AN ELEMENT IN A PROBLEM. A disadvantage of Reno, Nev., is that it is too one-sided. Only people of more than ordinary means can take advantage of the opportunities it offers for a comparatively easy divorce. If Reno were centrally located and could have, at the same time, the same facilities of easy divorce the Nevada law affords, not only could the law be as strictly complied with, but it could be more strictly complied with, as the case of Joseph Seidl and Mrs. Anna Hunning shows.

MRS. STEVENS IS DERTHICK HOSTESS. The Dertthick Club met at the home of Mrs. Muriel Stevens on Friday afternoon, the hostesses of the afternoon being Miss Stevens and Mrs. J. E. Hedges. A most delightful program was given during the afternoon, and which proved one of the most successful meetings ever held by the club. The house decorations were very pretty, being of red carnations. Refreshments were served after which the following program was given: Reading, "Current Events," "Members of the Dertthick Club," Reading, "Biography of Chamblaine," Mrs. H. E. Straight; Piano Selections, Oscar Woodfin, including three selections of the composer, Chamblaine, and among them were "D'Arlequinne," "The Fawns," "Air de Ballet," besides several of his own composition, which were highly appreciated by the members, every number being well rendered.

Wealth Is Killing the Best of Our Race

By WILLIAM C. MULDOON, Trainer and Conditioner of Men. THE CORRODING INFLUENCE OF THIS GREED FOR WEALTH HAS BEEN FELT IN EVERY WALK OF LIFE. TAKE THE MILLIONAIRES WHO ACHIEVED WEALTH—GET THEM, LOTS OF THEM, WORN OUT, DISSIPATED, CRAZED BY THEIR PERPETUAL STRUGGLE FOR MORE MONEY. THEY ARE BURNT OUT, BODY AND SOUL, AND THEIR CHILDREN ARE WORSE. The younger generation loses its vitality, its ambition, its morals and its reputation. They are NO GOOD TO THEMSELVES AND NO GOOD TO ANY ONE ELSE. And all this is the result of too much money. It is impossible to see where this degeneration will stop. Every year it gets worse. The race is becoming every minute MORE HOTLY CONTESTED, and men are driving themselves at a GREATER PACE. Then comes the inevitable collapse, for men can only achieve a certain pace, and then they BREAK DOWN. Nearly all my patients are neurasthenics, their nerves ragged, their digestion gone and sufferers from insomnia. Now when a wealthy young man comes to me suffering from a nervous breakdown he is treated the same as any other patient. He must forget the frills of home and learn to take his own bath and dress and walk instead of motoring. IT IS THE ALARMING INCREASE OF DEGENERATION, MENTAL AND PHYSICAL, WITH WHICH WE MUST BATTLE NOWADAYS.

woman can so love a single man who can't raise the price of her ticket to Reno that she will set the stage for him to kill her husband, all we get out of such a demonstration is the old story that wealth is not a lure for love. Nothing new in that. Looking at it from another point of view, the fact that Hunning had a very little property, which Mrs. Hunning may have hoped to acquire in lieu of alimony she could not get with a Reno divorce, we find that element in the case which is the most likely to deprive the prisoners of all clemency. Still, the problem which this wretched and sordid crime raises remains with us, and it is: How far, and in how many ways, can cheap and easy divorce save society from worse crimes? Repulsive as it may seem, this is an element in that problem which can not be ignored without danger.

Germany's Socialists have the accustomed party mark. Their principles are different from those of other Socialists. All of Turkey's gunboats combined would be no match for one of Italy's battle ships. The dreadnought can safely be assumed to be in a class of its own. By his feat of borrowing \$1,500 and turning it into \$400,000,000 Andrew Carnegie has put it all over Wall Street. There is a foul conspiracy afoot to injure insurgent representative Victor Murdock of Kansas with his constituents. They are circulating a picture of him wearing a plug hat. To add to languishing interest, some one might start a vice presidential boom. When we read that the cold stopped the clocks in Chicago we are tempted to cry "Time!" Mr. Rockefeller must be congratulating himself that he had any money left when Mr. Carnegie got through with him.

A New York judge rules that pedestrians are not required to avoid vehicles in the streets. This will not prove healing to the injuries of a man who fails to dodge an automobile or a trolley.

MISSSES PRICE ARE GIVEN CARD PARTY

The Misses Rose and Lola Price, of Portland, who are in this city, the guests of their brother, A. A. Price, and wife, were the hostesses of a Five Hundred party given at the home of Mr. and Mrs. A. Price in this city on Tuesday afternoon, and which proved a most delightful affair. The decorations were very artistic, the color scheme being of red, when red carnations were used in profusion about the rooms. The Misses Price were assisted in the entertainment of their guests, who were mostly friends of theirs residing in their home at Portland, by Mrs. A. A. Price, Miss Daisy Ostrow, of Portland, who was the prize in Five Hundred. After many games of this interesting game had been indulged in refreshments were served.

MRS. CHAPMAN IS BRIDGE CLUB HOSTESS

Mrs. Eber A. Chapman was the hostess of the Thursday Afternoon Auction Bridge Club at her home on Sixth and Washington Streets Thursday afternoon. The afternoon was devoted to cards, the prize being won by Mrs. John Lewiswhite, a delicious luncheon was served. The next meeting of this club will be at the home of Mrs. E. P. Rands. Mrs. Chapman's guests were Mrs. W. A. Shevman, Mrs. O. W. Eastham, Mrs. Charles Griffith, Mrs. C. G. Huntley, Mrs. L. E. Jones, Mrs. John Lewiswhite, Mrs. M. D. Latourette, Mrs. L. A. Morris, Mrs. H. Why All Progressive Merchants Are Using Electric Light. Progressive merchants everywhere have found the wonderful MAZDA LAMP an immeasurable benefit to their business. This lamp radiates brilliant white rays nearly like those of the sun. This SUPERIOR QUALITY of artificial light is produced by a rare metal filament that not only radiates a perfect light, but gives nearly THREE TIMES as much light as the ordinary incandescent and COSTS NO MORE to burn. It is this remarkable combination of facts that is causing thousands of people to have their houses and places of business wired for electric light. In fact, this new MAZDA LAMP is swiftly revolutionizing artificial lighting. It is making electricity the universal illuminant.
