DR. WHITESIDE SUES SECRET ESTATE

George M. Secrest, administrator of the estate of S. L. Secrest, is defendant in a suit filed by George S. Whiteside, for \$500 alleged to be due for professional work.

Dr. Whiteside is a surgeon of Portland, and at the time of Mrs. Emery's illness, Mrs. Emery being a daughter of the late S. L. Secrest, his services were obtained at the suggestion of Dr. H. S. Mount, of this city.

It was necessary to operate upon Mrs. Emery, and she received medical treatment for some time after. S. L. Secrest died on July 4, 1910, and George Secrest was appointed administrator on July 5, of the same year.

A notice of creditors was published for the purpose of settling up of the estate, and when Dr. Whiteside's bill was presented it was disallowed, as was also the nurse's bill for one week, the other being paid.

Miss Hilda Englehardt, and she turned her account over to Dr. Whiteside, as also Bella Gallentine, also a professional nurse, who asked for \$3 a day while acting as nurse for Mrs. Emery. This bill was also turned over to the physician.

Dr. Whiteside is represented by J. E. Hedgen and D. J. Hayne, the latter of Portland.

JUDGE HAYES AND ACTOR PUT OUT FIRE

William Walport, the Portland actor, and Judge G. E. Hayes, extinguished a fire at Clear Creek Park Sunday night, which threatened the destruction of the timber on the grounds.

Judge Hayes was telephoned after the fire had gained considerable headway and he hastened to the park in an automobile. Mr. Walport, however, who was camping near the place where the fire had started had been fighting it for some time, and it was under control when Judge Hayes arrived.

The actor was formerly a fire warden in Colorado, and he understood just how to combat the blaze. A strip of maple timber about 300 feet long and fifty feet wide was burned. But for the prompt action of Mr. Walport and Judge Hayes, the fire would have been one of the most disastrous ever known in this county.

HIGHWAY STRIKES POPULAR CHORD

MONEY PLEDGED TO BUILD BOULEVARD THROUGH CLACKAMAS COUNTY.

DELEGATES ENTHUSIASTIC FOR ROAD

Committees To Be Appointed By Various Commercial Bodies To Work With Capital Highway Commission.

That the citizens of Clackamas county are interested in the proposed capital highway between Portland and Salem, and will aid in every way possible to have it built, was indicated at an enthusiastic meeting of representatives of commercial bodies held at Commercial Club Tuesday afternoon.

The following resolution, introduced by O. D. Eby, of Oregon City, was adopted: "Resolved, by this body of citizens assembled that we endorse the proposition of constructing a capital highway from Portland to Salem, and that we are willing to contribute toward the construction of such a highway on the East Side of the Willamette River, and be it further resolved, that the commercial bodies of Sellwood, Milwaukie, Oak Grove, Jennings Lodge, Gladstone, Oregon City, Mount Pleasant, New Era, Canby and Barlow each be invited to appoint a committee of three to become an executive committee to work in conjunction with the Capital Highway Commission and the County Court to locate and construct such a highway, and that the first joint meeting of this committee be left to the President of the Commercial Club, of Oregon City."

Announcement was made that the members of the committee would be named the latter part of the week, and President Hedges, of the Commercial Club, is expected to call a meeting upon receipt of the names. There was a unanimity of sentiment that the road would be of great benefit to Clackamas county, and the various delegations gave ample assurance that the money necessary for the enterprise will be forthcoming.

In the absence of President Hedges, F. J. Toose was appointed chairman of the meeting. M. D. Layzette was named secretary. Delegations from Sellwood, Milwaukie, Oak Grove, Jennings Lodge, Gladstone, Oregon City, Mount Pleasant, New Era, Canby, Barlow, Hubbard, and Aurora were present. George F. Rogers, C. T. Prall and Grant B. Dimick, of the Capital Highway Commission, outlined the proposed work. Mr. Rodgers, who is chairman of the commission, said that the routes would be surveyed as soon as possible, and each district was expected to build its part of the boulevard. He said that the governor would furnish convict labor, and that \$2,000 a mile was the estimated cost of the highway. All money be asked contributed by the counties and individuals for the work, must be placed in the hands of the commission. The money, however, is to be spent in the various districts that contribute it.

Justice Dimick said that no partiality would be shown in deciding the routes for the proposed loop. The one that offered the most money with other things on their side, would be favored.

FARMERS TO BE AIDED.

E. F. Chapman, of the Portland Commercial Club, made a short speech in which he declared that the highway would be a great thing for the state. He declared that the Willamette Valley actually began at Oregon City, and that the entire county would be benefited by the highway. Mr. Moore predicted that the farmers would soon be hauling their produce to Portland on automobile trucks, instead of paying high freight rates.

Aman Moore, President of the Portland Cement Company, said that convicts in Colorado had been found most excellent road workers and that the usual force employed on the work could construct a mile of road a day. J. F. Kertchen and A. N. Willis, of the Sellwood Board of Trade, promised the aid of the business men of that city in building the thoroughfare. W. H. Golding, of the same place, said that the city would provide a hard surface pavement along the line of the road through that city. Charles Risley, of Oak Grove; C. B. Moores, of Portland, and M. G. Lee, of Canby, promised financial aid. Mr. Lee said that the Canby Commercial Club would furnish \$1,000 or \$2,000 or more if necessary. O. E. Freytag, of Gladstone, promised the co-operation of the residents of that city. C. Newell, of Jennings Lodge, said that municipal jenny would do his part in the building of the boulevard. H. E. Cross said that Gladstone would contribute handsomely if the road is built under the supervision of a competent engineer.

