HEALTH IMPAIRED; LA FOLLETTE RESTS

SENATOR'S STRENGTH OVERTAXED, SPEAKING DATES ARE CANCELED.

CONDITION NOT THOUGHT SERIOUS

Announcement Made After Candidate for President is Given Rebuke at the Newspapermen's Banquet.

WASHINGTON, Feb. 3.—Senator LaFollette, on the verge of a physical breakdown, has canceled all his speaking engagements for the next two weeks at Trenton, Jersey City and elsewhere and will seek complete rest.

Chairman Houser, of the "progressive" Republican campaign committee, in charge of Senator LaFollette's campaign for president, tonight gave out the following statement in regard to the senator's physical condition:

"In addition to the senator's official work, which in view of the pending trust and tariff legislation in which he is intensely interested, has made a severe draught upon his strength and energy. The campaign work and strain upon his nervous system incident to the necessity of a critical surgical operation upon one of his children simply overtaxed even his almost superhuman powers of endurance.

"For some time his friends have urged upon him the necessity for a temporary and absolute rest. They at last have prevailed upon him to yield to their solicitations, and he finally has canceled his speaking engagements for the next two weeks, and will drop all work to take a complete rest.

"I want to assure his friends throughout the country that there is nothing alarming in his condition. As above stated, he reached and overstepped the limit of human endurance.

"Senator LaFollette has worked unremittingly for years without rest or vacation, having remained in Washington all summer, working from 12 to 18 hours a day. No man could indefinitely bear such overdraught on his strength. His physicians assure him that a short rest will fully restore his health."

Don C. Seitz, who acted as toastmaster at the banquet last night of the American Publishers Association, rebuked Senator LaFollette for his utterances attacking newspapers, and today in an interview added further censure. LaFollette did not conclude his speech until the early morning hours. The 600 diners were yawning after he had spoken two hours. Toastmaster Seitz, however, aroused them to interest by saying:

"I shall not attempt, nor have I the time to come to the defense of the newspapers, which have just been foolishly, wickedly and untruthfully assailed."

'Twill Be Taft and Bryan, Says Hoch

EUGENE, Or., Feb. 3.—"Taft will be the Republican nominee, and Bryan a Democracy's candidate," declared ex-Governor Hoch, of Kansas, talking with a group of ex-Kansans here today, prior to addressing a Lyceum course tonight.

"If Roosevelt were out of the game, LaFollette would have a fighting chance, I believe, but since these men hate each other as they do, there is no chance for their getting together and Taft will be the convention's choice."

The ex-Governors picking of Bryan was rather unexpected, but he gave his reasons, saying:

"Bryan is going to stampee the Baltimore convention. With Wilson and Harmon and Polk or Clark in the running, it will be absolutely impossible for the convention to nominate on the first ballot, and Bryan will be the solution of the deadlock."

Mr. Hoch, while being in sympathy with Wilson, believes the New Jersey man has injured his cause by the disagreement with Colonel Harvey.

CINCINNATI, Feb. 3.—James Eads How, of St. Louis, the "millionaire hobo," today was chosen chairman of the Unskilled Migratory and Casual Workers' Association of the United States. Alexander Tyler, was elected secretary, and Cora D. Harvey was named treasurer.

PLAN IRRIGATION OF 15,000 ACRES

M. J. Lee, of Canby, secretary and manager of the Canby Canal Company, who was in the city Saturday, said that the construction of the high line canal from Mill Creek had been started. It will have a capacity of 300 cubic feet of water each second and will irrigate 15,000 acres. The low line canal, completed several months ago, furnishes water for 3,000 acres. The cost of the water is from \$3 to \$5 per acre. The project contemplates the irrigation of many more thousand acres of land and the entire cost will be at least \$500,000.

FARMERS OPPOSE WIRES OF O. W. P.

Farmers near Boring and Sycamore are angered over the announcement that the O. W. P. company plans erecting high tension wires from Boring to Sycamore. The intention is to stretch the wires through the fields, and the farmers assert the railroad company has no right to do this. They allege that the company has not been granted a franchise to erect the wires and is attempting to impose upon the property owners. A meeting has been called to protest against the plan of the railroad.

CHIEF SHAW HAS CITY THOROUGHLY CLEANED

All the lower part of the city has been given a thorough cleaning under the supervision of Chief of Police Shaw. F. C. Burk, chairman of the council committee on streets, said Saturday that the work had been thorough. The city is cleaner now than it has been for years. C. C. Babcock, superintendent of streets, has aided the chief in having the streets cleaned. Railroad Avenue was cleaned first and after that the cross streets were given attention. Chief Shaw also has had the back yards and cellars cleaned.

CONGRESSMAN HAWLEY HAS ATTACK OF GRIP

WASHINGTON, Feb. 3.—Representative Hawley is suffering from an attack of grip. He was obliged to leave his office today and return to his home.

