ALL ELEMENTS IN CUBA ARE UNITED

CRISIS AVOIDED BY REMOVAL OF REASONS FOR U. S. ACTING.

TEXT OF AGREEMENT KEPT SECRET

Gomez' Hand Greatly Strengthened By Belief That Agitation of Veterans Has Reached End.

HAVANA, Jan. 17.—The conference at the President's palace adjourned at 1:05 o'clock this morning. It was announced that all the elements had reached an understanding to unite in the policy that would remove any excuse for intervention.

The details of the agreement have not been divulged.

President Gomez conferred with prominent political leaders regarding the action to be taken in connection with the notification from the American Secretary of State, that the United States government might be compelled to intervene in Cuban affairs.

The persons named to meet the President were General Emilio Nunez, General Mateo Alonzo, Colonel Manuel Aranda and Colonel Galvez, representing the veterans; General Euzbio Hernandez, president of the Miguelistas; Governor Asbert, of Havana; Alfredo Zayas, vice-president of the republic; General Comandante General Freyre Andrade and Antonio Gonzalez Lanuza, the Conservative leaders; Miguel Coyula, Wilfredo Fernandez, editor of El Comercio; Colonel Crestes Ferrar, President of the House of Representatives, and Dr. Antonio Gonzalez Perez, President of the Senate.

The shock of the receipt yesterday of the news of the possible intervention by the United States was succeeded by a feeling of relief, consequent upon the general impression that the Knox note was intended merely as a caution similar to President Roosevelt's letter to Quesada, and not as a threat to proceed to extremes without further provocation.

Gomez' hand has been strengthened by the quietus put on the agitation of the veterans.

WATTERSON'S FAITH IN WILSON VANISHES

LOUISVILLE, Ky., Jan. 17.—That he had hoped to find in Woodrow Wilson another Tilden, but had found "rather a schoolmaster than a statesman," was the declaration of Henry Watterson, the veteran Kentucky editor and Southern Democrat. In a statement made here tonight in connection with the break between Governor Wilson and Colonel George Harvey.

"I was hoping I might find in Governor Wilson another Tilden," said Colonel Watterson. "In point of intellect and availability, I yet think Colonel Harvey made no mistake in his choice of a candidate, but the circumstances leading to the unfortunate parting of the ways between them leads me to doubt whether in character and in temperament—it may be merely in the habits of a lifetime—Governor Wilson is not rather a schoolmaster than a statesman."

Dairymen Father of Twenty-Three. ST. CHARLES, Mo., Jan. 17.—The birth of his twenty-third child, a 13-pound girl, is being celebrated today by Fred Walkenhorst, a dairyman of this city. He has sixteen living children, thirteen of whom are at home. He is forty-five years old.

THOUSANDS GREET CARDINAL FARLEY

PRINCE OF CHURCH GIVEN ONE OF GREATEST OVATIONS IN HISTORY.

NEW YORK STREETS ARE THROGGED

Prelate Brings Message of Good Will And Praise From Pope to the American People.

NEW YORK, Jan. 17.—In one of the biggest demonstrations in the history of New York, Cardinal Farley was welcomed home today by 100,000 Catholics after a two months' visit to Rome, during which time he was made a prince of the church.

The steamer Berlin, on which Cardinal Farley arrived, was met at Hoboken by 500 members of a reception committee headed by Justice Dowling of the state Supreme Court.

Every Catholic society in the archdiocese of New York was represented in the double line of cheering men and women which extended from the Battery to St. Patrick's cathedral. The men wore scarlet neckties and rosettes, and the women scarlet ribbons. After the regular passengers on the Berlin had disembarked at Hoboken, the members of the committee, resplendent in silk hats and red ties, boarded the vessel and Cardinal Farley was transferred to the Rosedale, where luncheon was served, the prelate presiding.

The Rosedale then steamed to the Battery, where the procession was formed, the body of men and women marching to St. Patrick's cathedral, where Cardinal Farley addressed a large assemblage.

Cardinal Farley was drawn in an open carriage to the cathedral, escorted by a troop of mounted police and 150 automobiles, bearing members of the reception committee. Twelve hundred police lined the route. As the cardinal was passing many persons dropped to their knees in the snow and received his blessing. At the cathedral he was received by eighteen papal knights of St. Gregory, each wearing jeweled crosses to signify their rank. Seven hundred priests participated in the service at the cathedral.

Cardinal Farley brought the following message to Americans from Pope Pius:

"I admire your hospitable land, where the people of all nations are welcomed and where liberty to all is assured. I pray continually for your land, realizing the great future it offers to each man knowing how to use his own liberty with regard to the liberty of his neighbors.

"America, I realize, knows what liberty is. I am fully alive concerning not only the future of the church, but of the land as well, and my earnest prayer is that its greatness shall continue."

Cardinal Farley declared that the Pope's physical condition was marvelous, his eye being as clear and bright as the morning. He also said that his own health was of the best and that he was glad to be back home.

LATOURETTE AND HEDGES MENTIONED

The election of president at the annual meeting of the Commercial Club Saturday night is expected to be exciting. M. D. Latourette the present secretary, and Gilbert L. Hedges, are mentioned for the office. Both have large followings, and their friends are working hard for their favorites. A vice-president, secretary and the members of the board of governors also will be elected. The retiring president, J. E. Hedges, the secretary of the club and the secretary of the publicity department will make reports. The past year was the most successful in the history of the club, which has been instrumental in bringing many new enterprises to the city.

