving a sentence for grand  
larceny was paroled. Rhodes was the  
first one to leave the bastille, and after  
his departure Cain complained that  
he was lonesome. Justice of the  
Peace Samson, who sentenced Cain,  
was appealed to, and paroled the man.  
Cain was charged with taking \$27  
from the till of a chop house.

## OREGON TO HAVE 3 CONGRESSMEN

REAPPORTIONMENT BILL PASSES  
IN SENATE WITHOUT  
AMENDMENT.

MULTNOMAH IS THIRD DISTRICT

Old Apportionment Plan Probably  
Will be Used as Basis For Elec-  
tion of Delegates to Na-  
tional Conventions.

WASHINGTON, Aug. 3.—(Special.)  
The Senate today allowed without  
roll call the House bill fixing the num-  
ber of representatives in the next  
Congress at 432.

As passed the bill was changed in  
two particulars, both of them amend-  
ments by Senator Burton. One pro-  
vides that candidates for the House  
might be nominated in the same man-  
ner as candidates for the governor-  
ship. The other was that redistrict-  
ing shall be done by state legislatures  
except in those states where the initia-  
tive and referendum is in force, where  
these laws might be invoked.

Under the Burton amendments, the  
initiative and referendum may be used  
in states where popular government  
laws are in force. The proviso for  
nomination in the same way govern-  
ment are not signed will be allowed to  
enlist as well as those who signed  
the petition asking for the organiza-  
tion of the division here.

## New Districts Created.

The bill as passed provides for an  
increase in representation as follows:  
Alabama, 1; California, 2; Colorado,  
1; Florida, 1; Georgia, 1; Idaho, 1;  
Illinois, 2; Louisiana, 1; Massachu-  
setts, 2; Michigan, 1; Minnesota, 1;  
Montana, 1; New Jersey, 2; New York,  
6; North Dakota, 1; Ohio, 1; Oklaho-  
ma, 2; Oregon, 1; Pennsylvania, 4;  
Rhode Island, 1; South Dakota, 1;  
Utah, 1; West Virginia, 1; Texas, 2;  
Washington, 2.

In the twenty-one other states now  
admitted there is no change in repre-  
sentation. The bill provides for one  
representative each from Arizona and  
New Mexico when admitted.

An amendment by Root (Rep., New  
York) to retain the present member-  
ship in the House was defeated, 23  
to 47. An amendment by Gronna  
(Rep., North Dakota) to make it 405  
was beaten, 22 to 47. The two amend-  
ments were intended to reduce the  
Southern Democratic representation,  
which would be increased by the re-  
apportionment as adopted.

Action on the reapportionment bill,  
which will doubtless be promptly  
signed by the president, makes it cer-  
tain that Oregon will have three Con-  
gressmen hereafter. The Oregon leg-  
islature last winter passed a law divid-  
ing the state into three districts in  
anticipation of the act of Congress.

At the primaries next April, there-  
fore, each of the two principal parties  
will nominate three candidates for  
Congress, one from Eastern Oregon,  
one from Multnomah county, and one  
from the counties west of the Casca-  
des with the exception of Multnomah.

## Old Basis to be Used.

It is presumed that the old apportion-  
ment basis will be used as the  
basis for election of delegates to the  
national conventions of the great par-  
ties, as the new apportionment does  
not take effect until the next Con-  
gress is ushered in. The next Con-  
gress, for which nominations will be  
made next spring, will not be elected  
until November, 1912. Under the  
old apportionment Oregon will have  
eight delegates to each national con-  
vention, being twice the number of  
senators and representatives.

Multnomah county will comprise  
the third congressional district under  
the new apportionment. The complete  
apportionment of the state is as fol-  
lows:

First—Benton, Clackamas, Clatsop,  
Columbia, Coos, Curry, Douglas, Jack-  
son, Josephine, Lane, Lincoln, Linn,  
Marion, Polk, Tillamook, Washington  
and Yamhill.

Second—Baker, Crook, Gilliam,  
Grant, Hood River, Harney, Klamath,  
Lake, Malheur, Morrow, Sherman,  
Umatilla, Union, Wallawa, Wheeler  
and Wasco.

Third—Multnomah.

Deputy District Attorney Stipp, on  
Thursday, answered the letter of  
Aman Moore, president of the Port-  
land Cement Company, in which Mr.  
Stipp was accused of not keeping his  
promise in regard to the prosecution  
of John and Henry Bichner who en-  
gaged in an altercation with Mr.  
Moore over a strip of land at Osweg-  
o. Mr. Stipp did not give out a copy  
of the letter for publication, but it is  
understood that it was to the point.  
It does not appear that Mr. Stipp  
tried to evade the duty he was asked  
to perform, but on the contrary sug-  
gested to Mr. Moore that the case  
should be probed by the grand jury.  
It is inferred that Mr. Moore under-  
stood this should be the plan of pro-  
cedure when he agreed to defer the  
prosecution in the justice's court.