D. W. JAMES BUILDS HANDSOME BUNGALOW

One of the most attractive and modern bungalows in Oregon City is the home of Mr. and Mrs. D. W. James at Twelfth and John Adams Streets. The house was planned by Mrs. James, and has every comfort and convenience. The residence was erected by George Schultz, but the interior was the work of Mr. James himself, who displayed artistic taste in the arrangement of the rooms. A veranda 10x25 feet adorns the front, and from this opens a vestibule. To the left of the living room is a den with casement windows. The living room and dining room, which are separated by a handsome archway are well lighted, and have a dimension of 32x12 feet. A unique stairway leads from the second floor into the living room, one side of which completes the archway between the two rooms. In the living room are built-in book cases, while in the dining room will be a handsome built-in buffet and china cabinet. One of the attractive features of the dining room is a revolving door, and on one side of which is a cupboard and folding table, while on the other side is the beaver board. Plate rails are placed on both sides of the room. The woodwork of these rooms as well as of the sleeping apartments are in mission. The furniture of the living room is the handiwork of Mr. James. It includes a davenport, chairs, rockers and table, these being in mission and harmonizing with the tinting of the walls and the woodwork. The walls are of pearl gray, and the ceiling is white. Leaded glass windows are used in both living and dining rooms. The kitchen is 12x12 feet, and is finished in the natural fir, with the walls tinted a pale green. At the rear of the kitchen, opening from a hallway is a bathroom, which is in white, and also the entrance to the basement. On the second floor are three sleeping apartments, lavatory and storeroom, while on the east side is a sleeping porch, the dimensions of which are 9x18 feet.

MISS HUNTLEY WINS LAURELS AS PIANIST

The recital given by Miss Louise Huntley, daughter of Mr. and Mrs. W. A. Huntley, of this city, in Portland Friday evening at Eller's Music Hall, was one of the most delightful musicals ever given in Portland, and was attended by many of the young pianist's friends of this city and Portland. Miss Huntley was presented with many beautiful flowers. Her program was well selected, and every number showed much careful study, and was rendered in a most artistic manner. There is no doubt that Miss Huntley has a great future before her as a pianist and her friends, who had the pleasure of attending Friday night's musical were proud of her.

SYCAMORE TEAM WINS.

The basket ball teams of Damascus and Sycamore played an exciting game at Sycamore Friday evening at Grange Hall. The admission fee was 15 cents, and there was a large attendance. Much enthusiasm was manifested and the boys on both sides were cheered by their friends. At the close of the game the score was 14 to 18 in favor of Sycamore. H. Hoffman, of this city, played with the Sycamore team.

POULTRY SHOW IS AMAZING SUCCESS

LECTURES BY T. J. GARY AND M. J. LAZELLE FEATURES OF LAST NIGHT.

PHILHARMONIC BAND GIVES PROGRAM

Scenes From Various Parts of County Shown on Canvas—Exhibitors Delighted Over Success of the Show.

Saturday night, February 3, 1912, will be marked in the diary of the Oregon City Commercial Club as the close of the big Poultry Show ever held in Oregon City. But it also will be remembered for the practical benefits the show brought to Oregon City.

Of course the prizes were merely nominal. The men with birds on exhibition were not after the financial value of the awards, so much as for the honor that went with them. But that is the way with all poultry shows. In one respect, however, the Oregon City show differed from the average, and that was in the general acquiescence of the exhibitors in the justice of the judges awards. Not a single protest was recorded.

T. J. Gary superintendent of the county schools, delivered a lecture, illustrated with stereoscopic views, and M. J. Lazelle also lectured. Scenes from Clackamas County and other parts of the state were shown on the canvas. Another feature was the concert of the Philharmonic Band, under the direction of R. V. D. Johnston. The attendance was larger than that of Friday night, but it was a totally different crowd. It was Oregon City on holiday bent; divided between a natural curiosity to see what a poultry show looked like, and to hear the Philharmonic Band, so mysteriously sprung upon an unsuspecting public on the opening night. Mayor Dimick, Postmaster Randall, Judges Campbell and Beattie, in fact, the bigwigs generally, of the social, political and church life of the city were all in evidence at one time or another during the evening.

The awards, which were given in correctly in the Morning Enterprise of Saturday, through a misunderstanding, were as follows:

Class "A," White Plymouth Rocks—First prize, E. D. Schanen, Lents, Oregon; J. C. Schmidt, Gladstone, second.

Class "B," White Plymouth Rocks—E. D. Schanen, first; J. C. Schmidt, second; E. D. Schanen, third.

3 NEW DIRECTORS FOR FAIR ELECTED

MRS. C. M. WAIT, W. W. JESSE AND WALTER KIRTCHEM CHOSEN MEMBERS.

FINANCES ARE IN FINE CONDITION

Officers to Be Elected at Meeting Next Saturday—Vote of Thanks Given Retiring Directors.

