The heavy fall of snow Saturday enveloped the country in white, and seemed very appropriate for Christmas time, also making it easy for old Santa and his sleigh, as he has to discard his airship in this part of the country on account of the tall trees

manner of their country. The Cherryville school district is in a bad mix-up. J. T. Friel, Sr., deeded the school acre over to Roy Murray and wife during their life, and to go to their children at their death. Mr. and Mrs Murray say their deed calls for the whole 40 acres, including the school acre. Some four years ago Mr. Friel promised the school the acre land and then made the stipulation that land should be cleared before he would give a deed.- Mr. Friel says he leeded the acre over to Mr. and Mrs. Murray by mistake. A special meeting of board and tax payers has been called to devise some manner of recovering the school acre.