## W. H. SILCOX BADLY HURT IN RUNAWAY

Dr. Carl said Thursday that W. H.  
Silcox, the restaurant proprietor, who  
was injured Tuesday in a runaway  
accident had sustained a broken rib.  
Although he was able to get out Mr.  
Silcox suffered considerably, and it  
will be some time before he recovers.  
"I was certainly lucky in not being  
killed," said Mr. Silcox to a Morning  
Enterprise reporter. "Henry Hoffman  
and I were driving near my ranch,  
which is about four miles from the  
city, when the horse fructered at a  
baby buggy. I was not holding a  
tight rein, and in almost a second  
the animal swerved off the road and  
dashed the buggy against a tree. I  
was thrown out on my head and ran-  
ced unconscious. It was almost a  
half hour before I came to, I sup-  
pose."

Mr. Silcox's head was bruised, but  
it was not discovered that one of his  
ribs was broken until sometime after  
the accident. Mr. Hoffman was not  
hurt.

## NAVAL DIVISION FORMED TONIGHT

MEMBERS WILL BE ELIGIBLE FOR  
CRUISE ON BOSTON  
THIS SUMMER.

PORTLAND OFFICERS ARE COMING

Band is to be One of Features of Pro-  
posed Organization—New Ar-  
mory For Oregon City is  
Now Assured.

The Oregon City division of the  
Naval Militia will be mustered in to-  
night at the A. O. U. W. Hall, at the  
corner of Seventh and Center streets.  
Only those who are mustered in to-  
night will be eligible for the cruise  
this summer, which is to be determi-  
ned by Captain Reynolds. There is  
every possibility that the cruise will  
be to San Francisco.

Physicians will examine all candi-  
dates and the enrollment papers will  
be made out tonight so that the of-  
ficers may know the number to pro-  
vide with equipment. Either Dr. Wolf  
or Dr. Norden, of Portland, with Dr.  
Meisner, of Oregon City, as assist-  
ant, will be the examining physicians.

Any of the boys who fail to appear  
tonight will have to wait till another  
year to get in on the cruise and a  
full complement is expected. There  
are many lads ready to go who have  
not signed. They will be allowed to  
enlist as well as those who signed  
the petition asking for the organiza-  
tion of the division here.

## Dye Receives Orders.

The orders to proceed with the must-  
ering in were issued to Acting En-  
sign Dye Wednesday afternoon by Al-  
bert J. Chapron who wrote as fol-  
lows:

"Sir:—You will proceed with the  
organization of a division at Oregon  
City Army. Rent, clothing, arms,  
etc., will be allowed.

"By order of the captain command-  
ing.

The orders were indorsed verbally  
by Lieutenant Commander Edwards,  
ranking officer of the Oregon Naval  
Militia.

Information was received at the  
Militia Headquarters that Lieutenant  
Wolcott G. Hall, of the regular navy,  
has been assigned permanently to the  
Cruiser Boston by the Navy Depart-  
ment. Lieutenant Hall is on board  
the Boston and ready to begin his  
duties. There is a possibility that  
another officer will be assigned to the  
Boston also to co-operate with Lieu-  
tenant Hall.

Acting Ensign Dye, who is the only  
member of the Oregon City Division  
with any technical training in naviga-  
tion and the other departments of the  
division. An ensign also will be  
elected, the local boys stating their  
preference, but the appointment will  
only go to a person who can qualify.

The business session will be presid-  
ed over by Harry Miller, president of  
the temporary organization. More  
than forty boys have signed their  
membership blanks and with the mem-  
bership list and the other members  
who want to enlist there is little  
doubt that Oregon City will have one  
of the best divisions in the state.

The local organization virtually will  
be a civil organization, having a mili-  
tary drill, and on shipboard will pro-  
vide for its individuality in the for-  
mation of the ship's company.

## Proposed Band Interests.

Much interest has been manifested  
in the proposed division, and espe-  
cially by musicians who expect to be  
members of the band. There is a fine  
chance to organize a local band with  
wider affiliations than can be ac-  
complished by a strictly local club.  
Three uniforms will be issued to each  
member of the band, making the cost  
of organization virtually nothing and  
insuring the band a fine appearance  
at a minimum of expense. The band  
would also have the benefit of a first  
class leader. It could always operate  
as a separate band and, only when  
co-operating with the Portland Divi-  
sion Band, would the identity be  
merged in that of the central organiza-  
tion.

The Naval Militia Band that played  
at the Chautauque Assembly was con-  
nected with the Portland Division but  
the money earned went to the musical  
organization to divide or to spend on  
the organization. The same rule would  
apply to the Oregon City boys.

Lieutenant Humphreys and Woman  
Beckwith of the Portland Division will  
be present officially tonight to repre-  
sent the Oregon Naval Militia and  
several others will probably come up  
also as the Portlanders are much in-  
terested in the new organization.

