## CANDIDATES WORK HARD FOR RINGS

ONLY FOUR DAYS LEFT OF  
GREAT DOUBLE VOTE OF  
FIER IN CONTEST.

## NOW IS TIME TO GARNER BALLOTS

Contestants Urged To Make Final  
Effort To Obtain Votes While  
Proposition is in  
Effect.

Only four more working days remain of the DOUBLE VOTE offer that has been in effect since August 2, and the results obtained will go far to determine who the winners of the Enterprise grand prize voting contest will be on the night of September 2.

Are you figuring to have your name announced as one of the lucky ones on that night? If so you should make every moment of the time between now and the closing night of the DOUBLE VOTE offer count.

Since the announcement of this special offer nearly every candidate has started to work with renewed activity and great results can be looked for before August 14, the night his special offer closes.

Thursday, Friday, Saturday and Sunday and then you will receive only half the number of votes on subscriptions that you are receiving during this special offer week.

If you are figuring on having your name announced with the winning candidates on the night of September 2, don't you think it worth your while to make another determined effort?

Extra Prizes Tuesday.  
The winners of the two diamond rings that are to be named next Tuesday is another feature to account for the activity in subscription getting during the past week.

Think of what two or three five-dollar subscriptions would increase your vote total at the present time. Would you place your name far ahead of other candidates in your district, and no doubt be the means of having your name announced as winner of one of the diamond rings, but also be grand upright Kimball piano that will be awarded to some contestant in your district on the night of September 2.

Candidates have held their vote tallies very good so far, and one more effort before the DOUBLE VOTE offer closes will secure enough votes to make them feel that they have as good a chance (if not better) than any competitor in their respective district.

Twenty-four Days More.  
The time before the close of the contest is growing very short, and does not seem reasonable that any candidate should sacrifice the good work of the past for a few more days of strenuous work. A race is never won until the finish and who can tell how many will be the victors if they make another effort?

Start Today, NOW, and make one final effort, before this offer of DOUBLE VOTES closes.

Over 50,000 votes were polled since last count, and of this number Miss Mildred Ream, of Willamette, has the largest amount. Miss Fay Stafford, of West Oregon City, Miss Helen Shoeborn, of Carus, Miss Helen Abeck, of Stafford, and Mrs. M. T. Beck, of Canby, all made good showings.

In District No. 1 while all the candidates are apparently "resting on their oars," it does not necessarily signify that they are not doing their best to take advantage of every opportunity before the DOUBLE VOTE offer closes. The four leaders of that district are working incessantly, as has been recorded each one will now when the winners of the DIAMOND RING prizes are determined next Tuesday, August 15.

The management of The Enterprise is very sorry to learn of the accident that befell Mrs. Thomas, mother of Miss Blodwen Thomas, of Beaver Creek, who was seriously injured last Monday. Mrs. Thomas was accompanied by her daughters when the animal attached to the rig, for some reason, collapsed, and when she attempted to alight from the rig, broke her leg.

Mrs. Thomas is now at the Willwood Hospital at Oregon City, and is hoped by her host of friends that she may be able to leave before many days.

## A. R. ASKS SEPARATE FUND FOR INDIGENTS

Messrs. D. K. Hill, H. S. Clyde and C. Paddock, representing Messrs. Wood, Grand Army of the Republic, on Wednesday asked the County Court to provide a separate fund for indigent veterans. The court agreed to establish the fund next year, with the provision that if it were found to be unsatisfactory than the present arrangement, it would be discontinued. The indigent fund for the veterans, which cannot exceed one-tenth of one mill or less than one-thirtieth of one mill, is now supplied from the general fund. The amount supplied annually is about \$800. George C. Brownell represented the committee.

## TOO MANY BROTHS SPOIL THE COOK.

## MRS. THOMAS BADLY HURT WHILE DRIVING

Mrs. E. Thomas, a well-known resident of Beaver Creek, sustained a fracture of her left leg Monday. Mrs. Thomas was on her way to this city with her daughter, Miss Blodwen, when the horse they were driving fell. Mrs. Thomas jumped from the buggy, fearing the animal would run away. She alighted on her feet, her left leg sustaining most of her weight. Miss Thomas remained in the buggy and was not injured. She hastened to the home of August Splinter at Maple Lane, where she summoned Dr. H. S. Mount of this city, who arrived 20 minutes after the accident and took Mrs. Thomas to the Willwood Hospital in this city, where Dr. E. A. Sommer, of Portland, and Dr. Mount, set the leg. Although Mrs. Thomas is 62 years of age, she is resting easy.

