Mrs. D. P. Thompson owner of the property at the head of the Seventh Street steps, which formerly belonged to her parents, John and Susan D. Meldrum, announced Monday that she would in a few weeks convert the home into a free reading room, for the benefit of the residents of the city. Mrs. Thompson spent her youth and early married life in Oregon City and her parents in whose memory she will establish the reading room, were honored residents of this community for more than fifty years. That the reading room will be largely patronized is a foregone conclusion, and Mrs. Thompson is being congratulated upon her philanthropic work. The reading room with the Carnegie building which will soon be erected insures the city two libraries.

## CHURCH DECLINES TO SELL PROPERTY

At the second quarterly conference of the Methodist Church Monday night it was decided to withdraw the offer to sell the property of the church on Main street. An offer of \$40,000, the price originally asked, was received a few days ago. District Superintendent Moore, of Salem, was in charge of the meeting. After the reading of the reports of various officers, which indicated progress, a luncheon was served.

County Superintendent Gary expressed the opinion that the time is now ready for the organization of Parent-Teachers' Clubs.

Commissioner Mattoon spoke structively upon the help that the parent might render the teacher and thus the child. He indicated that the parent may give the child intelligent instruction upon the code of the school, thus helping both the child and the teacher.

Professor James spoke of the error that some parents made in being prejudiced against the teacher by the reports brought by the child. A bet-ter way would be to confer with the teacher quietly in order to understand his policy. A neutral attitude is best until the parents fully understand the case

Mr. Gary said that teachers and principals should always be invited to attend the meetings of the School Board. "Peculiar Natural conditions and the market for cattle held up the first half of the week but towards the end of the week there was a tendency to weaken There were quite a number of buyers present and several butchers from surrounding territory increasing the demand for light killers. Cows and helfers sold up to the price standard of the week previous but heavy steers were somewhat weaker and might be quoted as 10c to 15c lower. The market was hungry for calves and paid \$8 for the only good offering.

The hog market showed some weakness and was 10c to 15c lower at the close of the week. This was in sympathy with Eastern markets where tremendous runs had a tendency to

cut the prices down. The sheep market was heavily supplied but prices held up surprisingly well throughout. Ewes sold at \$4.10 and wethers at \$4.50 which gives an idea of the strength of the market.

## Why All Progressive Merchants Are Usin Electric Light

Progressive merchants everywhere have found the wonderful MAZDA LAMP an immeasurable benefit to their business. This lamp radiates brilliant white rays nearly like those of the sun. This SUPERIOR QUALITY of artificial light is produced by a rare metal filament that not only radiates a perfect light, but gives nearly THREE TIMES as much light as the ordinary incandescent-and COSTS NO MORE to burn. It is this remarkable combination of facts that is causing thousands of people to have their houses and placee of business wired for electric light. In fact, this new MAZDA LAMP is swiftly revolutinizing artifcial lighting. It is making electricity the universal illuminant.
