STRIKEBREAKERS ATTACKED ON TRAIN AS THEY ARRIVE IN NEW ORLEANS.

GOVERNOR SUGGESTS ARBITRATION

Attempt Of Illinois Central To Transfer Workers Fails—Two Outbreaks In One Afternoon.

NEW ORLEANS, Oct. 5.—The first violence experienced here in connection with the strike of the shippers of the Harriman lines came this afternoon when strikebreakers, imported to work in the Southern Pacific shops, were attacked by a mob of 500 persons.

The train had just pulled into the yards, several shots were fired from the coaches, but no one was struck. Several arrests were made on the train.

When the officers left the train with their prisoners, the mob attacked the latter with clubs. A reserve squad of police restored order. Half a dozen strikebreakers were severely beaten.

Another outbreak occurred this afternoon near the Illinois Central strikebreakers' quarters when the company attempted to transfer a coachload of men to the Stuyvesant street yards. The coach was attacked by strike sympathizers. Car windows were broken but no one is believed to have been hurt.

The attempt to transfer the men was abandoned.

Arbitration as a means of settling the difficulties between the Illinois Central and its ship employees has been suggested by Governor Noel, of Mississippi, to President Markham of the road.

Judge Burns, in the United States Circuit Court at Houston, Tex., today granted a temporary injunction against the officers and all members of the five federated crafts now on strike on the Harriman lines at Houston and Galveston. The injunction restrains the union men from interfering with the company's business.

MAY CURTAIL HOLIDAYS DESPITE TEACHERS

It was declared Thursday that the defeat by the Clackamas county teachers at the institute held in this city, of a resolution designed to keep the schools open on Columbus day, Washington's Birthday and Decoration Day would not put an end to the movement. The resolution was endorsed by State Superintendent Alderman, County Superintendent Gary, City Superintendent Toose and other noted educators. The resolution provided that appropriate patriotic exercises be held on these holidays at the schools. The teachers, of course, have no power to attach, clock and jewelry work. I guarantee every piece of work I do and stand back of my guarantee. If your clock is out of order I will call for it and deliver it when finished.

Announcement

I have opened a fully equipped watch and jewelry repair shop in the Main Building and am prepared to do all kinds of watch, clock and jewelry work. I guarantee every piece of work I do and stand back of my guarantee. If your clock is out of order I will call for it and deliver it when finished.

WOMAN, TOSSED BY COW, SERIOUSLY HURT

Mrs. P. H. Estberg, who lives near Willamette, was seriously injured at her home Wednesday by being hooped by a young cow. Mrs. Estberg, who is sixty-three years of age, had raised the cow, and recently sold it to a neighbor. Mrs. Estberg was depositing a letter in a mailbox, having just passed through an enclosure, where the cow was grazing, when the animal started after her. Mrs. Estberg was attacked by the infuriated animal, and was thrown about ten feet into a corner of a fence. She screamed, and Mr. Ek, who was working a short distance away, ran to the woman's rescue, and assisted her to her home. Dr. H. S. Mowat was summoned. Mrs. Estberg's face was fearfully lacerated. The muscles of the abdomen were lacerated, and she also sustained internal injuries. She will recover.

ITALIANS CAPTURE TRIPOLI FORTRESS

PART OF FLEET ANCHORED IN HARBOR AND NEW BOM- BARDMENTS BEGIN.

BATTLESHIP REPORTED DESTROYED

Germany Favors Adoption Of Ultima- tum Of Italy, But England Holds Out For Turk- ish Suzerainty.

LONDON, Oct. 5.—The Italian flag floats over Sulfonia fort at Tripoli, which is occupied by landing parties. Part of the fleet is anchored in the harbor and the other warships lie a short distance from the dismantled fortifications.

According to a Constantinople report, the Italian warships bombarded Benghazi and Derina today.

Rumors of a naval engagement in Turkish waters, of an attack against Mytilene and of the blowing up of the Italian battleship Conte de Cavour at Tripoli have not been confirmed from any quarter.

A report is current from Constantinople that while Germany favors the adoption of the Italian ultimatum as the basis of peace negotiations, Great Britain proposes that Tripoli shall be come a privileged tributary Turkish vilayet, under joint Turkish-Italian administration, thus retaining the suzerainty of the Sultan.

Home Tracts FINEST SOIL IN CLACKAMAS COUNTY

We have 24 tracts of land containing from one to six acres each, beautifully located within one-half mile of the corporate limits of Oregon City, with excellent view of the surrounding country. The grade of the Clackamas Southern Railway Company has been completed through the original farm and a forty-foot roadway passes each tract. The man who depends on his labor for his livelihood should have land enough to raise his own fruit and vegetables and thereby save a large part of his earnings.