## BEARD NEARLY LOSES LIFE WHILE FISHING

William Beard, one of the leaders in the upbuilding of Oregon City and Clackamas county, came near losing his life while fishing Tuesday afternoon in the Clackamas River near where it flows into the Willamette. Mr. Beard was alone, and but for his remarkable presence of mind would have been drowned. He had waded a considerable distance in the stream when he was struck by the strong current and swept off his feet. Battling with the current he managed to drag himself to shallow water, where he found refuge in some bushes. It was sometime before he recovered his strength sufficiently to make his way to shore. Mr. Beard wore rubber boots, and had all the paraphernalia necessary to successfully emulate Isaac Walton.

Couple Granted License.  
Mabel F. Hinthorn and Perry M. Anderson, of Estacada, were granted a license to marry Wednesday. The former was under age, and her mother, Mrs. Clara Hinthorn, gave her consent.

## LAFFERTY WOULD WED HIGH SCHOOL GIRL

WASHINGTON, Aug. 9.—(Special.)—Congressman Lafferty, who wrote to Miss Florence Kubel, after seeing her picture in a newspaper, believes that what he calls a "spirit of chivalry" has been misunderstood. He merely sought an introduction in an unconventional way, according to his explanation, and now finds himself in the spotlight of publicity from one end of the country to the other. Mr. Lafferty formerly practiced law before the Lead Office in Oregon City. Kubel is withholding letters in which Lafferty pleads not to make public that he wrote to his daughter. It is reported that Lafferty's infatuation led him to make a trip to the Eastern high school at dismissal time until he got to know Miss Kubel by sight.

Concerning the report from Portland that letters similar to the one sent by Lafferty to Miss Kubel had been received from him by school girls in Portland, Lafferty said today: "I don't think I have written any school girls. Still I might have sent some House gallery tickets to them. If I did they were all to women I know. I have never attempted to make acquaintances there in the manner I did in the case of Miss Kubel."

It is said that Lafferty is really infatuated with Miss Kubel, and is ready to prove his sincerity by marrying her. Kubel said today: "All I care to say is that Lafferty is a poor liar. When I became aware that my daughter had received a letter from this man, I went to his office and showed him the letter. I intended to trounce him, but he pleaded so hard I could not hit him. Besides, he denied that he had written the letter, blaming it on the boys in his office. I never believed that, but since then he has admitted it was a lie."

It is reported that several of Miss Kubel's schoolmates to whom she showed Lafferty's letter have written to him. Lafferty denies this, but is authority for the statement several women have called him on the telephone and assured him "they would stick by him," whatever that may mean. "Many representatives have been in to assure me they would stand by me in this matter," said Lafferty.

## MAN WITH WOMAN SOUNDLY THRASHED

A well-dressed young man was severely thrashed at the corner of Eleventh and Main streets about 3 o'clock Wednesday afternoon. A good-looking woman, a few years the former's senior, watched the administering of the castigation, which was done by a man about forty years of age. Whom they were, the reason for the corporal punishment, and where the riot went are not known. The young man and woman were seen on the corner about 2 o'clock in the afternoon. They went away, but returned about twenty minutes later, and waited on the corner until a car from Portland approached. From that car, with anger and determination writ all over his face, bounded the man of forty. He didn't say a word. In fact he did not have time, so busy did he become in about a second pommeling the young man. The woman screamed and pleaded for the victim, but this had no effect on the infuriated man. He knocked the other one down, kicked him several times, and then instructed the woman to follow him. This she refused to do, but all disappeared almost in a twinkling, the young man running as fast as he could in the direction of Gladstone.