The stockholders of the Clackamas County Fair Association, at a meeting Saturday, elected the following directors: James Smith, Canby; O. E. Freytag, Gladstone; O. D. Eby, Oregon City; Walter Kirtchem, Logan; Mrs. C. M. Wait, Canby; W. W. Jesse, Barlow, and the members of the county court, Judge R. B. Beattie, N. Blair and W. H. Mattoon. The directors will meet next Saturday and elect officers. The retiring directors are George Lazelle, Twilight; R. S. Coe, Canby, and W. W. Everhart, Molalla. The president officers, who probably will be re-elected are James Smith, president; O. E. Freytag, vice president; O. D. Eby, treasurer, and M. J. Lazelle, secretary.

A vote of thanks was extended the retiring directors who have worked hard in the interest of the fair. Recently citizens of the county met at the fair grounds to beautify the place. The grounds were plowed, rolled and planted to seed. M. J. Lee, who has taken an active interest in the work, said that the grounds would be as pretty as any fair grounds in the state when the next fair is opened. The Canby Canal Company has agreed to donate water for use on the grounds. The county court recently paid the interest on the mortgage on the fair grounds, and the reports of the officers at the meeting Saturday were satisfactory. With the interest paid by the county the association will be able to pay \$1,000 annually on the indebtedness. The grounds and buildings are valued at \$12,000.

Mrs. Wait, one of the new directors, has had charge of the domestic science department for several years, and has taken a great interest in the association since its organization. Mr. Jesse, another of the new directors, has been engaged in farming and gardening in the county for many years, and Mr. Kirtchem, the other man added to the board, is prominent in the Grange work in the state.

MILTON HARDING IS BURIED HERE

The body of A. Milton Harding, of the firm of Barlin & Harding, agents for the Harley-Davidson Motorcycle Company, of Portland, was brought to this city Saturday afternoon, and the interment was in the family lot in Mountain View cemetery.

Mr. Harding sustained a fracture of the skull Thursday afternoon in a collision, and was taken to St. Vincent's Hospital, where he died at 4:30 o'clock Thursday afternoon. The young man was riding from his home at 802 East Ash Street to the place of his business at 72 Seventh Street when the accident occurred. He is survived by his mother and three brothers, Lyle, Dorrin and Oleff Harding, all of whom live in Portland. Many of the young man's friends attended the services. Mr. Harding was a nephew of the late James Chase, of this city, and was 24 years of age. His father died many years ago, and is buried in Mountain View cemetery.

When the Ill-Fitting Stocking "Pleads Guilty"

"Give the devil his due"

Bad shoes are not always to blame for bad feet. Not all the corns and bunions, tired and aching feet, "drawn" soles and ingrowing nails are caused by bad shoes. The ill-fitting stocking must plead guilty to much foot murder.

A stocking too tight in the foot may choke the circulation, bind the toes together and bend them under. A stocking too thick in the foot may cause the shoe to feel too small. A stocking too thin may bring you a blister from shoes that would not rub if the stocking were fitted right. A darned stocking makes a corn, a seams stocking irritates the sole of the foot. Above all, if the dye in the stocking is poisonous, or not fast color, all feet troubles are made worse. One reason why we call our stockings

Wanderhose

is their wonderful comfort, due to their being knitted on machines that respect the shape of the human foot. At the toe and heel especially Wanderhoses are knitted with extreme care for correct shape—not too tight nor too loose—just "cosy and comfy." Used in several weights you can fit them to your favorite shoe. Ask for the eye it is not only pure and non-poisonous but everlasting.

PAUL GOZESKY, UNABLE TO OBTAIN WORK, COMMITS SUICIDE.

MONEY LOST IN SALOON VENTURE

Man is Dying When Physician Summoned by Chief Shaw Arrives—Loss of Arm Worried Deceased Greatly.

Despondent because he could not obtain work, Paul Gozesky, formerly employed by the Oregon City Manufacturing Company, committed suicide in his room on Water Street Saturday morning by drinking four ounces of carbonic acid. Death was almost instantaneous. The suicide, who was 36 years of age, is survived by a widow and his mother.

Gozesky had been brooding over his failure to obtain work for several days, and informed friends that he was thinking of ending his life. He lost his right arm several years ago while working in a factory, and as a result, he was not regarded as an efficient workman. When he came to Oregon City, six years ago, he had

Help Your Eyes

If your eye sight is defective you cannot enter into the full enjoyment of life. Many things must pass unheeded, and others, seen imperfectly, must be but vaguely understood. But the best of life is open even to you through the aid of correct Glasses. You can be made to see easily and clearly if only the defects are taken in hand early enough. Expert attention should be given to the eyes periodically—whether they are thought defective or not. Have your sight tested now—that any defects may be at once corrected. This is the only safe and wise course.