These tracts are sold at reasonable rates and on easy payments.

This is not a real estate boom but an opportunity for a man to get a home near town, conveniently located and with sufficient space about his home to raise his own fruit and vegetables.

All of this soil is rich and productive and free from rock and gravel.

EXPERT SUGGESTS BOOKS FOR YOUNG

MISS HELEN T. KENNEDY TELLS WHAT BOYS AND GIRLS SHOULD READ

LOCAL LIBRARY IS PRAISED BY HER

Representative Of State Commission Explains Work That Is Being Accomplished—Schools And Granges Aided.

The best books for boys and girls. In the language of an immortal bard, "Aye, there's the rub." That is, it is to the ordinary person, but to Miss Helen T. Kennedy, visiting librarian of the State Library Commission, who delivered a lecture at the Oregon City Library Thursday afternoon, it is an easy matter. This versatile young woman has made a study of books for the young folk and she knows just what to recommend.

Miss Kennedy had just finished her lecture and was arranging twenty-five or thirty volumes on a table when a Morning Enterprise reporter was presented. She handed the books as tenderly as if they were her kith and kin. "The first thing that impressed the interviewer was that he was not only in the presence of one who thoroughly understood her business, but that she liked her business; that she was firmly impressed with the idea that there was no other business just like it or nearly so important.

Best Book is a Collection. "What is the best one book for a child, if conditions are such it may have only one" she said, repeating a question asked her.

"Well now, that's a pretty difficult question. You know there are so many good books. But if a child is to be allowed only one book, I would suggest this volume."

Miss Kennedy held out a large book, and the reporter read on the cover, "The Children's Book." It is a collection from various juvenile and other works by Horace E. Scudder.

Then Miss Kennedy called attention to other books for children, just as she had done at the lecture, which was heard by several hundred fathers and mothers, who, if they caught the spirit of the lecturer—and unquestionably they did—will busy themselves today in purchasing all kinds of lore for their children. All kinds—No not all kinds, but the kinds recommended by this expert, who is doing a mighty good-work.

Libraries Are Aided. Miss Kennedy received her training at the University of Illinois and was employed for several years in the Library School at the Training University. Her work consists of visiting the teachers' institute, granges and schools, suggesting books to be purchased and giving other assistance. She assists in arranging libraries in towns and cities and keeps in close touch with the libraries in the state. She also tries to encourage dealers to handle certain books.

The State Library Commission lends books to schools, granges and towns desirous of establishing libraries. Fifty volumes are sent twice a month. The idea is to encourage the establishment of libraries, and the desired effect is being accomplished.

Miss Kennedy praised the management of the local library for its efficient work and declared the excellent support it is receiving is unusual. The attendance of from sixty to 100 persons daily she thought was fine.

FULL DINNER PAIL STOLEN BY TRAMPS

Workmen employed by C. C. Babcock, street commissioner, in building the sidewalk along Singer hill, had an encounter with two tramps Thursday afternoon, and as a result, Alonzo Wickham, one of the workmen, lost his dinner pail containing his noon meal. Wickham having had a presentiment that he was going to be robbed of his lunch watched the pail carefully. When he saw a man walking away with it, and another in the act of taking the lunch basket of Lee French, who is also employed in building the sidewalk, he and French gave chase. The man who stole French's basket was so hard pressed he dropped the lunch, but the other one clung to Wickham's pail.

RUNAWAY ON BRIDGE ROUPTS PEDESTRIANS

The lives of a score of persons were imperiled Thursday afternoon when a team of horses attached to a wagon belonging to Everhart & Hall, grocers, ran away on Seventh street and at a rapid rate of speed started to cross the suspension bridge. A number of persons were crossing the structure when the team dashed upon the approach. Several pedestrians climbed upon the railings and others ran heling posts. The frenzied animals, however, had gone only a few yards on the structure when one of the wheels of the wagon caught in the railing and the horses were thrown. The right front foot of one caught in the railing but the animal was not seriously injured. The tongue of the wagon was broken and one of the wheels was damaged.

GOVERNOR TO SEND CONVICTS HERE TO WORK ON ROADS.

SALEM, Oct. 5.—Governor West announced today that he would give Marion county the rest of this week to determine whether it wishes to use convicts for road purposes, and if it fails to acquiesce, all chance for the use of convicts on road work in this county will be gone.

