## HISTORY OF CHURCH TOLD BY SPEAKERS

George H. Himes, secretary of the Oregon Historical Society, of Portland, and E. T. Hatch, son of one of the Founders of the Congregational church in this city, told of the early history of the church at the second historic meeting held in the parlors Thursday night. The meeting was largely attended, and the program was excellent. Mr. Himes devoted his lecture to sketches of the various pastors beginning with Dr. Atkinson, who began his pastorate here in 1848, and subsequently became pastor of the First Congregational church of Portland.

If Uncle Sam drops the habit of authorizing two big patties a year he will be out of fashion, judging from what other great powers are doing.

## Stories from Out of Town

### JENNINGS LODGE.

The Parent-Teacher meeting which was held at the Jennings Lodge school house Saturday, Feb. 17, was certainly an educational uplift to both parent and instructor. The forenoon session began at 10:30 when the meeting was called to order by Mrs. Emilie Shaw, supervisor of this district. L. Wilcox, who has been a member of our school board since the district was organized, welcomed the teachers and people to our village and to the school. The paper on Primary and Intermediate Language Work, by Miss Ethel Cline, was an able one and shows that Miss Cline is an efficient teacher in the Language by her practical methods which she uses in her work. "Phonic and Busy Work," by Francis Potter was very interesting and gave her methods in teaching the sounds. "Little Things About the School Room" by Miss Flossie Perce, was an excellent talk. At 12:15 luncheon was served in the south room and one hundred and two did justice to a delicious repast served by the people of the community. Of this number thirty were teachers and professors. The afternoon session commenced at 2 P. M. and was an interesting program by the Lodge pupils. Much credit is due Prof. Thompson and Miss Bronte Jennings for the excellent order of all the pupils during the forenoon and afternoon session. Mrs. Jack Hampton was the accompanist for the program. The following was admirably rendered by the pupils: Song, "Morning in Oregon," reading, Anna Heister; "On Washington's Birthday," Flag Drill, primary pupils; song, "Star Spangled Banner," school; recitation, "Don't Give Up the Ship," Ruby Warner; song, "The U. S. A.," Mary Pierce, Alta Smith, Fern Dora, Dora Rother; "The Dust Cap Drill by Naomi Wilcox, Ruby Warner, Evelyn Panton, Minnie Roethe, Etta Strain, Verona Lacure, Ruth Truscott. Closing song, "I Love Oregon," school. At 2:30 Mr. J. Dean Butler handled the subject of Civil Government especially well. This is a subject where many pupils fail. Judging from the notes taken on this subject many new and practical ideas in regard to teaching this in the rural schools were learned. Co-operation of parent and teacher by Mrs. Hugh Roberts of this place. In the discussion which followed Prof. Presel, of Oregon City, and Mrs. Carl Smith, another one of our Lodge matrons, gave interesting and able talks. Among the following questions were discussed: "Do visitors benefit a school?" "Should teachers attend board meetings?" "How can teachers, parents and directors use the neighborhood in school?" "What means can be used to lessen whispering in the school room?" "How can the teacher avoid the questions by pupils in their seats while he has a class at recitation?" "How far should a teacher aid in the improvement about the school house and grounds?" "Should the superintendent and supervisor rap at the door?" A vote of thanks was extended to Mrs. Shaw for this splendid meeting and for those who took part in the program of the day, and also to the patrons and ladies of the district for their hospitality. Nothing better than such meetings of this kind can bring about a unity between teachers, parents and directors.

Dr. and Mrs. Warden and children were callers at this place on Sunday.

This land will be cut into one, 2 1/2 and 5 acre tracts and will be sold only to those who will till the soil. A new plan being to aid the purchaser in the way of services of trained agriculturists. Mr. W. M. Umbdenstock, who has a summer home on the banks of the Willamette at Jennings Lodge, is one of the syndicate which has purchased this land.

Mrs. George Lehman was tendered a surprise by her daughter, Miss Christian Lehman, last week when seven ladies were asked in to spend the afternoon and help remind Mrs. Lehman that it was the anniversary of her birthday. Delicious refreshments were served.  
We are pleased to learn that our enterprising nurserymen, Messrs. Alder and Robinson, have a branch office in the Jones Drug store of Oregon City. This will supply the wants of the Oregon City people without the necessary trip to their greenhouse near here.

### SENATOR BOURNE CHALLENGED TO DUEL

WASHINGTON, Feb. 23.—J. J. Mott, of North Carolina, now in Washington, has taken exception to Senator Bourne's criticism of President Taft for withdrawing ten North Carolina postoffice nominations, and has publicly challenged Bourne to meet him and settle the matter in "the good old-time way."  
In sending his challenge Mott referred to Bourne as a man who has disgraced his country and the office he holds.  
In Bourne's criticism of the President he is quoted as saying: "This rumored flagrant misuse of patronage must necessarily receive much respect, especially in the minds of those remembering the famous Norton letter. Purchase of votes for Federal patronage debauches not only the individual parties to the transaction, but the Nation itself, which every thoughtful man must abhor."

Committee named to work for armory.

The Commercial Club through its president, B. T. McBain, has appointed the following business men to serve on a committee with R. V. D. Johnston and the local Coast Artillery Company in the matter of the new armory: Dr. L. L. Pickens, Mr. J. W. Moffatt and W. A. Huntley.  
It is the intention of the company to call a public meeting some night this coming week in order that the urgent needs of the boys of the command may be brought to the attention of the public.

### "DECISION AGAINST ME UNFAIR"—ATTELL

LOS ANGELES, Feb. 23.—Opinions regarding Referee Eyton's decision that gave Johnny Kilbane the featherweight title which Abe Attell had held for more than a decade, are as varied here today as Easter eggs. Although there are many disgruntled ones, who believe that the former champion was entitled to a draw, the majority are entirely in accord with the verdict as given.  
Eyton was confronted with the task of making one of the most delicate decisions of his career as a ring arbiter. Attell had forced the fighting in almost every round, had done practically all the leading, and, what was more weighty, was the champion. Kilbane, on the other hand, had outpointed his man throughout the greater part of the battle, fighting while traveling backward, at top speed. Alleged unfair methods on the part of Attell assuredly militated against his chances.  
"Kilbane won the entire distance; there was but one decision to give," said Eyton today. "Both men resorted to unfair tactics, but the infractions of the rules were not great enough to warrant interference."  
Attell naturally believes the decision was unfair. After declaring that he had been robbed, the little Hebrew said:  
"I carried the fight to Kilbane in every round. If I had used his stalling tactics there would have been no fight, and the men would have hooted us out of the ring. If the fight had been in San Francisco or New York I would have won. If I fight Kilbane again, I hope it will be in San Francisco."
