## BOSS ELECTED IN MASSACHUSETTS

Kentucky Returns To Democratic Fold By 30,000 Majority—Several Contests Probable.

WASHINGTON, Nov. 7.—Elections were held today in many states and cities, throughout the country, showing varying results, with little indication of a widespread wave of public sentiment. In Massachusetts complete returns for Governor Foss Democrat a plurality of 7,134 over Louis P. Frothingham Republican. The total vote is: Foss 219,622; Frothingham 202,588. The Republicans, however, refused to concede the election and a state-wide recount may be demanded. The first returns showed marked gains for Frothingham, but these were gradually reduced. Returns indicate that other Republican candidates on the state ticket are slightly ahead of their Democratic opponent. New York state elected a Republican Assembly, thus depriving Governor Dix, Democrat, of the support he has heretofore had from a Legislature Democratic in both branches. The recent New York Assembly has a Democratic majority of 24. The newly-elected Assembly will have a Republican majority of upward of 30. In New York City (Manhattan and the Bronx) the Tammany strength was materially reduced, but its candidates for judicial and county officers were elected again by greatly reduced pluralities. In Brooklyn the fusion judicial and county candidates were successful with perhaps one exception. Returns from New Jersey indicate the control by the Republicans of both branches of the Legislature and the

## PARK BAND STAND MAY BE REMOVED

COUNCIL CONSIDERS PLAN OF LOCATING PUBLIC COMFORT STATION ON SITE.

## MANY COMPLAIN OF ASSESSMENTS

Meeting With Officials of Clackamas Southern to be Held to Consider Alleged Violation of Franchise.

The city council Tuesday evening virtually abandoned the plan of building a public comfort station in McLoughlin Park, and the Finance Committee was instructed to look into the feasibility of locating it in the Seventh Street Park. The Woman's Club, which was instrumental in having the McLoughlin home restored and establishing the park, objected to the building being on the beautiful grounds. Several suggestions were made regarding the location of the station in Seventh Street Park, and it was the consensus of opinion that it should be on the site of the present band stand. One or two of the councilmen thought that stand should be removed, and others thought it would be a good plan to raise the structure and have the station under it. A report will be made at the next meeting of the council.

Mayor Brownell appointed Messrs. Andresen, Meyer and Roake a committee to draft resolutions on the death of Rudolph Koerner, formerly president of the council. The improvement of Twelfth street by the Oregon Engineering & Construction Company was accepted.

Attention was called again to the alleged violation of its franchise by the Clackamas Southern Railway Company in the building of the trestle across Washington street at Fourteenth. It is contended that the trestle is only ten and one-half feet above the street, although the franchise provides that it must be twelve feet above the street. G. B. Dimick, secretary of the company, denies emphatically that the bridge has not been built according to the terms of the franchise. The street committee was authorized to meet with the officers of the company and make an investigation.

Colonel C. H. Dye declared that the assessment for work on Ninth street in front of property owned by him was excessive. The council will make an investigation today. The following were granted reductions in assessments for street work: Chambers Howell, \$50; Charles Hannaford, \$25; Margaret Herzog, \$25 and Mrs. S. A. Chase, \$25. Several objections were made to the assessments for the sewer in District No. 6.

## SATURDAY CLUB PLANS THANKSGIVING ROLE

The Saturday Club of the Congregational church met at the church parlors Monday evening, and arrangements were made for the market to be given Tuesday before Thanksgiving in the church parlors. These chairmen will appoint their assistants at a later date.

Arrangements also were made for the entertainment to be given in the church parlors December 2, by Miss Emma Bristow, an elocutionist. After the transaction of business refreshments were served. The committee in charge was Mrs. A. B. Wilmot and Mrs. Bert Roake. Mrs. C. D. Latourette and Miss Maude Warner will have charge of the refreshments for the meeting to be held on the first Monday evening of December.

## WOMAN'S CLUB TO HEAR OREGON HISTORY

The Woman's Club will hold an important meeting tomorrow afternoon in the parlors of the Commercial Club. Papers will be read on the history of Oregon from 1859 to the present, and the discussion which will follow will be led by Mrs. Rosina Fouts. Mrs. Dye will be one of the speakers. At the meeting following the one tomorrow "Federation" will be the subject of discussion and following that several meetings will be devoted to Oregon products and resources.

## EX-COUNCILMAN KOERNER DEAD

FORMER RESIDENT OF OREGON CITY SUCCEUMS AFTER TWO MONTHS' ILLNESS.

## CITY HALL FLAG IS AT HALF MAST

Mayor Appoints Council Committee To Draft Resolutions And Pays High Tribute To Deceased.

Rudolph Koerner, a former resident of Oregon City, who moved with his family to St. Johns about two and one-half years ago, where he became superintendent of the St. Johns Woolen Mill, died Monday evening, after a two months' illness. Mr. Koerner was for many years connected with the Oregon City Manufacturing Company in this city, and was councilman for several years. He was well known here, and his death came as a surprise to his friends. He is survived by his wife and the following children: William, of Arizona; Andrew, of Portland; Mrs. Myra Meyers, of Portland; Mrs. Frank Test, of St. Johns; Miss Bertha Koerner. Mr. Koerner was president of the city council for one term and was a member of the Fountain Hose Company for several years. Upon learning of Mr. Koerner's death Mayor Brownell had the flag in the city hall placed at half mast. "Mr. Koerner was one of the most valuable and useful citizens the city has ever had," said the mayor. "The state has lost a valuable citizen."

## BURGLAR CAPTURED SOON AFTER ROBBERY

Within less than ten minutes after the Chinese tailoring establishment at Fourth and Main streets was robbed Tuesday night Policemen Frost and Cook had the burglar under arrest. The arrest was made, in fact, before the policemen knew the store had been robbed. The prisoner, who is a Filipino, was captured in a boxcar on the Southern Pacific railroad. His loot, which consisted of a \$15 pistol, two overcoats, two gold pins, two bolts of cloth, a ring and a box of cigars, was recovered.