BUSCH OFFERS SUGGESTIONS.

Frank Busch, Sr., a merchant of Oregon City, gave some valuable information regarding the building of roads in Germany. J. M. Warnock, of the Mount Pleasant Commercial Club, said that organization would do its part toward providing money for the enterprise. J. Brown, of New Era, urged that River Road south of Oregon City be made a part of the boulevard, and Mr. Bora, of Hubbard, said that the people of that section would contribute as liberally as any in proportion to the population.

E. S. LARSEN, OF OREGON CITY MERCHANT, SAID THAT THE MEETING AT SALEM

FARMERS ARE AIDING STATE FAIR EXHIBIT

The farmers of Clackamas county and residents of this city are taking an active interest in the coming state fair, and the indications are that the exhibition this fall will be the best ever held. There will be many visitors to the fair who wish to locate in Oregon, whose object will be to see what county exhibits the best and most products.

Many farmers have visited the office of Freytag & Miller and deposited with them samples of grain and fruit, which will be sent to the fair. Jacob Grossmiller brought to Oregon City on Monday a fine sample of Klondike wheat, which is about five feet in height; A. Achilles, of Willamette, brought two samples of alfalfa, of the second and third cutting; George Brown, of "The Maples," brought a sample of Black Beauty oats and J. L. Waldron, of this city, brought a sample of Black Republican cherries, that are among the finest that have been on exhibition in this city. They are to be placed in a preservative and taken to the fair. O. D. Eby, of this city, brought two samples of peach plums. There are 49 plums of this delicious fruit on one limb, which is 18 inches in length. These also have been placed in a preservative. At the close of the State Fair these exhibits will be taken to Canby, where they will be placed on exhibition at the County Fair, which will be held on September 27, 28, 29, 30.

STATEHOOD BILL PASSED BY SENATE

TAFT DISPLEASED OVER FAILURE TO STRIKE OUT JUDICIARY RECALL.

VOTERS TO PASS ON PROPOSITION

President Probably Will Let Measure Become Law Without His Signature—Vote is 53 To 18.

WASHINGTON, Aug. 8.—The bill granting statehood to New Mexico and Arizona—legislation that has been for many years the dream of the people of those territories—was passed by the Senate tonight, 53 to 18, after the rejection of the Nelson amendment, which proposed striking out of the Arizona constitution its judiciary recall provision.

The bill as passed by the Senate differs only slightly from the House measure and it is said to be most satisfactory to President Taft. He has contended all along that he would be glad to sign the statehood bill if the Nelson amendment prevailed, but that it was a grave question whether he would be willing to sign it if the amendment were defeated, as it was, by 43 to 26. The indications are tonight that the bill will become a law without his signature.

The Senate amended the House bill with two minor changes regarding the manner of voting in New Mexico on proposed amendments to its constitution. These amendments will be agreed to by the House and the bill will be expedited to the White House.

The bill as passed compels Arizona, as a condition precedent to entry into the Union, to submit the recall proposition to the voters for final decision whether it shall remain in their constitution. New Mexico must vote on a proposition embodied in the bill which would make the Constitution of the state easier of amendment.

Senators Bradley, of Kentucky, and O'Gorman, of New York, voted for the Nelson amendment. The same two members, with Senator Bailey, voted against the final passage of the measure, as did two progressive Republicans, Senator Bristow, of Kansas, and Kenyon, of Iowa.

WOODMEN LODGE TO OBSERVE ANNIVERSARY

The local lodge of the Woodmen of the World on Friday night will observe the twenty-first anniversary of the order. The first class of candidates will be initiated and plans will be discussed for increasing the membership. There are already more than 400 members, the lodge being the largest of any one in this city. All members will be asked to give suggestions regarding the obtaining of candidates. Council Commander Hammond said Tuesday that this would be the most successful year in the history of the lodge.

BOY SUES PAPER COMPANY.

Clinton J. Griffin, Hurt at Mill, Alleges Negligence.
Clinton J. Griffin, seventeen years of age, who was injured at the Crown-Columbia Pulp & Paper Company's plant, has filed suit against the company, through his attorney, George C. Brownell and William Stone, for \$1,500 damages.

Clinton Griffin entered the employ of the paper company on March 21, 1911, and says before being employed by this company was not familiar with machinery. After the boy had entered the employ of the company he was given work as pack handler, his duties being to gather up the waste paper that had fallen from the paper machine. After picking up the waste paper and depositing it in a barrel he took it to the basement where it was burned in the furnace. To go to the basement the boy had to take the elevator, and he alleges, there were no guards. He alleges he fell from the elevator on April 1, 1911. He was rendered unconscious, and his foot was badly crushed and lacerated by being caught between the elevator and the platform. The boy had been working for the company only ten days when the accident happened.
