## CANADA REJECTS TREATY WITH U. S.

RECIPROCIITY DEFEATED IN ROUT OF LIBERAL GOV. ENMENT AT POLLS.

### CONSERVATIVES HAVE 50 MAJORITY

Early Returns Indicate Disastrous Overthrow of Laurier and His Followers—Foss Effect 139.

MONTREAL, Sept. 21.—The election returns late tonight showed a Conservative majority of 50, as follows: Conservative members elected, 129; Liberal members elected, 79. This is practically complete, amounting for 208 out of 221 members.

The Liberal government of Sir Wilfrid Laurier suffered a disastrous defeat in the Canadian elections. The returns by 9 o'clock showed such heavy Conservative gains that the overthrow of the government was assured and the leading Liberal newspapers conceded the defeat of the Laurier government and the rejection of reciprocity.

By 9:20 tonight the returns showed the Conservative members elected, or only two short of a majority, with the tide turning strong for large additional gains.

This comes in the face of the confident hope of the government that it would be sustained in the paramount issue if had made of reciprocity between Canada and the United States. Seven members of the Laurier Ministry were defeated members represented in the earlier returns of the evening, with other Liberal Ministers still in doubt, and the current strong against them. Sir Wilfrid Laurier is elected in Quebec East, as the seat had not been contested.

The returns up to 9:20 showed 74 Liberals and 110 Opposition members elected, with a net Opposition gain of 17.

As early as 8:45 o'clock, the Toronto Globe, leading Liberal organ, conceded the defeat of the Liberal government. Its summary was: Conservative, 94; Liberals, 65; Conservative gain, 40; Liberal gain, 11.

## BIG CROWD ATTENDS FAIR AT MILWAUKIE

Governor West and George C. Brownell will deliver addresses at the Milwaukee Fair this evening. The fair opened yesterday, with the finest exhibition in the history of the range. The attendance was large. A larger crowd is expected today.

## FINAL TRIBUTE PAID EBENEZER WARNER

The funeral services over the remains of the late Ebenezer Warner were conducted from the Holman undertaking parlors Thursday afternoon at 2:30 o'clock, Rev. J. R. Landsborough, pastor of the Presbyterian church, officiating. The interment was in the Mountain View Cemetery, where a brief service was held. "Asleep in Jesus" was rendered by Mrs. Leon DeLarosa and Mrs. A. G. Frost. The floral offerings were beautiful. The pallbearers were F. A. White, W. A. White, Fred Ely, J. L. Swafford, F. M. Darling and John J. Gillett. Funeral services were held at Medford, where Mr. Warner died. Many of the friends of Mr. Warner attended the services held in Medford and in this city.

Justice Marry Couple. Justice of the Peace Samson officiated Thursday at the marriage of Katie Curran and Grover C. Heiple.

### THEY WON'T RUN!

The collars in the very stylish MANHATTAN Shirts we are showing this season are just like the messenger boy—they won't run.

We are showing a very large variety of the Manhattan Shirts and you know there is none better.

As a reminder you don't want to fail to look over our splendid showing of L. System and Clothcraft Suits and Overcoats at

\$12.50 to \$35

Price Brothers

EXCLUSIVE CLOTHIERS Not Like Others, 6th and Main Sts.

### SPEAKING OF HIGH FLIGHTS.

## CONTESTANT FIGHTS FOR PRIZE IN COURT

Justice of the Peace Samson Thursday heard the evidence in the case of Nellie May Wizenreid against W. A. Thomas, proprietor of the Milwaukee Appeal, and will render a decision next Wednesday. Miss Wizenreid, alleges that she was the winner of first prize in a voting contest conducted by Mr. Thomas and is suing for \$150. Mr. Thomas denies that the plaintiff was the winner of the first prize. He said the judges at the time set for making their decision awarded first prize to Miss Dora Davis, of Portland. Later in the day, however, the judges met again and decided that Miss Wizenreid was the winner. In the meantime, it was alleged she received more votes through an order sent from San Francisco. Mr. Thomas declared that after the judges decided Miss Davis was winner of the first prize he gave her a check for the money. George C. Brownell represented the plaintiff.

