NEW YORK, Nov. 10.—Andrew Car-

New York Legislature last June, "to

among the people of the United
States."

In bestowing this gift upon the cor-
poration organized especially to re-
ceive it and to apply its income to
the purpose indicated, Mr. Carnegie,
in a statement tonight, said that he
intended to leave with the corpora-
tion the work of the founding and aid-
ing libraries and educational institu-

carried on for many years.

The statement follows:

"The incorporators met at Mr. Car-

ember 10, 1911, accepted the charter,
adopted the constitution and by-laws
and elected the following officers:

poses, \$25,000,000 par value first mort-
gage bonds of the United States Steel
Corporation.

"It is intended that the business
of founding and aiding libraries and
educational institutions which had
been carried on by Mr. Carnegie as
an individual for many years will be

early date and carried on by the cor-
poration."

ELEVEN PASS STATE DENTAL EXAMINATION

Dr. Clyde Mount, of the State Board
of Dental Examiners, announced Fri-
day evening that eleven of the appli-
cants for licenses to practice denti-
stry in the state out of nineteen who
tried the examination held this week
in Portland, had passed.

The class was a small one, and the
percentage of successful candi-
dates was fair. The board is com-
posed of Dr. Mount, dental anatomy
and pathology; Dr. H. H. Ollinger,
of Salem; Dr. F. Vaughan, Astoria;
Dr. Jean Cline, Portland, and Dr.
W. S. Kennedy, The Dalles. A meet-
ing will be held today to transact
executive business. At the examina-

The United States Bureau of Fish-
eries delivered to the Oregon Fish-
Commission November 3, 2,175,000
eyed Chinese salmon eggs and Novem-
ber 8 there were delivered 2,244,000
eggs of the same species, making a
total of 4,419,000 eggs. Within the
next few days the United States Bur-
eau will furnish about 4,000,000 more
from its hatchery located on the Lit-
tle White Salmon River, tributary to
the Columbia. These eggs are to be
hatched and reared to fingerlings at
the state hatchery at Bonneville, and
with the eggs received from Alaska
from the Government hatchery, will
make Bonneville station crowded near-
ly to its capacity.

SALOON MAN VICTIM OF CLEVER FORGER

A smooth forger came to town last
night, looked around for awhile,
learned that B. F. Mitchell was a
prominent man here, signed his name
to a check for \$12.60, had D. M. Klem-
son, the saloon man, cash the
check and departed. Mr. Klemson
became suspicious of the man shortly
after he had cashed the check and
called Mr. Mitchell over telephone.
The latter said he had not written
the check and the saloon man noti-
fied Policeman Frost who searched
for the man several hours without
success.

GRAVITY AND ICE TOO MUCH FOR DR. BEATIE

Dr. A. L. Beatie, school director,
good road enthusiast, and mentioned
as a candidate for Mayor, discovered
Friday that gravity operating on an
icy incline was a powerful force. In
fact the good doctor was fortunate
that he did not take a plunge in the
icy waters of the majestic Willamette.
Dr. Beatie was directing the unloading
of two tons of coal at the Oregon
Commission Company when his trou-
bles began. The wagon was backed
against the warehouse on the Eleventh
street side. The wheels had been
checked, but the horses persisted in
slipping on the board street which
was covered with a thin coating of
ice. Finally it was decided to un-
hitch the horses, and when this was
done, someone removed a block from
one of the front wheels. The wagon
stopped, turning sideways and Dr.
Beatie seized the tongue. It continu-
ed slipping down the incline with ac-
celerating speed toward the river.
Dr. Beatie holding to the tongue for
dear life. Finally the vehicle crashed
into the railing and it was taken for
granted that it would go into the
river, but the barrier held—not any
tighter, however, than did Dr. Beatie
to the wagon tongue. D. C. Robbins
and about fifty other witnesses de-
clared that they had never before
seen such an exhibition of pluck
against such odds as was given by
Dr. Beatie.

RAILWAY MAN FREED OF SALMON CHARGE

Charles Smith, of Parkplace, who
is employed in the railway mail ser-
vice, was acquitted of having a sal-
mon in his possession during the
closed season by a jury in the Circuit
Court late last night. The jury con-
sidered the case for more than ten
hours. The defendant was represent-
ed by George C. Brownell, H. W.
Trembath, deputy fish warden, testi-
fied that he saw Smith with a salmon
in a barn at midnight April 6. J.
Pierce, who was with Trembath that
night, testified to the same thing.
They declared they entered the barn
and saw the defendant and the fish
by the light of matches. Smith de-
nied that he had the fish and his tes-
timony was corroborated by another
witness.