## OFFICERS ARE NAMED FOR SANDY ELECTION

The County Court on Wednesday appointed P. B. Gray, Percy D. Shelly and Casper Junker, Judges, and R. E. Esson, Oscar Dahlgren and Edward S. Bratts, clerks, of the election to be held at Sandy on August 26 to pass upon the question of incorporation. The polling place will be in the Commercial Club's headquarters. Many of the citizens of Sandy favor incorporation in order to obtain better police protection. They are represented by George C. Brownell. One or two new saloons will be opened in the town soon, and it is the desire to incorporate the city before they are opened. The present system of policing the town is said to be inadequate, and it is contended that proper protection can only be obtained by making the town a city.

## MISS KIDDER GIVEN FAREWELL SURPRISE

A pleasant farewell surprise party was tendered Miss Melba Kidder at her home on Molalla avenue, Tuesday evening, by a number of her young friends. Miss Kidder was assisted in the entertainment of her guests by Mrs. Clarke. Dainty refreshments were served. The evening was devoted to music and games, and a most enjoyable time was had.

## HARRY CLARK IS RELEASED.

Men Arrested at Squaw's Home Warned Not to Offend Again.  
Harry Clark, the half breed, Gus Winsett, and another white man, who were arrested on Tuesday evening at the home of Mollie Clark, an Indian woman, on the South End road on a charge of being intoxicated and disorderly, were released Wednesday by Deputy Sheriff Staats. They were told by the Deputy Sheriff that if they were again arrested they would be given severe punishment.

## STREET BONDS GO TO LOCAL BANK

ISSUE OF \$21,367.36 IS TAKEN AT  
PAR WITH ACCRUED  
INTEREST.

## OFFILING OF STREETS STARTS TODAY

Ordinance Regulating "Near Beer"  
Places is Passed—Protest  
is Made Against  
Assessments.

The City Council, at a meeting Wednesday night, accepted the bid of the Bank of Oregon City for \$21,367.36 street improvement bonds. The bank agreed to take the entire issue at par with accrued interest. W. H. Howell and Mrs. Julia E. Haskell each made bids for \$2,900 bonds, their offers being the same as that of the bank. It thought that the bank will be able to make arrangements with the bank for the bonds. The Security Safety Bank & Trust Company, of Toledo, Ohio, offered to take the entire issue at par with accrued interest any pay a premium of \$27.50. However, the company asked for information which would have cost the city much more than the amount of the premium offered. The Finance Committee was instructed to arrange the details of the issue.

An ordinance, providing for the offiling of the Macadam streets, was passed. The council has appropriated \$1,000 for this work which probably will be started today. The off has been shipped to this city.

## Tree Decision Passed.

Dr. Strickland urged that the case of Mrs. Nellie Walker against the city be appealed from the decision of Judge Campbell. The decision enjoined the city from removing a walnut tree in the parking at Mrs. Walker's home. Action was postponed until the next meeting.

The Water Board asked authority to issue \$50,000 water bonds with which to take up outstanding warrants. The council instructed the City Recorder to notify the board to prepare ordinances and resolutions providing for the proposed issue.

A communication from Don E. Mel drum, regarding the roadway on Washington street, was referred to the City Engineer and the Committee on streets. The letter follows: "Gentlemen: Believing that the best interest of the city, as well as all parties owning property on Washington street between the south line of Twelfth street and the North line of Eleventh street, would be bettered by having the roadway on Washington street changed from 30 feet to 40 feet in width, by moving the curb line five feet nearer the property line on each side of said street, providing this is done without extra expense to the property owners, other than the regular assessment as per the original plan of said street, I would therefore ask that you do something toward making this change.

Changes Are Urged.  
As the street is now graded, all the slope across Washington street at its intersection with Twelfth street is in the parking on the east side of the street and as there is about a three-foot drop it is too much to give the surface of the street good appearance and it also causes the south side of Twelfth street on the roadway to be lower than the north side of Twelfth street, while the plans show a descending grade across Twelfth street. It is very essential if a good street is to be had that these changes be made.

