WEEKLY ENTERPRISE ESTABLISHED 1866

VOL. II—No. 115.

OREGON CITY, OREGON, SUNDAY, NOVEMBER 12, 1911.

PER WEEK, 10 CENTS

8,000 CHINESE ARE SLAUGHTERED

DEFENSELESS MEN, WOMEN AND CHILDREN BUTCHERED BY IMPERIAL ARMY.

REVOLUTIONISTS RENEW STRUGGLE

Nanking Burned And Hundreds Are Buried Under Ruins of Houses—Thousands Homeless.

NANKING, Nov. 11.—More than 8,000 native Chinese men, women and children are dead and 75,000 others are homeless as a result of the wanton slaughter today in this city by the imperial army. The butchery is still going on.

Reinforcements arrived today and joined the rebels and the attack upon the imperialists was resumed. Aroused into a frenzy of rage against their enemies for the massacre of defenseless Chinese the rebels fought desperately for vengeance.

Hundreds of bodies lie among the smoking ruins of dwellings. The property of the Chinese was first looted, then fired.

A lurid glow hung over the city during the night, lighting up the encampments on Purple hill, behind which the imperial soldiers awaited the day and the renewed assault of the rebels. The muzzles of artillery pointed along the rim of the earthworks and the moving of the sentries could plainly be seen in the red glare of the fire.

Panic reigned among the survivors of the massacred, no attempt was made to bury the headless dead, that filled the street.

NEIGHBORS AID IN PUTTING OUT BLAZE

The home of J. P. Roehl near Molalla avenue, caught fire on Saturday afternoon at 4 o'clock from a defective fuse. The Mountain View fire company responded to the alarm and did good work in saving the building from destruction. Many of the neighbors rushed to the fire and assisted in carrying out the furniture and extinguishing the fire. The house was badly damaged.

CHAPMANS ENTERTAIN TUESDAY BRIDGE CLUB

A most delightful time was had by the members of the Tuesday Night Bridge Club Friday evening when Mr. and Mrs. E. A. Chapman entertained at their home on the corner of Sixth and Washington streets. The prizes won by Mrs. O. W. Eastham and Dr. A. L. Beattie. A luncheon was served.

Members attending were Mr. and Mrs. John Adams, Mr. and Mrs. W. A. Shewman, Dr. and Mrs. H. S. Mount, Mr. and Mrs. L. E. Jones, Mr. and Mrs. H. E. Straight, Mr. and Mrs. B. T. McBain, Dr. and Mrs. A. L. Beattie and Mr. and Mrs. O. W. Eastham.

JAILED AS THIEF, HE SAYS, "I'M CRAZY"

"Well, I guess I am crazy again," said Dolman McConnell when arrested Saturday by Chief Shaw on a charge of stealing a suit of clothing in Ohio several years ago," continued the prisoner, "and I guess the thing has returned." According to the Chief of Police McConnell stole the clothing and hid it on the river bank. Then he went to a second hand store and pawned his own coat and waistcoat. When arrested he was wearing the coat which he is said to have stolen.

Catches 62 Pound Salmon. Johnathan Humphrys had on exhibition at his fish market Saturday a Chinook salmon, weighing sixty-two pounds. It was four feet long. The fish was one of the largest ever caught in the Clackamas river. The salmon, which attracted much attention, was caught by Henry Himler, of Parkplace.

INITIATIVE NOT IN DANGER, SAYS GRANT

PORTLAND, Nov. 11.—(Special.)—That the United States Supreme Court will decide the case of Kieran against the city of Portland in favor of the city, is the belief of City Attorney Grant, expressed in a letter to a friend. The city attorney wrote the letter from Philadelphia where he spent several days gathering data on municipal government. The letter will be cheerful news to friends of the initiative and referendum, as the case to which Mr. Grant refers involves the legality of laws passed by the people.