WOMAN ARRESTED ON BENCH WARRANT

Judge Campbell Friday set the
trial of Mrs. Jane Tweedy, charged
with threatening to shoot a neighbor,
for next Wednesday. The trial was
to have been held Wednesday, but the
defendant, who was out on a bond of
\$1,200, did not put in an appearance,
and Judge Campbell issued a bench
warrant for her. Sheriff Mass learned
that she had moved from Logan,
where she is alleged to have pointed
a shotgun at a man named Allen, to
Woodburn, where he found her and
served the warrant. There is no pro-
vision in the county jail for women
and Mrs. Tweedy was allowed to go
to a hotel. She is married and has
five children.

U'REN WOULD HAVE FUN AS DELEGATE

W. S. U'ren may be a dele-
gate to the next Republican national
convention, and take a hand there
in the fight for a progressive platform,
including such planks as the election
of United States senators by direct
vote, the presidential preference pri-
mary, and indorsement of the initia-
tive, referendum and recall, says the
Portland Journal.

Mr. U'ren says he has not yet de-
cided whether he will be a candidate
for delegate, but admitted that the
job would be to his liking. He says
he is now well overloaded with work
in the promotion of certain ideas for
submission to Oregon voters, but if
he can find time he will be a candi-
date for the honor of sitting in the
next national convention.

While a progressive selected for
the resolutions committee would be
kept off the subcommittee to draft
the platform," said Mr. U'ren, in dis-
cussing what may happen. "he could
offer an amendment in the full com-
mittee and make himself a nuisance.
When voted down he could submit a
minority report to the convention.
There he would be suppressed again.
But this would be only the start of
the fight."

There seems little doubt that if
Mr. U'ren wants to be a delegate he
can be chosen. Under the system of
election required by the presidential
primary law, each voter will vote for
only one candidate for delegate out
of ten to be chosen, and any candi-
date with a personal following equal
to one tenth of the total Republican
vote will be assured of selection. If
there are many candidates and the
vote is scattered, much less than one-
tenth will be enough.

The possible sending of Mr. U'ren
to the convention will excite interest
throughout the country. It would re-
present a challenge by the Oregon pro-
gressives in the castle of the enemy,
and mark the opening of the fight
for the principles of the Oregon sys-
tem in the national councils of the
party.

BERRIES RIPEN AS WINTER DRAWS NEAR

Mrs. K. L. Newton has on exhibition
in the Publicity Department of the
Oregon City Commercial Club building

ries that have attracted much atten-
tion. These berries were picked from
the patch in the Newton yard, Novem-
ber 5. One of the berries is five and
one-half inches in circumference.
There are many more berries and blow-
soms on the vines. The fruit is of de-
licious flavor. Mrs. Newton also has
blackberries on exhibition, the variety
having been originated by her, and
which she has named the "Golden
Medal."

HIGH SCHOOL SHOW IS BIG SUCCESS

"CONEY ISLAND" AND MINSTRELS
DRAW LARGE CROWDS TO
ARMORY HALL.

BLACK FACE MEN CONVULSE AUDIENCE

Athletic Association Pleased With
Financial Result of Benefit—
Parade Feature of
Entertainment.

While the imitation of Coney Is-
land, given by the High School pupils
at Armory Hall Friday night was an
expurgated edition, so to speak, of
the original "Coney," which has at
least helped to make New York
famous, it was a fine exhibition and
just as successful as it was fine, from
a financial standpoint. It wouldn't
be fair to say just what the profits
were, but they were satisfactory to
the High School Athletic Association,
for which the entertainment was
given.

"Coney Island" was a success from
start to finish. The parade which
preceded the opening of the hall
crowded Main street. There were
about fifteen automobiles and other
vehicles in line, and on the backs of
two of horses were six high school
boys. The floats were gaily decora-
ted, and the same adjective may be
used in describing the attire of sev-
eral of the occupants.

Booths were scattered about the
big hall. In one was "Mutt and Jeff."
In another "Mike and Gus," in an-
other the "Kassenjamer Kids," and
the "Newly Weds' Baby" and "Sam-
bo" had shows of their own. A tepee,
campfire and Indian baskets were
features of the Indian booth and the
booths of the Japanese and Gypsy
fortune-tellers were just as attractive.
The minstrels, with Waldo Coufield
as interlooper, made a big hit, albeit
some of the jokes suggested anti-
slavery times. They were all the fun-
nier for that reason. The coms were
Lyle Gault, Charles Beatie, Peter Pot-
ter and John Dambach and the sad-
den were Ray Morris and John Be-
atie.

The committee in charge was com-
posed of Misses Edith Allredge,
Eula Schuebel, Florence White and
Allie Levitt. The parade committee
was composed of Miss Florence White,
Joseph Hedges, Joseph Sheahan and
Kent Wilson.

PORTLAND WEATHER COLDEST IN YEARS

PORTLAND, Nov. 10.—(Special)—
Though Portland enjoyed the snow
flurries today and even the blasts of
its coldest November day in twenty-
five years, the mercury only dropped
to 31 degrees above zero as its low-
est point.