SAYS WIFE LEFT HIM. Carl Nebel Thursday filed suit for divorce from Martha Nebel, alleging that she abandoned him. They were married in New York, December 3, 1905. The defendant lives in Leipzig.

Three Couples Get Licenses. Marriage licenses were issued to the following Thursday: Helen G. Clayton and Edward P. Slater; Joseph E. Nash and F. E. Brown; Myrtle Bon Jurant and Leo Goetsch, and Kate Curran and Grover C. Heiple.

HODES SELLS SALOON. William Tradell, formerly of Detroit, Mich., has purchased the saloon of Charles Hodes in the Gambrius building.

## MAN LOSES REASON ON TRAIN; LOCKED UP

A maniac, whose name is thought to be David Lovett, was taken from a Southern Pacific passenger train here at 5 o'clock Thursday afternoon by Deputy Sheriff Miles. It is thought that the man lost his reason just before the train, which was north-bound, reached this city. Several passengers said that he appeared to be perfectly sane when he boarded the train. He was well dressed, and is apparently in good circumstances. He was taken to the county jail and an investigation will be made today.

## NORMAN LANG WINS SUNDAY SCHOOL PRIZE

Many anxious children were at St. Paul's church Thursday night to learn the results of their Sunday school examinations. At the beginning of the summer special prizes were offered for the best essay, embodying certain specific answers on "The Church." Most of the essays showed careful work and the many "grown-ups" who were present were astonished at the amount of information their children had gathered during the summer. The prize winners were as follows: First prize for boy, gold medal, Norman Lang. Second prize, silver medal, Farquhar Healy. Third prize, silver medal, Kenneth Dawson. First prize for girls, gold medal, Rhoda Dawson. Second and third prizes, Margaret Beattie and Lillian Harris. The last two papers were considered equally good.

## MAYOR DECLARES HOLIDAY FOR FAIR

In order to insure as large an attendance as possible at the Clackamas County Fair on Friday, September 29, which has been designated as "Oregon City," Mayor George C. Brownell has issued the following proclamation:

WHEREAS, The Clackamas County Fair to be held at Canby, Oregon, on September 27, 28, 29 and 30, 1911, is of great interest to the agricultural, horticultural and live stock interests as a means whereby such people meet and compare their respective products and thereby learn to produce more and better of such products, and

WHEREAS, Such fair is also of great interest to the people of Oregon City and of Clackamas county as an educational and advertising medium and should be encouraged as far as possible by Oregon City and Clackamas county generally, and

WHEREAS, Friday, September 29, 1911, has been designated by the management of said fair as "Oregon City Day" and a special train will run from Oregon City to Canby on said date, now

THEREFORE, I George C. Brownell, Mayor of Oregon City, Oregon, in order to encourage said fair and to give the people of Oregon City an opportunity to visit the same, do hereby request the people to consider and proclaim Friday, September 29, 1911, a public holiday and hereby request and urge that all business houses in Oregon City be closed all day on said day and I respectfully urge and request all citizens of Oregon City as far as possible to attend said fair at Canby on said date.

GEO. C. BROWNELL, Mayor of Oregon City, Or.

## CANAL ROUTE IS THROUGH BIG MILL

WATER POWER OF CROWN COMPANY WILL BE DESTROYED, IT IS ALLEGED.

### ESTIMATES OF DAMAGES TO BE BIG

Hawley Pulp & Paper Company Plant Will Be Seriously Affected—East Side Mills Also Will Suffer.

PORTLAND, Sept. 21.—(Special.)—The new and third plan of the government engineers provides for a canal which goes through the Crown Columbia Pulp & Paper Company building and incidentally cuts its water power into smithereens. Beginning at a point of the falls and continuing for a distance of nearly 2,000 feet up stream, two concrete cribbing walls, eleven feet above low water mark, are to be constructed. These two walls divide the river flow and practically annihilate the water power now obtained from the basin by the Hawley Pulp & Paper Company; this, too, without considering the lessening of a new canal. It is estimated by engineers that the construction of a canal on the east side will reduce the high water power of Oregon City 100 per cent. In other words, the new east side canal (apart from the effect of the proposed concrete wall running up the stream in the river) will obstruct the stream flow which now goes into the basin and from which water power is created. It is this feature which alarms the stockholders of the Hawley Pulp & Paper Company the Crown Columbia Pulp & Paper Company the Oregon Manufacturing Company and even the mills across the river.

