JENNINGS LODGE.

Mrs. Emily Shaw visited the school Friday and announced the parent-teacher meeting will be held at the Jennings Lodge on February 17th. The forenoon session will begin at 10:30. The patrons of the school will serve luncheon at the noon hour. And the parents are expected to come and help make this meeting a success. Papers of interest will be part of the program. The many friends of Mrs. H. Emmons were sorry to hear of her being unable to leave her home with a severely cut foot. George Morse and daughter have moved into their pretty new home which has been recently completed. The house contains seven rooms, five closets and bath and has a full modern basement with furnace and all modern conveniences. One of the attractive features is the large porch which is fifty-one feet long and eight feet wide. Walter Beckner planned and built this new residence and August Warner had the contract for painting.

A. Warner has accepted a position with the Pioneer Paint Company, of Portland, and will have charge of the painting and wall paper. Mr. and Mrs. Waldron are enjoying a visit from their two sons, who arrived last Thursday from Alberta, Canada. Messrs. C. E. Fields, E. B. January 25th was the birthday anniversary of Mrs. August Warner and in honor of the occasion the members of the Circle and their husbands and families gathered at the Warner home to extend to her many happy returns of the day. The evening very quickly passed away with games and music. And Mr. and Mrs. Warner, though tanned completely by surprise, were charming entertainers. Mr. De Marse furnished some music on the piano which was enjoyed very much. Delicious refreshments were served to the fifteen families present.

Mrs. C. MacFarlane will build a \$3000 home at this place. Walter Beckner has planned this home also and will commence the carpenter work as soon as basement is completed. Mrs. Conway and children have returned after a week's visit with her parents, Mr. and Mrs. DeShields, of Clackamas. Mrs. O'Connors and daughters removed to Portland today where they will make their home. Mr. and Mrs. MacDonald are being welcomed as newcomers to this place and will occupy the Wm. Ross house. Earl C. Bronaugh has sold his home in Portland and will build a handsome residence here. Already workmen are making a beautiful driveway from Boardman avenue to the river where the house, which is to cost \$10,000, will be erected. The following gentlemen of this place attended a meeting at the Commercial Club in Oregon City Monday evening: Messrs. Chas. Redmond, Calvin Morse, J. A. Johnson, A. F. Russell, P. D. Newell, Will and John Jennings. The object of the meeting was the discussion of rates between this place and Oregon City and Portland. All are anxious to have a 5 cent fare to Oregon City from this place. While the fare now is 10 cents and the distance of the residents now walk to Meldrum, a distance of about eighty rods and take the car at that point for Oregon City. A joint committee of the various clubs will go to Portland on Friday night and confer with the officials of the P. R. L. & P. Co. with the avowed intention of obtaining a reduction in the fares. Messrs. John Richards, of Oregon City, and Garland Hollowell, of Gladstone, were pleasant callers on friends at this place Sunday. A special meeting has been called for the members of The Circle for the purpose of making curtains for the school rooms. And the twenty members are requested to be present at this meeting on January 31st, at the home of Mrs. Warner. This seems to be the right step as all will want to see the appearance of the school as good as other schools in the county. Mrs. J. A. Soesbe is recovering from her recent illness and is planning to return to her home in Newport.

Why All Progressive Merchants Are Using Electric Light

Progressive merchants everywhere have found the wonderful MAZDA LAMP an immeasurable benefit to their business. This lamp radiates brilliant white rays nearly like those of the sun. This SUPERIOR QUALITY of artificial light is produced by a rare metal filament that not only radiates a perfect light, but gives nearly THREE TIMES as much light as the ordinary incandescent and COSTS NO MORE to burn. It is this remarkable combination of facts that is causing thousands of people to have their houses and places of business wired for electric light. In fact, this new MAZDA LAMP is swiftly revolutionizing artificial lighting. It is making electricity the universal illuminant.