"I also wish to call attention to the fact that the 100 feet of corrugated pipe used last winter in an emergency to repair the Twelfth street sewer near the corner of Twelfth and Washington street is now being covered with a 10 or 12-foot fill and will soon be covered with a completed roadway which will be in constant danger long as this pipe remains. It is well known among engineers that the first requisite of a good sewer pipe is a smooth inside surface and a material not affected by acid, to say nothing of tight joints, etc., the corrugations in this kind of pipe, its joints which were simply joined together and wired, and the material the pipe is made of, should condemn it for sewer pipe, except in the case of an emergency.

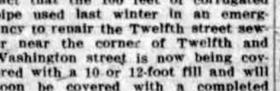

"I do not know your plans in regard to this sewer, but I do know that the break in the Twelfth street sewer, patched as it is with this corrugated pipe, should not be left for another wet season, and I think that in justice to the people who will be effected this winter if this sewer breaks to say nothing of first-class sewer construction, that the break should be repaired with standard vitrified sewer pipe before the sidewalk and roadway is finished, as the tearing up of newly-made streets to repair sewers, leaving as is usually the case a hole in the surface of the roadway, should not be encouraged or permitted when possible to avoid."

## Protest Against Assessments.

Upon the advice of the City Attorney the Council refused the request of the School Directors that they be allowed to build a retaining wall on part of the parking at the new High School on Twelfth street. A resolution was ordered published making a sewer district on Twelfth street from Taylor to Jackson. The City Attorney was instructed to draw papers providing for taking care of the water on Seventh street at the expense of the property owners. The committee on the valuation of property reported that it could not agree regarding the assessment of certain Sixth street property for street improvement purposes, and the matter was referred to the committee on

## MAPLE LANE GRANGE TO HAVE FAIR EXHIBIT

The Maple Lane Grange meeting on Saturday was well attended. The morning session was devoted to business and the proposed exhibit at the Clackamas County Fair to be held at Canby, on September 27, 28, 29, 30, was discussed. Every member will take an active interest in the exhibit and already many have arranged to contribute to the grange display which is expected to win a prize. Maple Lane Grange won the second premium at the first fair held in Clackamas county, and the members will make an effort to obtain first prize this fall. There are 56 active members of the Grange, and with this membership a good showing can be made.

At the morning session one candidate was given the third and fourth degrees, and two applications were received. One of the features was the dinner served by the ladies.

The afternoon program was as follows: Song, "The Plow, Spade and Hoe," grange; roll call, which was responded to for or against the following, "Is the funny magazine of the daily papers good for the children?" while many of the members voted that the "funnies" were injurious to the children, it was decided that no harm was done by letting the children read them. Many of the people in the country, as well as in the city, take the Saturday and Sunday papers so as to obtain these pictures for their children. The remainder of the program was: Recitation, Master Heater; reading, "Two Brothers," Mrs. John Jewell; song, "I Love to Live," Mrs. S. Gillett; reading, "My Wish," Mrs. A. Splinter; recitation, "Fritz and I," Miss Myrtle Swallow; question box was presided over by A. J. Lewis and A. J. Hobbie; recitation, "Away Out West, or in Oregon," Miss Emma Derrick; reading, "Superstitions in Signs," Mrs. Florence Heater. One of the features of the program was the describing of the trip East by William Beard, who recently returned to Oregon City, from an Eastern trip. The closing song was "Father We'll Rest in Thy Love."

## GLADSTONE ORGANIZES FIRE DEPARTMENT

At the meeting held in the City Hall at Gladstone on Tuesday evening, which was called by Emory Noble, it was decided to organize a fire company. The officers are President, E. J. Noble; foreman, Guy Dwigings; first assistant fireman, G. Russell; second assistant fireman, C. Stevens; secretary, Sydney S. Joanson; treasurer, D. S. Burns.

The meeting was largely attended, and there was much enthusiasm manifested. Among those who signed membership are E. J. Noble, William Rall, S. E. Lowe, S. S. Johnson, Guy Dwigings, C. A. Frost, Clayton Freytag, F. L. Oswald, H. E. Burdon, C. E. Forshner, Gill Russell, J. E. Dann, Neal Goodwin, Lyle Gault, Leo J. Burdon, John Mulkey, Tom Burns, Dave Catto, D. S. Burns, V. C. Gault, Barto, Barlow, F. C. Nelson, H. Frost, J. N. Stevens.