### Water Power Would Be Hurt.

Practical hydro-electric engineers assert that the construction of the latest planned canal will more effectively do harm to Oregon City water power than either one of the other two plans on the east side both of which hugged the shore line in the basin permitting the head-race to run as in the past though diminished in force.

The veriest novice in water power development can see that to place two high concrete walls in the middle of the stream for 2000 feet and then angle towards the shore line it will materially affect the water distribution. Even the pumping plant of Oregon City will be put out to a considerable extent by the change which will follow the building of the concrete walls so as to make a special channel for the canal flow.

Just what estimate will be made for damages by the affected property-owners is problematical. That is a matter for the owners to determine. That it will be no small figure is readily believable. Take the Hawley Pulp & Paper Company plant. The proposed canal will be so constructed that all connection between Mill A and the other plants is destroyed. To what inconvenience this will put the company will require a careful study to determine but it is apparent that it will almost wipe out one of the chief features in connection with the economical operation of the property—a very vital factor.

Crown Company Would Suffer. The same is equally true as to the Crown Columbia Pulp & Paper Company. The canal is bound to so disturb the operation of the east

(Continued on Page 2.)

## DISTURBERS OF PLAY TO BE TRIED

TWELVE YOUNG MEN CHARGED WITH BOISTEROUS CONDUCT AT OPERA HOUSE.

### INTENTIONAL DISORDER IS DENIED

Policeman Declares He Warned Offenders To Keep Quiet But They Paid No Attention To What He Said.

Chief of Police Shaw Thursday served warrants on twelve well known young men of this city, charging them with causing a disturbance at the Shively Opera House during the performance of a comedy by the Franklin Stock Company Wednesday night. They will be given a hearing by Recorder Stipp at 10 o'clock this morning. The young men are Fred Yoder, Albert Estes, W. Caulfield, W. M. Nichols, Milton Nobel, Walter Elliott, Ed Quinn, George Roppel, Chris Michaels, Kent Wilson, R. O'Neal and George Schwartz.

It is charged that the defendants caused much confusion at the performance at the Opera House Monday and Tuesday evening, and Wednesday evening became so boisterous that the management called in Police man Frost. Mr. Frost says he asked the young men to keep quiet, but they paid little attention to him, and he called Policeman Cook. The young men then left the playhouse, the policemen taking the names of those they thought committed the alleged nuisance.

Several of the defendants admit that they applauded the actors, and whistled once or twice, but deny that they had any intention of doing wrong. The specific charge against them is, "Disturbing the peace and quiet at a public performance in Shively's Opera House in a riotous and disorderly manner."

## HUNTERS AND BRUIN PLAY HIDE-AND-SEEK

A. H. Heater and O. A. Pace, who recently left for the headwaters of the Molalla River on a hunting trip, were heard from Thursday. Mr. Pace telephoned to the Reddaway store that they had seen a big black bear. The men started early Thursday morning with their guns loaded for bear and with their faithful dog. The men had become separated, and Heater was the first to see the bear. At first he was brave, and started for the animal, Pace who was in the rear not knowing of his companion's find. Heater started after Bruin, but the animal was too sharp and hid behind a log, and Heater passed along, not knowing that Bruin was on the lookout. Heater again caught a glimpse of the bear and started for the creek, and by this time the dog with Pace had got busy and proceeded to hunt the animal. Heater, before crossing the stream, threw away his gun. After crossing the stream he called to Pace to throw him his gun so he could shoot the bear. Pace was trembling with fear and not having the strength to do as his friend had requested, the bear made good use of this time and escaped from the "brave" hunters. The men have decided to take up the hunt again for the bear, and as they have a large supply of ammunition on hand, the friends and families of the hunters will no doubt enjoy some bear or beef meat, providing the beef is near at hand.

## HORSES ENGAGED TO RACE AT FAIR

RUNNERS, TROTTERS AND PACERS ARE ARRIVING AT CANBY GROUNDS.