"There is no doubt of the outcome of our case," says Mr. Grant. "We will win. I can tell by the questions that were asked of us that the court considers it is not a judicial question, but a political question, and that anyone dissatisfied with the initiative in Oregon, or claiming that it is not a representative form of government, can address his grievance to Congress."

Senator Bourne entertained us at luncheon one day and he told me that he will be a candidate for re-election. He says he firmly believes that the people should return him to Washington.

DEGREE TEAM GIVES DELIGHTFUL BALL

The grand ball given by the degree team of the Order of Pochontas Saturday night at Busch's hall was a big success. The music was furnished by Parsons' full orchestra. The encores were numerous and the orchestra responded to each one. One of the features was the dancing of the Pochontas waltz, when the lights were lowered, and only those with the colored shades, colors of the order, were in evidence. The decorations were artistic and unique, and the committee in charge is deserving of much credit. The decoration committee was composed of Mrs. Webb Burns, chairman; Mrs. Mike Gross, Thomas Myers, Harry Williamson; reception committee, Mrs. Agnes Silver, chairman; Mrs. Clinton Rutherford, Mrs. Henry Henningsen, Mrs. Bessie Rounch, Miss Stella Curran; floor, Jack Frost, Ernest Mass, Henry Henningsen, George Chambers; general committee, Mrs. Richard Bittner, chairman; Mrs. Walter Symes, Miss Rose Tomaszewski, Miss Mary Hamilton, Miss Manda Zak, Miss Gertie Gawlita; refreshments, Mrs. Dora Hamilton, Miss Anna Tomaszewski, Miss Stella Zak, Mrs. Jake Surber, Mrs. Laverna Simpson; music and printing, Mrs. Henry Henningsen, chairman; cloak room, Mrs. Jack Frost.

The members of the reception committee were attired in white dresses and wore red badges, red and white being the colors of the order. During the evening a luncheon was served.

MISS CLARA FIELDS DELIGHTFUL HOSTESS

Miss Clara Fields was the hostess of a delightful party given Saturday evening in honor of Miss Emma Cline and Miss Hazel Erickson, of Salem. The house was beautifully decorated with cut flowers, autumn leaves and ferns. Games, and guessing and drawing contests were features of the party. Arden Hickman won the guessing contest and Miss Erickson the drawing contest. Miss Fields served a sumptuous luncheon. The following were present: Dolly Pratt, L. Caulfield, Sedonia Shaw, Hazel Francis, Ruth Brightbill, Edna Holman, Emma Cline, Hazel Erickson, Catherine Sinnott, Ralph Brown, Harold Crawford, Mr. Manning, Fred Hoke, Oscar Woodfin, Arden Hickman, Roy Armstrong, Jack Busch and Carl Moore.

PRESIDENT TO END LONG TRIP TODAY

KNOXVILLE, Tenn., Nov. 11.—(Special.)—"Fortunately encountered, fortunately ended," said President Taft today during the last few hours of his tour over the United States. Tomorrow he will take breakfast at the White House for the first time since the twenty-second of last August. He is glad the trip is about over and his mood is joyful in anticipation of his return "home."

In reply to Congressman Austin's pledge during an address here that he would support the President for re-election, the President asked Austin not to weary of his well doing. He made no direct comment on politics, avoiding the subject.

X. L. CLUB MEETS.

One of the most enthusiastic meetings ever held by the X. L. Club, of Gladstone, was the one held at the schoolhouse Friday afternoon, when seventy-five members of the club attended. Among the features was the talk on "Boys" by County School Superintendent Gary. Other features of the program were recitations by Mildred Hall and Mary Lehman, and songs by the primary grades. A luncheon was served in the assembly room after the exercises.

63 WRITE TO GIRL SEEKING HUSBAND

ENTERPRISE DOES ITS SHARE IN OBTAINING MATE FOR FAIR GOTHAM LASS.

POSTAL RECEIPTS TAKE BIG JUMP

Marguerite Britt, of New York, Expected To Come To Clackamas County Soon And Change Her Name.

