FREE TOURING CAR

It is not often that a newspaper offers such an elaborate prize as has been purchased by The Enterprise for its annual circulation contest that will open next month. The five-passenger automobile above illustration is one of the few cars that has stood the test of time and its popularity is well attested by the fact that one-fifth of all the automobiles sold in the United States last year were Fords.

With four-cylinders ,wheel-base calculated to turn in narrow places, top, wind-shield, speedometer, in short The Enterprise is going to give away a fully equipped car that will long be a delight to its fortunate possessor. The car has alreary been purchased by The Enterprise and is on exhibition at Elliott's garage on Main street,

The Enterprise circulation contest will close early in June, just at the time when the roads are in the best condition for touring. Details will be announced in a few days. The hundreds of people interested should watch this newspaper for particulars.

BETTER CAR SERVICE

Residents of Canemah will hold a mass meeting in Stokes' Hall tonight for the purpose of formulating a re-quest to the City Council of Oregon City to compel the Portland Railway, Light & Power Company to raise its tracks at the Southern limits of the city. The purpose of this petition is to eliminate the necessity of the peo-ple of Canemah climbing up over the Southern Pacific tracks to escape the high water that inundates the P. R., L. & P. Company tracks. The Ca-nemah people feel that Oregon City will be able to obtain this concession when the company asks for a new freight franchise next Fall. Mayor Grant B. Dimick, of Oregon City, will address the meeting.

was obtained by Chief Shaw, who got his clew from a letter which Hyland left in a room which he and his bride occupied here. He and Miss Wilhelm came here in October. The marriage ceremony was performed by Justice of the Peace Samson the day Hyland was arrested. About a week later the couple left the city, going to Hard-man, Morrow county. The letter obtained by Shaw was from Hyland's wife living in Chico, Cal. The chief wrote to the Chico chief, who replied that Hyland married a seventten-yearold girl in Albany, May 17, 1911. He said the young wife was living in Chico with her parents, Mrs. Hyland No. 1 told the Chico chief that she had received a letter from Elsie Wilhelm intended for her husband notifying him that the police were looking for him.

Shaw wrote to Sheriff Hayes Hardman, who located Hyland and his wife No. 2 at The Dalles. Shaw, through County Clerk Mulvey, obtained an affidavit that Hyland and Alveretta Werz were married in Albany, May 17, and swore out a warrant against Hyland, charging him with bigamy. The warrant was given to Deputy Sheriff Miles, who want after the prisoner.
