## LAW'S DELAY IS SCORED BY TAFT

### EXECUTIVE, IN ST. LOUIS, SAYS JUDGES SHOULD BE RESPONSIBLE.

## RECALL DANGEROUS, HE DECLARES

### President Has Strenuous Day in Missouri Metropolis—Goes To Baseball Game And Plays Golf.

ST. LOUIS, Sept. 23.—During a moderately busy day here today, President Taft made six speeches, took a forty-mile automobile ride, opened the local football season by tossing the pigskin into the gridiron at St. Louis University, laid the cornerstone of a new Y. W. C. A. building, saw through the intrigues of exciting baseball between the St. Louis and Philadelphia National League teams, visited the Masonic Club to be made a life member of that organization and, after addressing a throng in the Coliseum tonight, had nothing to do but travel all night in order to be in the largest state of Kansas tomorrow.

On the eve of entering this reputed battle territory President Taft sought forward the suggestion of a rider power of impeachment as a substitute for the more radical proposal of a judicial recall.

The President declared that the law's delay was unquestionably one of the great causes of unrest in this country and said that undoubtedly the recall idea had grown out of the fact that the courts in many instances were not performing the functions that they should.

Judges should be made more responsible, the President declared. There should be judicial procedure, a proper hearing, rather than public clamor. Taft declared that the delay in administering justice in this country would bring the blush of shame to all good Americans and that the courts of this country made a very poor showing in comparison with those of England, where the judges keep up with their dockets and where criminals find swift punishment awaiting them.

The President spoke with a great deal of earnestness on the subject of reform in judicial procedure. The speech on this subject was entirely spontaneous and followed the conclusion of a luncheon at the City Club. The president's set speech of the day was on the creation, the work and the purpose of the tariff board.

## SLAYER OF RUSSIAN PREMIER TO HANG

Kieff, Russia, Sept. 23. (Special)—An announcement is made here today that Dimitri Boroff, who shot Premier Stolypin in the municipal theatre here a week ago, was tried by court martial and sentenced to be hanged. The funeral of Stolypin was held yesterday when the entire city was in mourning.

### REV. HAYWORTH TO LECTURE.

The Rev. S. A. Hayworth, pastor of the First Baptist Church, who is delivering a series of lectures at the church will preach this evening on "Damon and Pythias, or the Divinity of Human Friendships."

### Willamette Club to Give Dance.

The Willamette Club will give a dancing party at the Busch hall October 5. This will be for the club members and a few friends, and there will be no admission charged. There was enough money left from the four dances last winter to give this dance.

## THEY WON'T RUN!

The collars in the very stylish MANHATTAN shirts we are showing this season are just like the messenger boy—they won't run.

## VICTIM OF RAILWAY ACCIDENT FILES SUIT

Patrick Harris, through his attorneys Brownell & Stone, filed suit Saturday against the Portland Railway Light & Power Company for \$2,000 damages for personal injuries. Harris alleges that he was seriously injured by a train at Gladstone August 17 last. He says he was driving a team across the railroad tracks when the train bore down upon him. The plaintiff alleges that his left knee was injured, one of his ribs was broken and he was seriously bruised.

## RIDER RISKS LIFE STOPPING RUNAWAY

William Wallace, of Highland, was in this city Saturday and was preparing to leave for his home when his horse became frightened and started to run away while Mr. Wallace was in the act of getting into the wagon. The horses ran down Main Street and while passing in front of the Beaver building, George Rider seized the reins of one of the animals. He was dragged a short distance. Mr. Rider's heroic act elicited much praise from witnesses. The horses were returned to the owner by David Williams.

## ARTILLERY MAY TAKE OVER LOCAL COMPANY

According to Captain Charles Hidy, commanding company G, Third Infantry of the Oregon National Guard of this city, it is to lose its identity as an infantry company, and be no longer a part of the third Oregon regiment. The reason for this will be the transfer of the company to another arm of the service.

For some time, there has been a desire on the part of the National Guard officers to organize coast artillery companies among the citizen soldiers, and ever since the movement was launched, Captain Hidy has been anxious to take up this arm. During the past two years he has talked of such a change with the men of his company, and since they attended the encampment at Columbia Beach this year, and were given an opportunity to see the men at Fort Stevens handle the big guns, the majority of them share the same view as their commander.

