

# J. Levitt Going Out of the Dry Goods Business

# SELLING OUT DRY GOODS

the entire lines of yard goods, ladies' and misses' Suits and Coats and all ready-to-wear garments. Also the entire line of women's, misses' and children's shoes. The entire stocks of women's, misses' and children's Furnishings---everything this store handles in the line of ladies', misses' and children's merchandise. Our increasing immense business in men's and Boys' Clothing, etc., has compelled us to make this move. For want of room we were unable to do justice to both lines. It is our misfortune that we did not decide to do this sooner, as our Spring yard goods and ready-made garments are already in, compelling us to slaughter thousands of dollars worth of new goods that were just unpacked.
