- DOUBLE VOTES TO REMAIN IN EFFECT UNTIL AUGUST 24, AT 8 P. M.**

The extension of the double vote offer has met with the hearty approval of all the candidates in the Enterprise grand voting contest, as it gives those who entered the race late an opportunity to make up for lost time and likewise permits those who are in the lead an opportunity to pile up a good vote reserve. It is a question now of who will do the best work from now till the closing night of the contest, September 2.

The first grand prizes, those beautiful Kimball pianos valued at \$400, are within the grasp of any candidate in this good natured contest if she makes the best of the remaining time.

Now, while the double vote offer continues in force, you should strive your utmost to outdistance your competitors, that means victory. That means that you will be the proud possessor of one of those beautiful Kimball pianos. You know that many battles have been lost through indecision and delay; decide now to be a winner and start at once to line up your forces for the fray by piling up a good vote reserve; a volley of ballots to be fired at your competitors at the crucial moment and thus proclaim you the victor. This means more to you than the actual commercial value of the prizes. It means that you are the better worker and for all time to come you will think of your achievement as something worth while accomplished, particularly you who win the scholarships; a musical or business education. You will have something that cannot be taken from you, that fire cannot destroy and something that means a great deal to any young woman in both social and business life. How many of you would not like to be an accomplished musician or possess a good business education? The Contest Editor answers for you NOT ONE, and if you are fortunate enough to win a scholarship that fact alone will demonstrate your ability to achieve and make a success.

What could bring more pleasure to a home than a good piano, one that will last a lifetime? It will be a source of joy forever to those candidates who are announced the winners on the closing night.

Is there a more useful article in any home than a first-class, dependable sewing machine, the "Twentieth Century" New Home?

Can any young lady wish for more than a high grade, reliable time piece, a watch that is in itself a thing of beauty?

And the diamond rings; some of you have already won these, none of you know who, but you will learn on the night of September 2, when the other awards are made.

Now your leaders keep in the lead if you can and you are at the bottom of the list overtake and surpass them if you can. The Contest Management plays no favorites; you will each and every one receive the same courtesy, advice, and assistance from this office. The integrity of an Enterprise contest has never been questioned and this one will be no exception to the rule. It is a case pure and simple of the "survival of the fittest" and to the victors will be awarded the prizes.

You can be one if you will; get in and do your best and the results will be success.

The Contest Editor would like for all candidates to call at the office when convenient or communicate with him by phone as early as possible. Today if you can.

## BLAZE THREATENS SUSPENSION BRIDGE

A fire in the frame work under the approach on the east side of the suspension bridge threatened the destruction of that structure Wednesday night. The blaze was discovered by Mr. and Mrs. Charles Ladd, who were on their way home. They at first thought it was a bon-fire, but at the suggestion of Mrs. Ladd her husband made an investigation and found a lively blaze under the structure. He soon extinguished the fire, but in the meantime an alarm had been sounded and the department responded.

## THE REJECTED PET'S RETURN WITH A LARGE FAMILY.

## PEOPLE TO VOTE ON POLICEMAN FOR HILL

At the council meeting Monday night the matter of the appointing of a policeman for the hill was discussed. It was referred to the recorder, and he was ordered to put it on the ballots to be voted upon by the people at the December election. If the council had confirmed the appointment of a policeman by the Mayor it would have become a permanent office, and would raise the taxes about half a mill each year. In the meantime the Mayor has the power to appoint a man, and the councilmen are willing until that time to pay his salary until the matter will be taken up at the December election. The councilmen think so long as the people have to pay the taxes they have a right to have a say in the matter.

Councilman Holman said Wednesday that he opposed the appointment of a policeman for the hill section because he was convinced that a majority of the residents of that district did not favor it. He said the territory was too large for one man to patrol it properly.

"However," said Mr. Holman, "I think it a matter that should be decided for the people and that is why I voted for a decision at it by the people at the election next December."

