

# Our Souvenir Opening Day and Twentieth Business Anniversary Wednesday, December 6th

THIS being a double event for us to be thankful for, we hope to make our Opening Day this time one long to be remembered. We bought our Souvenirs ten months ago and now have three big cases of China in our warehouse imported expressly for this occasion. The souvenir will be a large handsomely decorated 9-inch China Salad Dish. This dish cannot be bought in the large art stores for less than 50 cents, and many stores will get as much as 75 cents. We will give it absolutely free with any purchase amounting to 50 cents or more, but one only to a customer. We want you to come just the same whether you buy anything or not. If you come just to look around and hear the music you will be just as welcome as if you bought. We have provided music for the afternoon, and all of you who have been attending our Souvenir Day Openings in the past know we will do our best to give you a good time. We ask you to come and pass judgment on what we believe to be the best Holiday Stock ever shown in Oregon City.

## OUR TWENTIETH BUSINESS ANNIVERSARY

Many "Old Timers" will remember the successful drug store conducted by Mr. E. G. Caufield twenty years ago. They will also remember the good substantial reputation the store had for honesty and fair dealing. Since 1891, when Mr. Caufield retired from the drug business and the present owners took his place in the drug store work of Oregon City, they always kept in mind the high standard of business integrity set by him. The business has grown wonderfully since then from a store conducted by two people to one employing fifteen, and the high mark set by the old store has been the greatest factor in our later day success. Not a day passes but we see in the store from five to twenty-five of these old customers of 20 years ago. We want to thank you here and now for your continued patronage, and to express the hope that you will visit us on Wednesday, December 6th—Our Twentieth Business Birthday.

**Conditions of Souvenir Gift** One Salad Dish free with a 50 cent purchase. None reserved after opening day. One dish only to a customer. Souvenirs given free from 8 a. m. as long as they last. No dishes given to children.

## Heart to Heart Talks.

By EDWIN A. NYE.

**IF I WERE A BOY.**  
If I were a boy again I would not choose to be reared under different parents or under different influences, but—

If I were a boy again I would do a lot of things I did not do and leave undone some of the things I did do.

If I were a boy again I would go swimming and hunting just as I did and often if I could. I would play as hard and as often as I could in the open air and build me a strong and supple body.

If I were a boy again I would read more books and better books than I did read, and I would thus find out how the best and most successful men got on in the world.

If I were a boy again I would be as much as possible with persons older than myself. I would try to get from personal contact all the graces and the manners of such persons and learn from their own lips the story of their lives.

If I were a boy again I would not resent my mother's little scoldings, knowing that I well deserved them, nor scorn to take the good advice of my father. Nor would I think myself wiser than both my parents—and the preacher thrown in.

If I were a boy again I would go to Sunday school, whether I was told to go or not. But I would realize the importance in my education of real knowledge of the Bible.

If I were a boy again I would dream the dreams of boyhood—and then some. And no doubt when I was particularly disappointed with the world I should dream the dream of being a lawless pirate of the high seas, with a price upon my head and the skull and crossbones at the peak. But—

If I were a boy again I would mostly dream of the day when I should grow up to be a good and useful man.

If I were a boy again—  
But, deary me! It has been so long ago. And should I have the chance to do and dream I might be no better boy than I was—or worse.  
Who knows?

### Where He Came In.

He gazed tenderly into her eyes as she spoke.

"Life," she murmured dreamily, "is after all nothing but a romance in which we are the characters, moving hither and yon as the Supreme Author of our being directs."

"And in the novel of your life," said he tenderly, "where do I come in?"  
"You?" she answered with a smile.  
"Oh, you are—let me see—one, two, three—you are Chap Seventeen"—Harper's Weekly.

### The Humor of It.

Stella—Were you shopping today?  
Bella—Yes; I got some things to exchange.—New York Sun.

### DEVORE'S NERVES GOT BEST OF HIM IN WORLD'S SERIES.

Josh Devore, the little outfielder of the Giants, made a world's series record in the second game at Philadelphia when he struck out four times. Eddie Plank outgassed him, serving a curve when he looked for a fast ball, and vice versa.

Devore was peeved. He turned to the umpire instead of the ball. When Connolly called him out the second time he tossed his hat to show his disgust. The third time he tried to argue, but Connolly walked away. It was the same the fourth trip. Connolly ignored the kicks, but finally Devore got on his nerves.

