Aquatic Sports More Popular This Year Than Ever Before

Photo copyright by American Press Association, 1911.

SWIMMING and other aquatic sports are becoming more popular all over the country, and in regions where there are lakes or rivers and along the sea coast there have been numerous contests this summer in which noted swimmers have taken part. T. H. Robinson of Princeton, who won the 440 yard dash in the intercollegiate contest at Sheephead Bay, doing the distance in 6 minutes 33 seconds, five seconds better than the record, is shown in the foreground. The picture also shows a contestant for high diving honors. In judging this contest the clean manner in which the athlete enters the water is taken into consideration.

Pure Fresh Butter Eggs

Tempting fresh country eggs and pure meadow butter are what you crave for—but often fail to get. It is just as easy for the grocer to give you them as to supply the other kind—it is a question of care in buying.

The grocer who values the good will and future trade of his customer, AS WE VALUE YOURS, selects his butter and eggs with care. WE GUARANTEE every egg sold at this store and we use the pure fresh butter on our own table every day.

Nothing can make you surer than THAT about OUR best in eggs and butter.

OAKS BEAT BEAVERS, 3 TO 2, IN THIRTEENTH

OAKLAND, Aug. 30.—(Special).—Oakland put a spike in Portland's sliding chute toward the pennant to day by winning a thirteen-inning game, 3 to 2. It was sure some game, and Portland should have won. But "The best laid plans of mice and men gang aft agley," etc., etc., etc. However, what did Bobby Burns know about baseball? And that suggests "Shakespeare, he could write a play, but Shakespeare never saw the day, that he could write Boom-Ta-Ra Boom-Te-A." And while the Beavers played good ball today the Oakland aggregation played just a little bit better. It seems that the teams down this way—the Southern teams—are going to do all in their power to beat Portland out of that rag. And why shouldn't they? That's baseball!

The results Wednesday follow: Pacific Coast League—Oakland 3, Portland 2 (13 innings); Vernon 6, Sacramento 5; San Francisco 2, Los Angeles 5. Northwestern League—Spokane 5, Victoria 1; Portland 3, Tacoma 4 (10 innings); Vancouver 4, Seattle 3. National League—Pittsburg 6-0, Boston 4-6; no other games scheduled. American League—Cleveland 4, Washington 3; no other games scheduled.

Table with columns: Pacific Coast, Northwestern, Won, Lost, P.C. Rows include teams like Vernon, Portland, Oakland, San Francisco, Los Angeles, Vancouver, Spokane, Tacoma, Seattle, Portland, Victoria.

Toast--Making

is a culinary Art. There is almost as much difference between the PERFECT TOAST made on a Radiant Toaster, and the imperfect Toast made in tedious, uncertain way, as there is between angel cake and hard tack.

Electric Toast is PERFECT TOAST because the radiant heat forces the absolutely necessary chemical change in the bread. The result is delicious golden Toast that fairly makes the mouth water.

The Radiant Toaster makes THIS kind of Toast as fast as you can eat it—and at the meager fraction of a cent per slice. You can operate this Toaster on the finest damask tablecloth. Its neat porcelain base and cheerful glowing coils add grace and charm to any table.

Humor and Philosophy

By DUNCAN N. SMITH

PERT PARAGRAPHS.

EXPERIENCE is often hard to get, but it is ours all right when we get it. A chance to make good is one thing a boaster isn't looking for. Every thief justifies himself by pointing out a bigger thief. Being honest is all that the most of us can do without garnering any worldly goods at the same time. A good boss is often a poor workman. Talking too much is a habit that doesn't worry a silent man. We speak in an unknown tongue when we talk of our feelings to the person who has injured us. When you can't look out for your own interests without doing damage to others somebody is trespassing. Being slightly insane is the mental diversion of a lot of people. Don't be alarmed when you see a man with a swelled head. It isn't infectious.

TWILIGHT.

Mr. and Mrs. D. L. Boylan have been spending several days in Kelso, Wash., visiting relatives. Mr. Henry Scheer has sold his place to Mrs. Gale, of Hood River. M. J. Lazelle was a Sunday guest of Mr. and Mrs. Joseph Paquet, of Portland. Mr. and Mrs. Wallace Johnson, of Canemah, spent Sunday with their cousin, Thomas Kelland. Mr. and Mrs. A. H. Harvey entertained friends at their home Sunday, from Seattle and Portland. Mrs. Curtis Dodds and Miss Leslie McDonald have returned from an outing at Long Beach. Miss Marie Harvey made a business trip to Portland Friday. A few friends of Thomas Kelland gathered at his home Friday evening in honor of his thirtieth birthday anniversary. A very pleasant time was spent and all went home wishing him many more such happy events.

LOGAN.

Farmers are too busy these days to eat. The hum of the thresher is heard everywhere now. At one time there were four machines in operation here. Mr. Henry Babler sustained a heavy loss while threshing at his place. In some way a load of grain caught fire and in a short time the straw stack separator and one wagon burned also about an acre of grain in shock. N. L. and P. M. Kirchem also came near having a serious blaze. In trying to burn out a hornet's nest and at a time when the hornet's were in control of the situation the blaze got in to the dry leaves and rapidly spread over the hillside below the house. The wind changed and the men soon controlled the fire. Mr. Allan Hutchins has returned from Lower California where he has been for some time. Lower Logan wants a principal for the school as they have a primary teacher. Mrs. C. R. Lewthwaite visited her parents, Mr. and Mrs. M. H. Riebhoff, of this place, last week. Mrs. M. C. Ward who has been confined to her bed about three weeks is getting along nicely and will soon be around again. Portland people are better hungry, the Clear Creek Creamery cannot fill all the orders. W. P. Kirchem is going to establish a cream route from Stafford to get more cream and is spending a few days there now looking the matter up.
