

Anniversary Sale Sept. 20 to 30

IN the month of September, five years ago, the doors of the C C Store were first opened for business. Since that time our business has grown very rapidly. This rapid growth is principally due to the fact that our method of doing business has so far met with the approval of the people---that there are but few families within reasonable distance of Oregon City who do not give at least a part of their business to the C C Store. By the highest of mercantile ideals we have earnestly endeavored to make a friend out of each one of our customers. We trust you are one of our friends and that you will take advantage of the special offerings we are here making. You will find these exceptional values.

If you cannot come in person send us your mail orders and they will receive prompt attention. These prices are good from Sept. 20 to Sept. 30