"Clackamas county, I understand, is practically ready to go ahead and convicts will be sent there at any time they are desired," said the governor.

VIOLA FISCHER AND ELMER ERICKSON WED

A pretty wedding was solemnized Thursday at noon at the home of Mr. and Mrs. Fred Erickson, 711 Jackson street, when Miss Viola Fischer of Liberal became the wife of Mr. Elmer Erickson of Mulino. The ceremony was performed by Justice of the Peace Samson. The decorations were very artistic, being in pink and white roses and ferns.

The bride, who is the daughter of Mr. and Mrs. Fischer of Liberal, is well known and highly respected young woman. She was attired in a traveling suit of blue and carried white roses. Her bridesmaid, Miss Pearl Erickson, sister of the bridegroom, wore light blue. The groomsmen were Henry Fischer, brother of the bride. After the ceremony a repast was served by Mr. and Mrs. Fred Erickson.

Mr. and Mrs. Erickson left on the afternoon train for Portland, and from that city will take a trip down the Columbia River. Upon their return they will live at Liberal, where they have rented a farm from the bridegroom's father. The bridegroom is one of the well-known young farmers of that section of the county, and he and his bride have a host of friends in that vicinity.

WILLAMETTE CLUB TO CONTINUE DANCES

The last of the series of five dances of the Willamette Club Thursday night at Busch's Hall paved the way for reorganization of the club for this winter, and insured the continuation of the happy social events that have been the source of unalloyed pleasure during the past season. The club's managing committee plans to introduce bridge tables in the next series, so that there will be amusement for those who dance only occasionally.

All the dancing parties that preceded Thursday night's affair were uniformly successful, and the finale of the series was especially brilliant. Popular numbers followed each other in quick succession and the Portland orchestra was at its best. Fruit punch was served. Among those present were:

RAILROAD GRADING IS BEING PUSHED

CLACKAMAS SOUTHERN HAS LARGEST FORCE SINCE WORK WAS STARTED.

PORTLAND CAPITALISTS SEEK BONDS

Management, However, Expects Local Investors To Take Them— Big Trestle Will Soon Be Finished.

G. B. Dimick, secretary of the Clackamas Southern Railway Company, announced Thursday that the largest force of men since the grading was started, was at work now on the road. One crew is working from Molalla to Mulino, and it is believed that the grading between these points will be finished in thirty days.

Other crews are working from Mulino and Beaver Creek toward this city and are making remarkable progress, and still another crew is working from this city toward Newell Creek. It is thought that the big trestle here will be completed in two or three weeks.

The demand for the bonds, which will be sold to raise money with which to provide the rails and rolling stock, is unusually good, and it is believed that the most of them will be bought by residents of this county. Capitalists in Portland are eager for the bonds, but it is the desire of the management to sell them to local investors.

The bonds are issued in denominations of \$100, \$500 and \$1,000, and draw six per cent interest, payable semi-annually. Sufficient money has been subscribed for bonds to do all the grading and to build the trestles, which is regarded by financiers as more than sufficient guarantee for the bond. Judging by the present rate of progress the road should be in operation to Molalla within five or six months.

SOLDIER SHOTS LOOTER.

AUSTIN, Pa., Oct. 5.—Summary vengeance was taken today upon a negro looter of bodies of victims of the disaster here. He was caught robbing the corpse of a woman and the soldier who found him shot him on the spot. Two farmers, Elijah Prondy and W. C. Bayless, who live near here, saw the incident and their versions agree.

THE GRAND

Six Per Cent Semi-Annual Interest Coupon Bonds.

THE CLACKAMAS SOUTHERN RAILWAY COMPANY is now offering to our home people its first mortgage 6 per cent semi-annual interest coupon bonds, and as the bonds are limited to ties, rails and equipment and all other work, such as grading and bridges, are paid for by stock subscriptions, the bonds issued by this company are first class.

These bonds are issued in the following denominations, viz.: \$100, \$500, \$1,000.

The Clackamas Southern Railway Company offers the following reasons why these bonds should be sold in Oregon:

FIRST—It is an Oregon enterprise and owned by Oregon people.

SECOND—The country traversed by this line is thickly populated and has freight and passenger traffic in sight to make it the best paying road in Oregon for its length.

THIRD—The best business men and farmers in the County are stockholders in this road and authorized the issue of these bonds at the stockholders' meeting by unanimous vote.

FOURTH—These bonds draw 6 per cent interest and the holder gets his interest twice each year.