## ACCIDENT HALTS WORK AT STONE OIL WELL

A meeting of the stockholders of the Home Oil & Gas Company will be held at the Commercial Club rooms tomorrow afternoon at 1 o'clock. The meeting was called to consider the advisability of drilling a new well near the location of the present well. Owing to an accident at the well the work will have to be stopped if additional funds are not raised. The indications are very favorable for the discovery of oil on the land where the drilling has been done. One of the tools, used for boring, became fastened in the well and every effort is being made to extricate it.

## PRICE BROS. GIVEN BASEBALL DECISION

Joseph E. Hedges and O. D. Eby, of the Athletic Committee of the Willamette Valley Chautauqua Assembly, Wednesday decided that the Price Bros. team won the championship in the series at the Chautauqua, recently held at Gladstone Park. The Dilworth Berries, of Portland, protested the last and deciding game, alleging that Berger, who pitched for Price Bros., was a professional and had played with teams in the Coast and Northwest leagues. The decision in favor of the Oregon City team was made reluctantly. The letter of the committee to the assembly closes as follows:

"Mr. Berger, we find, was very superior to the pitcher for whom he was substituted, and had been tried out by Mr. McCredie for one of his teams, but found not qualified for the position.

"Under the contract for this club with the Chautauqua Assembly, which contract was like that of every other club with the association and was therefore known to the other club, Oregon City had a right to substitute Mr. Berger for the disabled pitcher by the strict letter of the contract. For which reason, the protest is disallowed, but we are constrained to state that in view of the fact that these two teams were equally successful up to the time of this game, that the championship of the season depended upon it, and that a pitcher was obtained who was next to a professional, the action of the Price Bros. team substituting this superior pitcher should be condemned and such contract made hereafter with the baseball teams as to make such action impossible."

The Oregon City team was awarded the purse offered by the assembly.

## BARACA CLASS PLANS OUTING AT SPRINGS

The Baraca Class of the Sunday school of the First Baptist church of this city will leave the early part of next week for Austin Hot Springs on the Clackamas River, which are about 80 miles from this city. This place is considered one of the best fishing points in the county, as it is near the headwaters of the Clackamas River. There are about 20 young men in this class, and their teacher, D. C. Latourette, will accompany them. Among those who are contemplating taking this trip are George Ackley, George Edwards, Millard Gillet, Fletcher Miles, Oral Welsh, Ray Welsh, George Ott, Clarence Robl, Clifford Guyonp, and Leo Burdon. The party will remain at Hot Springs about ten days. The party is well organized, and committees have been appointed to arrange for the trip.

## DR. MOUNT'S CASE IS FOUND.

Instrument Stolen From Physician Recovered in Portland. The medicine case belonging to Dr. H. S. Mount, that was stolen from the Weinhard building on the morning of July 4, was recovered by the Portland police. The janitor of the Maclay building found the case on July 5, and thinking it belonged to some one in the building, left it in the hallway. After it had remained there for several days, he carried it to the police station, where it was opened. Dr. Mount was notified Saturday morning, and the case was forwarded to him. The instruments are valued at more than \$50. There is no clue to the identity of the thief.

## SCHOOL BIDS WANTED.

Sealed bids will be received by the Board of Directors of School District No. 43 on August 19 at 8 o'clock P. M. for the improvement of the Mount Pleasant schoolhouse as called for by the plans and specifications in the Clerk's hands, and the Board reserves the right to reject any and all bids.

## BOULEVARD WORK TO START AT ONCE

CLACKAMAS COUNTY TAKES LEAD IN BUILDING CAPITAL HIGHWAY.

## MONEY RAISED TO SURVEY ROUTE

East Side Capital Highway Association Organized at Meeting of Commercial Bodies.

As the result of an enthusiastic meeting of public-spirited citizens held at the headquarters of the Oregon City Commercial Club Wednesday night, Clackamas county has taken the lead in the work incident to the building of the proposed Capital Highway between Portland and Salem. A permanent organization was effected and \$425 was raised for making a preliminary survey of a route and other necessary work.