When the third strike was called Devore said something, and Connolly pulled off his mask. Later Connolly related the conversation.

"It is easy to see how you hold your job in the American league," said Devore.

"It's hard to see how you hold yours with the Giants," responded Connolly.

### COFFEY COMING CHAMPION

Californian Has Shown Great Form in Recent Battles.

Walter Coffey, the California middleweight, who has been trouncing all the cracks in the east, is only twenty-one years of age. He has been a hard worker for the last few years and is stronger and more rugged than the average of the present day men of the class.

Coffey put in a lot of time working at the oil wells down in Kern county, O. before he left the coast. He says the work and the fellows you bump up against around those oil fields are two of the toughest propositions in the world.

Coffey has a corking left hand and possesses a punch. In his battle with Young Longhry of Philadelphia in New York recently Coffey showed he had a wallop by caving in two of the Quaker boy's ribs.

There is no other fighter who reminds one so much of Ketchic in general makeup. Whether he can fight half as well as Stanley did during his brief career in the ring is a question.

### SOPRANO GOES ABROAD.

Noted Grand Circuit Mare Sold to Austrian Turfman.

Soprano, 2:03 1/2, former holder of the world's record for three-year old fillies, the fastest five-year-old mare of the past season, the world's fastest four-year-old mare in a race, joint holder of record for the fastest trotter of the season in a race and the most consistent of the past season, recently arrived in Austria. Her new owner, Leopold Hauser, purchased the superb daughter of Bellini, 2:13 1/4, from John E. Madden during the Lexington trots recently.

### DEFI FROM CHOYNSKI.

Old Time Heavyweight Anxious to Return to Ring to Fight.

Joe Choynski, who in his day stopped Jack Johnson, but whose day was supposed to be done, is anxious to return to the ring and is seeking a match. Buck Crouse of Pittsburgh is the man Choynski especially desires to meet, and a challenge issued by the veteran is directed at the fighter named.

### Lindrum to Play Billiards in England.

Fred Lindrum, one of the best billiard players in Australia, is about to visit England and may be matched to meet Gray, his fellow countryman, in a contest which should arouse great interest, as Gray's playing has been the sensational order.

### Barry to Meet Langford in Australia.

Jim Barry, the heavyweight pugilist, is now in Australia. He will be matched to meet Sam Langford there.

### Beats the Dutch.

D'Auber—Your daughter paints in the Dutch school, does she not? Mrs. Newrich—Not much she doesn't! We pay \$50 a quarter to give her private lessons at home. Dutch school, in deed!—Philadelphia Record.

### Not Charged.

"Pardon me," said the smiling customer, "but is this mineral water charged?"  
"Not any," replied the fair girl at the counter. "You pay the cashier."—Baltimore News.

### FLOTSAM AND JETSAM.

The Newest Hats Are Suede Covered, French Neckwear.

Very new are the hat shapes covered with suede or suede cloth, the latter decorated with flowers having very pointed petals. These are clustered on the brim, which is turned back flat. Homesteading is a favorite touch in new French fashions, and its most prominent use is in neckwear.

The double breasted reefer coat is a smart one for little boys. The coat

pictured can be made with or without the shield, so that it is adapted to both very cold weather and to mild days.

### FRIBBLES OF FASHION.

Gaudy Belts Are Worn on Winter Coats.

The addition of an ornamental belt is a great help to many coats. The French tailors are using many of them, and they make an old coat look like new. Provided one's figure can stand it, it is a good scheme. Plain patent leather is used; also leather with squares of colored enamel or gilt metal.

To renovate an old blouse just add a floppy revers and a folded satin grille.

Brooklyn played the best game in the history of the visiting teams which have appeared here. They were as fast as chain-lightning and piled on many neat plays.

Jaffey, Sieberis and Older started the visitors, while Carothers and Lawrence abated for the locals.

Rose City Park team will try to clinch with the Oregon City set on Canamach Field next Sunday.

They were won by Mrs. M. D. Latourette and Mrs. John Lewthwaite. A delicious luncheon was served. The rooms were profusely decorated with red carnations and asparagus ferns, and showed much artistic taste.