If the change is made, and it is believed that it will be before long, the militiamen, as soon as they discard their white stripes and chevrons for the red insignia, will take up the theoretical part of the manipulation of the disappearing guns and do as much work as is possible with especially designed instruments in an armory. During the summer they will hold their annual encampments at Fort Stevens, or some other coast artillery post, where they will take charge of a battery. The infantry drill will still be kept up, as in time of war.

## WAR VETERANS TO HONOR DEAD COMRADE

The funeral services over the remains of Julius E. Freytag, who died at St. Vincent's Hospital in Portland Thursday evening will be conducted at the Congregational church this afternoon at 2 o'clock instead of at the Holman undertaking parlors as was announced. Rev. E. S. B. Winger, pastor of the Highland Congregational church of Portland, will officiate.

## MILWAUKIE FAIR CLOSES WITH BALL

The Grange Fair at Milwaukie Thursday evening with a small attendance. Professor Pratt of the Oregon Agricultural College delivered a fine address. The concert by the Milwaukie band was excellent. The display of vegetables was fine and shows what can be grown in Clackamas county around Milwaukie. The baby show was a big success and the names of the winners will appear later. Friday evening a grand band concert was given by the Oak Grove Girls' band. More than 300 persons were present. One enthusiastic man threw the band money, and Mayor George C. Brownell gave a fine address. A large number of Oak Grove persons attended the Fair Friday evening. The park was well lighted and the grounds were beautiful. The fair closed Saturday night with a grand ball and new works.

### Maple Lane School Opens.

The Maple Lane school opened on Monday morning with forty-one pupils in attendance, and Professor T. J. Gill as teacher. The grades range from the first to the eighth. Professor Gill taught for two years in the Canby public school, and has had many years of experience as a teacher.

## INCORPORATION OF TOWN IS ATTACKED

### JAMES DOWNEY SAYS VOTES IN WILLAMETTE WERE NOT CANVASSED.

## OFFICIALS ACCUSED OF NEGLIGENCE

### Electors Charged With Not Filing in County Returns of Election or Any Data Regarding It.

The incorporation of the town of Willamette is likely to be declared void on account of the alleged negligent manner in which the town was incorporated if the charges in the answer filed by James Downey and written through their attorneys Dimick & Dimick are substantiated. The law governing the incorporation of towns and cities under the initiative has not been followed in the incorporation of the Town of Willamette as alleged in defendants' answer. Section 3208 of Lord's Oregon laws provide among other things that when a petition is filed in the County Court for the incorporation of a municipality the Court shall by order set the date for the election, and at the election the qualified electors residing within the proposed boundaries shall vote upon the question for incorporation, or against incorporation, and on the first Wednesday of the next term of the County Court after the election the County Court shall proceed to canvass the vote cast thereat, and if, upon such canvass, it appears that a majority of the votes cast are in favor of incorporation the Court shall enter an order upon its minutes and declare such territory incorporated as a municipal corporation under the name and style of the city or town as the case may be, (naming it) and shall also declare the persons receiving respectively the highest number of votes for such several offices to be duly elected as such officers.

Said County Court shall also cause a copy of such order duly certified to be filed in the office of the Secretary of State, and on and after the date of such filing such incorporation shall be deemed complete.

From a careful examination of the County Court Journal it seems that the incorporators of the Town of Willamette failed to have the votes for and against the incorporation canvassed by the County Court, or to have any order made declaring the result of the election, and the answer filed by the defendants contained the following allegation:

"That thereafter the said T. J. Gary and the other petitioners above mentioned and all of the qualified electors residing within said proposed boundaries abandoned the incorporation of said Town of Willamette, and after said 2nd day of March, 1908, the date fixed by said order upon which to hold said election, the said electors residing within said proposed boundaries as hereinbefore alleged, failed, neglected and refused to file in said County Court, or with the Clerk of said County any return of said election or any transcript therefrom, or any data, information or otherwise, pertaining to said election if any there was, had within said proposed boundaries on said 2nd day of March, 1908 or thereafter, and by reason whereof said County Court never at any time, on or after the first Wednesday of the next regular term of said County Court after said date upon which said election was ordered or at all, proceeded to canvass the vote cast thereat in order to determine whether a majority of said electors were in favor of incorporation or against incorporation, nor did the said County Court ever enter an order upon its minutes declaring the territory described in plaintiff's complaint duly incorporated."