The postal receipts in Oregon City have increased considerably since the Morning Enterprise published a letter from Marguerite Britt, of 1324 Madison avenue, New York City, to Postmaster Randall asking him to find her a husband. Mr. Randall did not give out the information, nor did any of his assistants, but it is known woman have been posted in the Oregon City office. Her letter, which was dated October 24, was as follows: "I am a young lady of twenty-one, with fair complexion. Am looking for a nice young man. Would be glad to hear from him soon. I am, 'MARGUERITE BRITT, '1524 Madison avenue, New York City."

Mr. Randall, upon receipt of the letter was just as busy as he could be establishing a postal bank, and, although he regretted it a great deal, he said frankly that he did not have the time to seek a helpmate for the young woman. So he turned the letter over to the Morning Enterprise with the request that it be published. The sixty-three responses furnish proof, non est disputandum, that the Morning Enterprise is a good advertising medium, no matter what one's quest may be.

And here is hoping that somewhere in that mass of letters the fair Marguerite will find one just to her liking, that the courtship may be short, and that ere the Ides of March she is the keeper of a cozy home in Clackamas county. May she emerge from that "Lone, lorn creature" stage "with whom everything goes contrary" just as soon as possible.

FREYTAG APPOINTED FRUIT INSPECTOR

O. E. Freytag has been appointed by County Judge Beattie fruit inspector of Clackamas county. A. J. Lewis, who was fruit inspector for several years, recently resigned the position, as his duties on his farm at Mount Pleasant would not permit him to act in the capacity of inspector any longer. Mr. Lewis has visited many of the farms and inspected the fruit trees, and much good was accomplished by his visits.

Mr. Freytag was formerly a farmer, and thoroughly understands the business. He had charge of the horticultural exhibit at the State Fair, which was one of the best exhibits at the fair.

MASS DISCREDITS HILL CRIME CLUE

SHERIFF DOES NOT THINK SLAYER IS MAN BOUGHT IN COLORADO.

STEVENS MAKING INVESTIGATION

Similarity of Murders Leads To Report That Same Person Is Slayer of Several Families.

Sheriff Stevens, of Multnomah county, is in Colorado Springs making an investigation into the murders there of the Burnham and Wayne families. He thinks that the man probably is the same one who killed the Hill family at Ardenwald Station, Sheriff Mass, however, who has been in charge of the search for the slayer of the Hills said last night that he did not think the crimes were committed by the same person.

"Mr. Stevens is on his way home from the East," said Mr. Mass, "and stopped at Denver, no doubt, to rest. If the slayer of the families at Colorado Springs is the man wanted here Mr. Stevens, I believe, will soon get all the information he desires. I am convinced, however, that the murderer of the Hills is not as far away as Colorado Springs."

The Ardenwald crime was committed in June, those at Colorado Springs September 17. After that there were similar murders at Monmouth, Ill., where three members of the Dawson family were killed with an ax. There five members of a family were killed in a similar manner at Ellsworth, Kan., October 15. The similarity of the murders led to the report that the crimes were committed by the same man.

MINTHORN TO HAVE NEW SCHOOLHOUSE

Milwaukee school district will not lose any portion of its northern territory to Willsburg, but Harmony loses fifteen acres of its territory to Willsburg district. A delegation from Milwaukee, with the directors, attended the hearing before the boundary board of Clackamas county and filed a remonstrance against the petition of Willsburg district with the result that the petition of Willsburg was denied. Harmony's remonstrance was futile.

Mr. Maggie Johnson, clerk of Milwaukee district, said that residents of the Milwaukee district can become part of the Willsburg district, and that they will be provided with a schoolhouse, or they may erect a building of their own. She said they may use the present building for two years without rent. The building is owned by Portland district. A meeting of the voters of Milwaukee district will be held November 27, when plans to build a schoolhouse in Minthorn territory will be considered.