SLAUGHTER-HOUSE BAN IS PROPOSED

COUNCIL HEALTH COMMITTEE LEARNS ONE IS OPERATING IN CITY.

MEAT DEALER MAKES COMPLAINT

Chief of Police to Post Signs Today Warning Persons of Law Against Spitting On Streets.

Preliminary plans for cleaning the city and keeping it in a healthy condition were made at the first meeting of the health and police committee of the city council, held in the council chamber Wednesday evening. The committee is composed of Councilmen Tooze, Albright and Pope.

H. W. Streibig, the meat dealer, reported that a slaughter house was being conducted on the Abernethy in the city limits. He said that he and the other men engaged in the meat business were warned several years ago that they would not be allowed to do any more slaughtering in the city, and as a result had moved their slaughter houses to the country. Mr. Streibig declared that to allow the slaughter house complained of to continue in operation would be discrimination.

Chief of Police Shaw explained that he and Health Officer Norris had examined the plant and found it to be clean. He said that under the present city law it would have to be proved a nuisance before he could order it closed. Councilman Tooze was authorized to have an ordinance drawn up to be presented at the next meeting of the council, prohibiting the slaughtering of animals within the city limits.

Upon the announcement of Councilman Pope that there were several cases of typhoid fever in the city, the committee decided to look into the matter. City Health Officer Norris has had the water examined, and it was found to be free of typhoid germs. Dr. Norris says only five cases of typhoid have been reported to him.

Chief of Police Shaw reported that several cars used for shipping hogs, which had been complained of, had been removed from the siding near the Southern Pacific station Sunday. He also reported that the ordinance prohibiting spitting on the streets was being rigidly enforced. The warnings against violations of the ordinance will be put up today.

The committee will meet the first Wednesday after the fifteenth of each month, and all persons having complaints or suggestions are urged to attend.

LIVE WIRES START LOWER FARE FIGHT

CONFERENCE WILL BE ASKED WITH OFFICIALS OF P. R. L. & P. COMPANY.

UNIFORMITY AT LEAST IS URGED

Fare to Golf Links Twenty Cents And to St. John's, Twice as Far, Charge is No Higher.

Bent on securing lower fares between Oregon City and Portland, and determined to bring to end what has been termed discrimination toward this city as a result of the recent decision of the State Railroad Commission, the committee of the Live Wires of the Commercial Club held a two hours' session Wednesday night in the club parlors, and concluded to ask for a conference with the officials of the Portland Railway, Light & Power Company, and this conference will probably be held at Portland within the next ten days. The committee seeks to ascertain the attitude of the corporation toward Oregon City in relation to the fares between this city and the metropolis.

The meeting of the committee brought out, among other things, the fact that one may ride from Oregon City to St. John's for twenty cents, yet the fare to Golf Links, about half the distance to St. John's, is also twenty cents; that in a number of instances the fare is lower between intermediate points and Portland than between points having a comparative distance to Oregon City; that the old rate from Oregon City to Golf Links was fifteen cents, when ticket books were purchased, and that under the present schedule the fare is twenty cents and ticket books are not obtainable, and that the former communication rate between Oregon City and Portland, on monthly books, was fifteen cents, and the lowest rate given under the present schedule is eighteen cents, and this rate carries no transfer privilege with it.

It was possible, under the old schedule of rates, to ride from Oregon City to any transfer point in Portland for nineteen and one-half cents, by the use of a Golf Links com-

EVANGELIST EVANS DRAWS FINE LESSONS

Interest in the special revival campaign being conducted at the Baptist church by Rev. J. Bruce Evans, is becoming intense. The house was packed Wednesday night with people of all classes. The sermon by Mr. Evans was preceded by a duet rendered by the Misses Armstrong and a solo by Miss Juliet Cross. Mr. Evans' sermon was based on the text, "Sirs, What Must I Do To Be Saved?" He said in part:

"It made no difference what was around him, Paul had something in him that was greater than the external environment."

"It was because of what was in them that Paul and Silas were able to sing when in jail. "Paul and Silas did not have much political influence or social influence—not enough to keep them out of jail, but they had power enough to pray down the prison walls and go forth free men."

"The jailer came trembling and confessed his need of a Saviour. Real genuine conviction of sin is the crying need of today."

"When this jailer was converted he proved it by washing the stripes of the men whom he had scourged. Religion that is divine brings forth fruits worthy of repentance."

The afternoon meetings which Mr. Evans conducts are being well attended. Meetings will be held every afternoon this week except Saturday.

ELSIE FREDRICK AND EDWIN GERBER WED

The marriage of Miss Elsie Fredrick and Mr. Edwin Gerber was solemnized Wednesday morning at 10 o'clock at the residence of Rev. A. Hillebrand who officiated. The impressive ceremony was witnessed by relatives of the bride and bridegroom, and among those present were Mr. and Mrs. Frank Busch, the bride being a niece of Mr. and Mrs. Busch. After the ceremony Mr. and Mrs. Gerber left for Portland, and from that city will go to California, where they will spend their honeymoon. They will live at Logan, Clackamas county, where the bridegroom has erected and furnished a handsome bungalow. The bride was attired in a becoming traveling suit of navy blue with large black hat.

The bride is well known in this city having lived most of her life at Parkplace, and recently moved with her parents to Logan. She is an accomplished young woman and has a host of friends in this city, at Parkplace and at Logan, although she has resided at the latter place but a short time.

The bridegroom is the son of Mr. and Mrs. Gerber, prominent residents of Logan. He is popular among his many friends at Logan, and is a well-to-do young man.