### SHAM BATTLE TO THRILL CROWD

Biggest Attendance In History of Association Expected Oregon City Day—Big Milk Test Planned.

From all indications the fifth annual county fair to be held at the Clackamas County Fair grounds at Canby, September 27, 28, 29, 30, will be the most successful ever held by the association, and there is no doubt that there will be thousands of visitors to see what can be produced in this county. The pavilion will be gaily decorated with bright-colored streamers, the work to be under the direction of a professional decorator, and the building will be a most attractive sight with its large display of fruits, vegetables, flowers and exhibits of firms of this city, as well as from several other cities, including Portland, Multnomah county and Marion county will be represented at the fair, and many persons from these counties are planning to attend.

Ed Fortune, of this city, who will be starter of the automobile and motorcycle races, is in Eugene, where he is securing some of the best racers that are taking part in the races at the fair there this week, and M. J. Lazelle, secretary of the Clackamas County Fair, will go to Gresham today to attend the Multnomah County Fair. He will secure some of the best horses there. There will be no pains spared to have the horse races among the chief attractions. Already some of the horses are arriving on the grounds, among them being Haltom, owned by William Vaughan, which is considered one of the fastest pacers in the state. Peter Cook, of Salem, will have several horses at the fair. Charles Wait, of Canby, will be race clerk, and Albert Prati, one of the well-known horsemen of the state, whose home is at Aurora, will be official time-keeper.

### Racing To Be Fine.

The important horse races scheduled are as follows:

Wednesday, 2:15 pace, for \$150; trotting, 2:25 class, \$100; pony race, half mile, \$10.

Thursday, 2:20 trot, \$150; pacing, 2:16 class, \$100; pony race, half mile, \$10.

Friday, trotting, 2:18 class, \$100; pacing, 2:25 class, \$100; running, mile, \$50; free for all pace, \$250.

Saturday, trotting, 2:15 class, \$100; pacing, 2:25 class, \$100; running, one mile, \$25 for all trot, \$250.

There will be a running race every day. On Friday there will be a trotting race, 2:20 class, for a purse of \$500, and on Saturday there will be a pacing race, 2:15 class, for a purse of \$500. Oregon City Day is to be replete with attractions, and no doubt the program arranged for that day will be a big drawing card. There will be a sham battle between Company I of Woodburn, and Company G, of this city. These two companies are well drilled, and there is no doubt but there will be great excitement prevailing during the "fight." It will be held about 11 o'clock, and there also will be a competitive drill for gold medals. At 10:30 there will be a horse parade on the race track, this to be shortly after the arrival of the Oregon City delegation. The judging of the livestock, poultry and the booths and exhibits in the pavilion will also take place in the morning.

### "Scotch Day" Thursday.

On Thursday the Scotch people will have full sway, and the program being arranged by Major C. S. Noble is replete with interesting features, among them being sword dances, Scotch dances, Scotch songs, bagpipe selections. A program will be given at first on the platform near the grove, after which the Scotch athletes will be given between the race heats on the platform that will be constructed for that purpose.

A track meet will be held Saturday morning. Gold medals will be awarded for 100-yard dash, 200-yard dash, 400-yard dash, running broad jump, pole vault, hammer throw, shotput, 12-pound, high jump, patona race, and one-half mile race, one-half mile bicycle race.

The baby show will be among the attractions Saturday, and there is no doubt Roosevelt would be delighted if he could visit the fair that day and see the lineup of babies. Mr. Lazelle has been besieged with application blanks from proud parents, who are to have their children enter for prizes. Last year the baby show proved a decided success. More than 100 children were entered. Mrs. A. J. Lewis will have charge of this department this year. Automobile races are on the program for each afternoon during the fair.

### Expert Riders Engaged.

M. J. Lazelle closed a deal with the A. West Exhibition Horseback riders. The program will consist of breaking the wildest horses, and persons having horses they wish broken for the saddle are urged to bring them to the fair. There will be no charge for the breaking them. Trick roping, broncho acts and lassoing are also among the features. Mrs. West, wife of A. West, is familiar with all kinds of horses, and her rope throwing has attracted wide attention. She is able to ride any kind of a
