BEAVERS SAVED BY SKILLFUL PLAYING

PORTLAND, Sept. 27.—(Special.)—Portland made four errors and only three hits today, but won from San Francisco, 2 to 1. Seaton and Browning were in fine form, the former allowing only two more hits than the other moundman. The game was hard fought from start to finish. San Francisco garnered one in the seventh and things looked a little bad for the home boys. But they came right back with two and the game was theirs.

The results Wednesday follow: Pacific Coast league—Portland—2; San Francisco 1; Vernon 3, Los Angeles 1; Oakland 14, Sacramento 0. Northwestern league—Spokane 8, Portland 4; Seattle 7, Tacoma 6; Vancouver 7, Victoria 1. American league—Cleveland 7, Philadelphia 4; Detroit 7, Washington 5; Chicago 3, Boston 0; New York-St. Louis game postponed; rain. National league—Chicago 8, New York 0; Cincinnati 3, Boston 4; Brooklyn 4, St. Louis 3; Pittsburgh-Philadelphia game postponed; rain.

A Nose For Snuff.

The Scotch are great users of snuff. It was a Scotchman who once asked a big nosed stranger if he took snuff and, receiving a negative reply, remarked: "What a pity! You have such a grand accommodation."

EXHIBITS AMAZE AT COUNTY FAIR

stance of 35 feet 5 inches. Andrew Mathew of Portland won second in this event. Mr. Owen also won the long jump, distance 15 feet 9 inches. John Leslie was second, distance 14 feet 11 inches.

The half mile sprint proved to be one of the most popular events, calling out seven entries. Leslie was first in 2:45. W. W. Rutherford of Portland was second and William Bicham took third place. The Scotch program had to be cut because of the absence of the piano necessary for the musicians. In the afternoon an exhibition of dancing was given on the judges' stand in front of the grandstand. During all the evenings Piper John Smith, of Portland, was the central figure. The dances were in costume and an appreciative audience encircled the young women repeatedly. The sword dance, most picturesque and difficult of the Scotch dances, was given by Miss Annie Williamson of Portland. The Highland Fling and Highland Reels were beautifully given by Misses Jessie and Aggie Pottage, and the Highland Fling was given by Miss Marie Watson. Later in the afternoon the same dancers gave an impromptu program on the platform in the grove.

Racing Pleases Crowd.

The race meet in the afternoon brought out a large crowd. The only event on the program for Wednesday was a free for all pace, and the only entries were Haltamont, owned by Billy Vaughn, and Lou Miller, owned and driven by Coy Haltamont. The first heat in 2:18 and the second in 2:18 1/4. At the finish of the first half mile lap of the first heat the horses were neck and neck and the finish of the first heat was close. In the second heat Haltamont pulled away from Lou Miller and held a good lead all the way. Cox had difficulty in holding Lou to the fence and was unable to reach Haltamont out, so had to keep on the longer stretch.

Immediately after the race Chester Elliott and Mort Park of the Elliott & Park garage in Oregon City gave an exhibition race against time with a Ford racer. Early in the afternoon Elliott, who was to have driven the car, had a finger cut off while working on another machine. Park took his place and drove in excellent form for not having trained for the event. Today the same auto will run a race with a motorcycle. Willard Cheney will drive the motorcycle.

The program for today is an exceptionally good one. At 10 a. m. the judging of the livestock on exhibition will take place. At 11 o'clock there is to be a tug of war between teams from different parts of the county. There will also be other athletic events, in charge of Major Noble.

The races today begin at 1 o'clock. The principal event will be the 2:20 trot. There are four entries in this event. The horses entered are: Red Skin, chestnut gelding entered by C. H. Lohmire; Falmouth Jr., brown horse, entered by Fred Woodcock; Floradora Z., brown mare, entered by E. Tilden, and Almaden D., black gelding entered by J. Smith. Red Skin and Falmouth Jr. seem to be the favorites.

The second event for the afternoon will be a half mile dash. Entries were to have closed at 6 p. m. Wednesday, but as not enough had been entered the entries were held open. There will probably be a special event Friday afternoon for the benefit of the big crowds that will be out on Oregon City day.

The closing attraction for Thursday will be the auto-motorcycle race. Between heats of the horse and gas machine races A. A. West, broncho buster, will give exhibitions of his art. The Oak Grove girls' band will play both afternoon and evening in the grandstand and the pavilion, and there is to be a dance in the Canby hall under the auspices of the band Thursday evening.

The milk cow contest at the Clackamas county fair has been made one of the leading features by the fair management and as a result seven cows, five Jerseys, one Red Fall and one Guernsey, are entered in a two days' contest to see which can produce the most food value in the two days. M. S. Shrock has charge of this department and he figures out the results of each milking and posts the same on a large bulletin in the main pavilion. To the dairyman this contest is as interesting as a horse race, watching each heat of the contest to see which is in the lead.

MAKE LIFE A HEAVEN.
If heaven has not begun for you, already it is idle for you to be looking forward to some future day in some distant place when it will begin. And the discontent, the unrest, the envy, the jealousy, the bitterness, the groveling mind, the perverse will, the unsocial temper—if these are your present experiences they have only to continue and become chronic to make a hell more dread than Milton ever painted.—Washington Gladden.

Third, the drawing must be brought in by yourself and handed in at our Shoe Department. (An exception will be made for those children who through sickness or misfortune cannot come in person.)

Contest Closes Nov. 28, 1911

and on or before that date all of your drawings must be presented. You can bring them in as much earlier as you like. The prizes will be awarded three weeks later, as the committee will require this amount of time to select the best.

Now all you boys and girls, let's see how well you can draw. Make a picture of the RED GOOSE and bring it in as soon as you have it finished. And come in and see the big RED GOOSE Exhibition. This is something every boy and girl should see.

We Give Service We Give Service "Tea and Toast"

There's something quaint about the mere suggestion; there are traditions behind it that hark back to a less strenuous age; to an age when the dear old ladies met at the weekly sewing circle to coin nice ripe gossip, and sip tea and eat Toast.

As a universal institution the sewing circle is now a memory, but "Tea and Toast" is more popular than ever.

This popularity is largely due to the invention of the Electric Radiant Toaster. This attractive little device makes Toast scientifically, for its radiant heat forces the absolutely necessary chemical change in the bread. This means Perfect Toast in any degree that suits your individual taste. And it will surprise you to know that the net cost is the merest fraction of a cent per slice. Also that it makes Toast faster than the average family can eat it.

Entirely aside from these vital features—utility, speed and economy—there is a genuine charm in operating the Electric Radiant Toaster. The soothing glow of the coils on a neat porcelain base creates a snug and cheerful atmosphere.

The Electric Radiant Toaster is a unique ornament wherever it is used—on the finest polished table, or on the finest damask table cloth.