## Means New Armory.

The officers and members of Com-  
pany G, of the O. N. G., are rejoicing  
over the organization of the division  
of the Naval Militia for it will neces-  
sitate the erection of a new armory  
and the new armories that the state  
is erecting are pretentious buildings  
and a credit to any town. Both or-  
ganizations will co-operate in boosting  
for the armory, the site for which has  
been donated by N. R. LANG. The  
site is at the west end of the suspen-  
sion bridge in the townsite of Mc-  
Laughlin. The present armory will  
be inadequate for the two organiza-  
tions and new quarters will be neces-  
sary.

Such equipment as is not assigned  
during the cruise will be apportioned  
after the return, which will include  
locker space, etc., and the division  
will be put in shape to do effective  
work.

The social features of the organiza-  
tion will be unexcelled. The boys are  
planning for the organization of base-  
ball, football and track teams, tennis,  
basketball and all kinds of athletic  
work. The use of the Cruiser Boston as a  
club house will be extended to the  
division.

## OREGON CITY MEN WIN ROAD FIGHT

THOROUGHFARES TO CAPITAL  
WILL BE BUILT ON BOTH  
SIDES OF RIVER.

GOVERNOR ADDRESSES DELEGATIONS

Representation From This City Strong-  
est of Any Attending Meeting—  
Local Pride to Insure Fine  
Driveways.

(By Staff Correspondent.)

SALEM, Aug. 3.—The East Side of  
the Willamette River will not be se-  
lected to the exclusion of the West  
Side for the route of the Capital high-  
way. This same conclusion was reach-  
ed by the commission after hearing  
the flood gate of oratory opened to-  
night at a meeting in the chamber  
of the House of Representatives, at-  
tended by delegates from Clackamas,  
Multnomah, Washington, Yamhill,  
Polk and Marion counties.

Grant B. Dimick, a member of the  
Capital Highway Commission, County  
Judge Beatie, J. E. Hedges and Gor-  
don E. Hedes talked for Clackamas  
county and the East Side route and  
Mr. Hedges warned the West Side  
people that the Commercial Club of  
Oregon City and allied organizations  
proposed to have the highway located  
on the East Side of the river. Con-  
siderable local commendation was  
noticeable in the talks. It is unques-  
tionably true that the Capital High-  
way Commissioners will not select a  
route for some time, but will play the  
West Side against the East Side with  
the object of raising money through  
local pride to defray the expenses of  
constructing good roads from Portland  
to Salem on both sides of the Willa-  
mette.

Governor West talked at tonight's  
meeting at which State Treasurer Kay  
presided. The Oregon City delegation  
was stronger than that from any other  
town on the route, Salem itself not  
excepted.

The delegation was composed of the  
following: G. E. Hayes, W. E. Carr,  
A. L. Beatie, W. S. U'ren, George  
Randall, Charles Rieley, M. J. Brown,  
G. B. Dimick, E. S. Larsen, J. E.  
Hedges, M. D. Latourrette, A. Adams,  
E. E. Brodie, W. A. Huntley, J. W.  
Moffatt, Charles F. Noble, A. A. Price,  
W. A. Sheehan, Roy O. Young, M.  
J. Lazelle, Frank Busch, Sr., William  
Sheahan, F. J. S. Toole, O. D. Eby, J.  
Levitt, Robert Beatie, N. Blair and  
C. A. Elliott.

## STRICKLAND EXPLAINS VOTE FOR POLICEMAN

"The reason I changed from oppos-  
ing to favoring the appointment of a  
policeman for the hill section of the  
city," said Dr. M. C. Strickland, a  
member of the City Council, Thurs-  
day, "is that the city is growing and  
conditions have changed. Formerly  
there was no urgent need for a police-  
man on the hill, but there is now, and  
I shall do my utmost to have one pro-  
vided. Many of the residents have  
asked me to do what I can to obtain  
police protection, and their arguments  
are convincing. More so, I am voting  
on the hill now than before, and  
the residents should be protected from  
them."

Mayor Brownell on Thursday re-  
appointed Jack Frost to do patrol duty  
in the hill section, for five days, and  
said that he would keep reappointing  
him until the council made a decision  
in the matter. Owing to the large  
amount of territory that has to be cov-  
ered it was suggested Thursday that  
the hill policeman should have a  
horse. A mounted policeman could  
cover the territory with little trouble,  
at little, if any extra expense to the  
city.

## "OIL CAP" PIERCED; "GUSHER" EXPECTED

W. E. Mumpower, who visited the  
Stone oil well Thursday, declared that  
the prospects of obtaining a "gusher"  
were more promising than ever be-  
fore. "The oil cap has been pierced,"  
said Mr. Mumpower, "and there seems  
to be no question as to oil in large  
quantities being near. The expert  
says that the formation being encount-  
ered are the same as are always found  
just before oil is reached. We are  
much more encouraged than ever be-  
fore, and every person who has made  
an examination of conditions this  
week is confident that the enterprise  
will be a big success."

## FORECLOSURE SUIT IS FILED.

Jennie E. Eby has filed suit against  
Maud E. and James M. Neal, of Taco-  
ma, Wash., to foreclose a mortgage