At the regular meeting held by the council at the City Hall on Wednesday evening E. J. Noble was asked to draw up an ordinance, which will provide for the purchase of fire apparatus for the fire company. A special meeting of the council will be held on August 24, to pass an ordinance providing waterworks bonds.

## MRS. CECILIA GRIMM IS DEAD.

Former Oregon City Woman Stricken While Visiting.  
Mrs. Cecelia Grimm, formerly of this city, died at the home of her husband's brother, at Aurora, last Thursday, and the interment was in the Aurora cemetery. Mrs. Grimm's death was sudden. She and her husband and little daughter were visiting in Aurora when her death occurred. The family lived in this city for some time. They moved to Cottage Grove from here.

## FIGHT MADE FOR HIGHER WOOL RATE

LA FOLLETTE AND UNDERWOOD  
TRY TO REACH AGREEMENT  
ON SCHEDULE.

## END OF STRUGGLE EXPECTED TODAY

Democrats Urged To Support Increase  
In Rate To Bring About Settlement—Insurgent Demand Made.

WASHINGTON, Aug. 9.—There was much activity today in the interest of an agreement between the two Houses of Congress on the schedules of the wool bill, resulting in an understanding that La Follette and Underwood, constituting the subcommittee of the full conference committee, would make an early effort to reach an adjustment. The close of the day found the two legislators still apart on essential details, but nearer than before.

When they were in conference on Tuesday Senator La Follette gave Mr. Underwood to understand that he could not possibly get his followers to agree to a rate of less than 30 per cent on raw wool, while Mr. Underwood told him that it would be necessary to come to 28 per cent, if not to 25, to insure the acceptance of the conference report by the House.

Canvass Not Successful.  
The Senator undertook to make a canvass, but with little hope of success. He had been assured of the support of only eight of the insurgent Republicans of the Senate for 30 per cent. He could afford to lose only two votes and his investigation was not reassuring.

Mr. Underwood was more confident than his fellow conferees, leading to the conclusion that he might go farther than he yet had manifested a willingness to do. His optimism was due to a change in the condition in the House. The Democrats of the House have been thoroughly canvassed in the last two days to determine whether they would support an increase of the rates in the Underwood bill, in order to effect a compromise with the insurgent-Democratic strength of the Senate.

Underwood Hopeful.  
It was asserted today by prominent Democrats that Mr. Underwood had found an unexpected strength in favor of meeting the La Follette forces on the best possible compromise basis, preferably something below 20 per cent on raw wool. Mr. Underwood said today that he expected the wool situation would solve itself tomorrow, when the full committee probably would meet.

"We either shall agree or definitely disagree tomorrow," was his assertion. He added that if an agreement were reached, two or three days might be necessary to put the conference agreement into the form of a bill to be presented to the two Houses.

## WORK ON COURT HOUSE TO START AT ONCE

The County Court at a meeting Wednesday appointed Clarence Simmons superintendent of the work of reconstructing the historic Clackamas County Court House. The work will be started at once. An addition thirty feet wide will be built in the rear of the old building, and virtually all the offices will be rearranged. The new Court room will be on the second floor in the rear and the County Court room will occupy part of the space of the present Circuit Court room. The cost of the work will be about \$12,000. W. A. White is the architect employed by the court to draw the plans.

## MISS WESTOVER ENTERTAINED

Visitor From Seattle Guest of Honor at Luncheon.  
Miss Florence Westover, of Seattle, was the guest of honor, at a luncheon given Tuesday afternoon by Mrs. G. W. Grace at her home. Miss Westover is a sister of J. H. and Robert Westover, formerly newspaper men in this city, and she has been visiting her sister, Miss Ray Westover, who is attending school at Portland. The luncheon was daintily served and the guests of Mrs. Grace were Miss Westover, Miss Ruth Brightbill, Miss Mabel Volkmar, Miss Oamund, Mrs. W. H. Godfrey, Mrs. Don James, Mrs. E. W. Scott, Miss Mary Scott, Mrs. H. P. Brightbill, Mrs. J. M. Volkmar and Miss Florence Grace.