The name of the organization is the East Side Capital Highway Association, and it will make an aggressive campaign in the interest of the building of the northern section of the highway, which will be through Clackamas county. The meeting was attended by the members of committees representing various commercial bodies, and the chairmen of these committees were named members of the executive committee. Arrangements were made for the latter committee to meet at 9:30 o'clock next Monday morning at the Sellwood Chamber of Commerce to go over proposed routes for the highway and to recommend a choice to the Capital Highway Commission appointed by Governor West. The automobiles to be used on the trip will be furnished by citizens of Oregon City, Canby and Oak Grove.

Kertchen Elected President.

J. F. Kertchen, of Sellwood, was elected temporary chairman of the meeting; M. D. Latourette, of Oregon City, temporary secretary, and Chas. Risley, of Oak Grove, temporary treasurer. They were subsequently made the permanent officers of the association. Addresses were made by the chairmen of each committee, the tenor of each speech being that the highway should be built as soon as possible, and that the public should give its support. The following sums were subscribed for making the preliminary survey of a route:

"Oregon City Commercial Club, \$200; Sellwood Commercial Club, \$25; Oak Grove Push Club, \$50; Jennings Lodge Commercial Club, \$50; Gladstone Push Club, \$25; Mount Pleasant Improvement Club, \$10, and Canby Commercial Club, \$50.

A. N. Wills, of Sellwood, declared that the road could be improved from Oregon City to Sellwood at a cost of \$1,000 a mile. He said that Sellwood would pave the line of the road through that city. Phillip Strieb, of Milwaukie, said that city was spending \$60,000 on the improvement of its streets, and that Front street, which should be the route of the boulevard was one of the thoroughfares to be paved. Charles W. Risley, of Oak Grove, said that town would do everything possible toward the constructing of the highway. He suggested that money be raised by a special tax levy.

Short Route Suggested.

C. P. Morse, of Jennings Lodge, spoke in favor of a straight road through to Oregon City, and said the Clackamas should be bridged near its mouth. He said that a meeting would be held in Jennings Lodge soon to aid the work of building the boulevard. He said the road could be shortened from one mile to one mile and a half by bridging the Clackamas near its mouth. J. M. Warnock spoke in favor of the Mount Pleasant route. George M. Lazelle, of New Era, declared that the highway should follow the South End road. M. J. Lee, of Canby, urged that after the building of the highway a new system be employed in keeping it in repair. He thought that a man should be employed to look after the upkeep of the road.

"The South End road is the most feasible route," said Mr. Lee, "and the hill should be graded considerably. The rock used on the road should be taken from adjacent quarries, and rock should be shipped from these quarries to Marion county for use on the thoroughfare there. Just have it to Canby to take care of the boulevard half way from Canby to New Era and from Canby to Barlow."

Beatie Urges Quick Action.

Dr. A. L. Beatie urged that work be started as soon as possible, and declared that the people would have to build the boulevard. J. B. Carter, of Gladstone, said the most feasible route should be selected without delay, and the best system of road building should be adopted. L. B. Gorham, of Canby, advised immediate action.

Attention was called to a misapprehension regarding the vehicles that will be allowed on the road. It will be for all kinds of traffic, and not just for automobiles and light vehicles as some had supposed. Several of the speakers predicted that many of the farmers, after the completion of the highway would use automobile trucks in transporting their produce to the Oregon City and Portland markets.

Subscriptions Are Asked.

Secretary Latourette said after the meeting that persons wishing to contribute to the fund for making the preliminary survey should give their donations to members of the executive committee. The following attended the meeting: A. L. Beatie, M. J. Lazelle and M. D. Latourette.

## MRS. FRIEL'S BODY IS NOT EXHUMED

CORONER OF MULTNOMAH COUNTY NOT INTERESTED IN CASE.

## AGED RANCHER STILL KEEPS WATCH

Wilson Declares He Will Not Make Investigation Until Evidence Supporting Charge is Produced.