## LORD KNOLLYS.

Private Secretary to King George Expected to Retire.

## MRS. CARLEY HEARS HUSBAND IS KILLED

Mrs. George Carley, who is connected with the Farmers' Society of Equity, and whose headquarters are in this city, was called to Portland Friday in response to a telephone message that a man, who answers the description of her husband, had been killed by a train near Tacoma. The body will be taken to Portland today. Mr. Carley had relatives in San Francisco and in Eastern cities and they will be communicated with by Mrs. Carley if the victim of the accident is her husband. Mr. Carley has been working at the Astoria Centennial.

## RACES WILL THRILL COUNTY FAIR PATRONS

M. J. Lazelle, secretary of the Clackamas County Fair Association, who went to Gresham Friday to attend the fair there, returned to Oregon City Saturday night. Mr. Lazelle obtained about twenty more horses for the coming Clackamas County Fair to be held at Canby next Wednesday, Thursday, Friday and Saturday. He also arranged with the management for several sideshows. Ed. Fortune has returned from Eugene where he obtained twenty racers for the Clackamas County Fair. There is no doubt that the horse races, automobile races and motorcycle races will be among the main drawing cards this year. Great activity is already seen on the fair grounds, and booths are being constructed by exhibitors. The room under the grandstand, where the ladies of the Methodist church of Canby will serve meals, is being thoroughly renovated.

## VALUABLE HORSE STOLEN.

The police authorities of Canby telephoned a Policeman Frost Saturday night that a valuable horse had been stolen in that city and that the thief had probably come to this city. A buckboard also was stolen. No trace of the thief was found here.

## PRICE OF RAILROAD STOCK TO DOUBLE

### DIRECTORS OF THE CLACKAMAS SOUTHERN WILL MAKE ADVANCE OF \$50 A SHARE.

## TRESTLE HERE TO BE BUILT AT ONCE

### Promoters Declare Railroad Will Be in Operation to Beaver Creek By the First of January.

The management of the Clackamas Southern Railway Company will next Monday evening, pursuant to a resolution adopted by the board of directors, increase all stock sold by the company from \$50 to \$100 per share. This increase is to be made for the reason that sufficient subscriptions have been received to more than insure the completion of the grade and bridges from Oregon City to Molalla. During the last week some of Clackamas County's best business men have made liberal subscriptions for the capital stock without solicitation as a matter of investment only, and it seems to be the universal opinion that the investment is one of the best that has ever presented itself to the people of this county. One of the best railroad men in the state has just completed a tour of the territory traversed by the Clackamas Southern, and while he has no interest in the road, he made the statement that he was amazed at the possibilities awaiting the completion of the road. He further stated that in two days he saw more tonnage awaiting to be transported to market than the Clackamas Southern could handle in twenty years.

The trestle from the Southern Pacific tracks to the edge of the hill will be completed within the next two weeks and the track will be immediately laid from the Southern Pacific tracks to the Newell Creek canyon, and as soon as the bridge over the Newell Creek canyon is completed the track will be immediately laid to Beaver Creek, and the directors have every assurance that the road will be in active operation from Oregon City to Beaver Creek by January 1.

The directors of the company have done a great work in taking up this matter in its infancy and in moulding public sentiment in favor of the construction of this line that has been attempted by Oregon City people and others for more than twenty-five years. A majority of the directors have been engaged in business in Clackamas County for almost a quarter of a century and their business judgment is respected, and in all of their meetings held in the county and also in this city, they have assured all of those who have subscribed to the capital stock that the building of this line was feasible and could be accomplished by the residents of the county if they would lay aside their petty jealousies and work together, and it is very evident from the large number of subscriptions that have been received that the people now are determined to build the road. It is conceded by all that this road is a necessity and that the investment presented by the board of directors is a good one.

The company will receive subscriptions for stock at \$50 a share until Monday evening at 6 o'clock.