NEWBERG DEFEATS OREGON CITY HIGH

VISITORS OUTWEIGH LOCAL MEN AND THEIR INTERFERENCE IS SUPERS.

ELEVENS PLAY AGAIN NOVEMBER 25

Yale Regains Laurels in Easy Victory Over Brown And Carlisle Indians Humble Harvard Men.

Although defeated by a score of 12 to 9, the Oregon City High School football team played a great game Saturday afternoon with the fast Newberg High School eleven at Gladstone Park. The visitors outweighed the local men about five pounds to the player, which was a great advantage on the slippery field. Several of Oregon City's best men were unable to play but the substitutes did well.

Gross, Graves and Caulfield played the best for the local team. Caulfield's tackling was up to his average, and but for his brilliant work the score would have been larger. Oregon City's right end made a brilliant run, but the referees held that it was off-side. Newberg made its two touch-downs in the last half, both goals being kicked. The interference of the visitors was superb. The teams will play again November 25 and Oregon City expects to retrieve its lost laurels.

Multnomah Beats Sailors. PORTLAND, Nov. 11.—(Special.)—From the blast of the referee's whistle here this afternoon the Wings M team played rings around the much touted Philadelphia sailor team. The score was 21 to 0.

KICK WINS FOR PRINCETON.

Dartmouth Plays Great Game And Pierces Line Repeatedly. PRINCETON, Nov. 11.—(Special.)—The fighting spirit of Princeton was the only thing that snatched victory from defeat here today when after battling four quarters, Princeton managed to boot the ball between the goal posts for the only score of the game.

In the first quarter Princeton was not in it. The Dartmouth backfield pierced the line at will and several times the Princeton goal was in danger.

With the opening of the second quarter, the Tigers showed new life and held their opponents to a tie. In the last quarter, ending up to 25 yards from the goal posts, a goal kick was made and the game was won.

CARLISLE BEATS CRIMSON.

Indians Scalp Harvard Eleven in Exciting Contest. CAMBRIDGE, Mass., Nov. 11.—(Special.)—The husky Carlisle Indians invaded the Harvard campus this afternoon and scalped the Crimson, 18 to 15. The game was one of the hardest fought in the history of the Indians, seemed to have the best team and won. Both used the for-

Regardless of What It Costs Us

We Keep Faith With Our Customers

WE have a rather peculiar idea about running a retail store. We believe that the merchant who looks out for his customers' interests will never have to worry about his own interests. Business success, like happiness, comes to the average man indirectly.

The fellow who goes about seeking happiness is the most unfortunate individual imaginable; the man who does his duty from day to day and tries to make others contented finds true happiness. And so it is in business. We believe and always have believed, that by serving your interests we shall in the end serve our own best interests.

Goods Must Be As Represented

Every article we sell is exactly as we represent it to be. There is no deviation from this rule. A child can buy here with the same assurance that a jewelry expert would have of getting full value for his money. If we tell you a locket is solid gold, you may depend upon it that it is solid gold; if we sell you a watch, you can depend upon its quality; if your watch needs regulating and nothing more, you will never be charged for a repair bill.

Jewelry Cleaned and Watches Regulated Free

If you have gems or jewels that need cleaning and polishing, bring them in and we will be glad to do the work free. If your watch is irregular in its time-keeping habits, we shall be glad to regulate it and no fee will be asked.

Bargains are Bargains HERE

Whenever you see an article advertised by this store as a bargain, it IS a bargain. Only goods sold at reduced prices are advertised as bargains.

Please remember that when you see an announcement of a Special Sale at this store, it means we have something special to sell—either an ORDINARY article at a REDUCED price or an EXTRA QUALITY at the price of the ORDINARY.

We Want Visitors As well as Customers

We now have a most complete and interesting display of JEWELRY, WATCHES, CHINA, CUT GLASS, ETC. Come in and see these beautiful creations. Don't feel obligated to wait until you are ready to buy. Come now. Tomorrow or next day. And bring your friends along. We like to have visitors.