Helena, Mont., was the coldest point
registered in the United States, the
temperature dropping to four points
below zero.

One feature of today's weather re-
port as given out by the United States
Weather Bureau was the fact that
there were not a dozen big cities in
the country enjoying an absolutely
clear day. These fortunate places
were Galveston, Kansas City, New
Orleans, New York, Minneapolis, St.
Paul, San Francisco, Sacramento,
Washington, D. C., and in Canada,
Winnipeg and Calgary were the only
cities which enjoyed a cloudless day.

WEST WANTS WORK ON LOCKS RUSHED

SALEM, Or., Nov. 10.—(Special)—
The attitude of the State Board of
Canal Commissioners, including the
Governor, Secretary of State and
State Treasurer, toward the situation
at Oregon City relative to the Willa-
mette locks, was expressed today in
a formal statement issued from the
office of Governor West. He declares
that the Government and the State
Board are of one mind relative to the
construction of the locks and that as
soon as negotiations for equitable
valuation of property rights are set-
tled to the satisfaction of the Govern-
ment and the State Board and subse-
quent recommendations of the engi-
neers have been approved by the
department the work on the project
will be begun.

"Aside from the first cost of secur-
ing right-of-way, either on the west
side or the east side of the river,
there are no obstacles in the way of
the construction of the canal and the
establishment of free locks. Both the
east and west routes are feasible,"
says the Governor in the letter.

COUNTY TO COMPETE IN BIG APPLE SHOW

Secretary Lazelle, of the Promotion
Department of the Commercial Club,
said Friday that Clackamas county
would have a fine exhibit at the Port-
land Apple Show which begins next
Wednesday. The apples will be ship-
ped from this city by boat Tuesday
noon. All persons who contemplate
contributing to the exhibit are urged
to have their products at the Prom-
otion Building not later than Monday
afternoon. Mr. Lazelle went to Port-
land Friday afternoon and completed
arrangements with Frank W. Powers,
Secretary of the Oregon State Horti-
cultural Society for the exhibit. A
space twenty feet long and ten feet
wide has been allowed this county.
The show will be held in the Yeon
Building. The display will consist of
Jonathan, Northrup Spyn, Spitzenberg,
Wagner, Gano and King.

OREGON CITY PLAYS NEWBERG TEAM TODAY

Newberg High School will play its
first football game with Oregon City
High this afternoon at 2:30 o'clock on

expected to be a fast one, though Ore-
gon City is handicapped by the loss
of Sheahan, its fast end. The local
men will line up as follows: Gault,
center; Quinn, left guard; J. Beatie,
right guard; Caulfield, left tackle; C.
Beatie, right tackle; Graves, left end;
Dambach, right end; Wilson, (sub-

DIMICK MAY ENTER RACE FOR MAYOR

COMMITTEE URGES FORMER EX-
ECUTIVE OF CITY TO BE
COME CANDIDATE.

LATOURETTE DECLINES TO OFFER

Address Only One to Announce so
Far and Friends Think
He May Not Have
Opposition.

Grant B. Dimick is being urged by
his friends to become a candidate for
Mayor. A committee of prominent
citizens waited upon him Friday eve-
ning and asked him to allow the use
of his name. Several persons called
upon him Saturday in his office and
made the same request.

"I have not made up my mind what
I shall do," said Judge Dimick to a
Morning Enterprise reporter. "It is
a proposition that should be consid-
ered carefully. Having served four
terms as Mayor I am well acquainted
with the arduous duties of the office.
The office requires much of a man's
time, and, consequently his private in-
terests suffer to some extent. I ex-
pect to make a decision in a few
days."

Grant B. Dimick, who has been asked
to become a candidate for Mayor.

Judge Dimick is the only man to
occupy the office four consecutive
terms and was urged to allow the use
of his name for the fifth. A petition
signed by 500 voters was presented
to him when he declined to be a candi-
date the fifth time. Judge Dimick
was County Judge four and one-half
years, and was a formidable candidate
for the nomination for governor sev-
eral years ago. He is one of the best
lawyers in the state, and the success
of the Clackamas Southern Railroad
has been largely due to his efforts.

William Anderson, President of the
City Council, is the only candidate as
yet for Mayor. Mr. Anderson did not
announce until he was virtually com-
pelled to do so by his friends. A peti-
tion presented to him was signed by
several hundred voters. In case Judge
Dimick does not offer Mr. Anderson's
friends think he will not have oppo-
sition.

M. D. Latourette, Secretary of the
Commercial Club, and one of
the most enterprising and pub-
lic-spirited business men in the
city, positively announced Friday
that he would not make the race for
Mayor. Mr. Latourette considered
the matter for several weeks, and, al-
though he was urged by scores of
business and professional men to of-
fer, he felt that it would be to his
interests not to become a candidate.