No effort has been made to exhume the body of Mrs. John T. Friel, wife of the aged Cherryville rancher, despite the fact that John T. Friel, Jr., told Deputy Sheriff Miles the disinterment would take place Wednesday. Mr. Friel said that Coroner Norden, of Multnomah county, had been engaged to remove the body and have an analysis of the tissues made, but representatives of that official have denied that he will do any such thing. Mr. Norden, of course, has no jurisdiction in this county, and the removal of the body by him or anyone employed by the children of the elder Mr. Friel would be in contempt of court. Judge Campbell has issued an order restraining anyone except the authorities of this county from exhuming the body.

Coroner Wilson declared Wednesday that he would have the body disinterred if any evidence of foul play was shown. He said that the county would not go to the expense of exhumation and having an examination made unless there was something tangible to work upon.

"Not the slightest evidence has been submitted showing that Mrs. Friel did not die from natural causes," said the coroner. "It is ridiculous to think that I would put the county to a big expense in a case of this kind unless there was at least some reason to believe that a crime had been committed. Of course if evidence of a suspicious nature is produced I shall gladly have the body taken from the grave and a thorough analysis of the tissues made. There must be some evidence of crime before I can consent to make a costly investigation."

Information was received Wednesday night from Cherryville that the elder Friel was still guarding the grave of his first wife despite the restraining order granted by Judge Campbell against several of his children. The second Mrs. Friel, who was the nurse of the woman who died, still insists that the body be exhumed and a complete investigation made for her benefit. She and her husband want the county authorities to superintend the work, but have so far refused to defray the expense.

## STATEHOOD BILL STILL HAS CHANCE

SENATE AND HOUSE COMMITTEES MAY AGREE ON COMPROMISE.

## ANOTHER RESOLUTION PROPOSED

Plan is to Eliminate Recall of Judiciary Which Caused President To Veto First Measure.

WASHINGTON, Aug. 16.—Statehood for Arizona and New Mexico now hinges on the success tomorrow of a proposed attempt of the Senate and House committees to frame jointly a compromise resolution approving their constitutions. If the new resolution to supplant the one vetoed by the President should become a law at this session, both Arizona and New Mexico would be admitted to the Union at once.

"The only advantage that New Mexico can possibly get under the proposed resolution," said Chairman Smith of the Senate territories committee tonight, "is a prompt approval by the present Congress of the Constitution and immediate admission at the end of the next regular session of Congress, which probably will be about June next."

The situation is followed closely by Democrats and Republicans because of the differing political conditions in the two territories.

The Senate committee will meet tomorrow to agree on a program and receive the House committee headed by Chairman Flood. The conference today was held on the assumption that the proposed resolution would provide for the elimination of the judicial recall from the Arizona constitution, thus making the legislation acceptable to the President.

Differences arose as to how the resolution should be worded on this point and in regard to the proposed amendments to the New Mexico constitution relating to the manner of amending that instrument.

Bay Pony Taken Up.

Sheriff Hancock, of Hillsboro, Wednesday notified Sheriff Mass over telephone that a bay pony, weighing about 600 pounds, had been taken up in that city. Sheriff Hancock thought it possible that the pony belonged to someone in the city.

## COURT HOUSE WORKMAN HURT.

William Surfus Knocked Down by Shutter Falling on Him. William Surfus, while assisting in removing bricks at the rear of the Court House, was struck in the chest by one of the heavy iron shutters. He was taken to the office of Drs. C. A. and Meissner, where his injuries were attended to. He will be in bed for several days. The Court House is being enlarged. The accident occurred at the rear of the big vault in the recorder's room.

## Wife Says Husband Left Her.

Mary Mann has filed suit for divorce against James Mann, to whom she was married on January 12, 1903. Mrs. Mann alleges that her husband deserted her November 28, 1907. G. C. Brownell and William Stone are the attorneys for Mrs. Mann.
