**THE PACIFIC HIGHWAY**

If ever there was a missionary of good deed and work sent out among the people, there is one now working in our District in the person of Hon. Frank E. Riley, Vice-President of the Pacific Highway Association. If ever there was a person who believed in his mission, Mr. Riley appears to be such a person. He is wrapped up body and soul in his difficult undertaking, and such it is, still he is gaining ground rapidly and friends are coming to the front daily, who before hearing his doctrine have taken no interest in this greatest of roads in the world, for the road as laid out when completed from Mexico on the South to Alaska on the north will be the longest road, the most scenic, in the world.  
Mr. Riley is also a great booster for Clackamas County. He has been over a large portion of the globe, and still claims and he says rightly that Clackamas County for natural resources, scenery and almost everything else, leads the world.  
Many of our citizens will wonder at our statement when we say that the Clackamas River is one of, if not the most beautiful river on any continent. The publicity given our city, county, and state by the press in every land through the great work of the Pacific Highway Association is worth more to us than anyone imagines. May the good work continue uninterrupted.  
It would be to the advantage of some Latin American countries if they would give thought to the revolution on hand instead of the intervention that never comes.  
The English fear of a German attack during a prolonged labor strike must be very acute just now, and not the less so because, we imagine, there is nothing in the world to justify it.

**HAGAR'S PRAYER.**

"Give me neither poverty nor riches," was Hagar's prayer. It was a wise petition. If you are in the depths of dire poverty life can offer little or nothing. The sordid struggle for a hand to mouth existence overwhelms the highest and best in you. Similarly, if you are very rich, the abundance of your wealth overwhelms the best and highest that is in you. You agree as to the first? But deny the second? Note this: He who is very rich must always be alert against the machinations of the shrewd, else the shrewd will surely get a portion of his surplus. Fearing lest men may rob you shuts up the bowels of your mercy and puts you out of touch. Is there a mask with a design behind it in a proffered friendship? Are things being done for your sake or your money's sake? On the other hand—If you are poor your friends are real friends. Common folk look well after one another in times of stress. Moreover—If you are very rich your wealth will expose you to every sort of disagreeable notoriety. When your forty-second cousin makes a scandal he is exploited in the black headlines of the newspapers as "the near relative of the rich Mr. —." On the slightest provocation your family history is repeated for the delectation of the multitude.

**ARRANGEMENTS MADE FOR BOOSTER PARADE**

The third annual Oregon City Horse Show will be held Saturday, April 27. As has been the custom in the previous shows, a booster celebration will be held in connection. Several brass bands will furnish music, the streets will be filled with free attractions and the business houses will have special sales and attractions, including demonstrations in their stores.  
Dr. James Withycombe of the Oregon Experiment Station and College will deliver an address in the afternoon in the Commercial Club rooms to the farmers upon agriculture and horses. The big parade will start at 10 o'clock in the morning and cash premiums will be paid for the best decorated vehicles. Beautiful ribbons and cash prizes will be given the winners among the horses of the various classes.  
Oregon City has the reputation of always having a great time on Booster Day and it was estimated that last year on this day, 10,000 persons witnessed the parade. The Horse Show and Booster Day will be given this year as it has in the past, under the auspices of the Commercial Club, with M. J. Lazelle as manager. For further information or premium lists address the manager at Oregon City.

**FIRST SCHOOL GAME TO BE PLAYED TODAY**

The first game of the Clackamas County Interscholastic Baseball League will be played this afternoon between Oregon City High School and Milwaukie High School at Gladstone Park. The game will be called at 2:30 sharp.  
The line-up for Oregon City will probably be as follows:  
Holmes c; Rowland p; Wilson ss.; Beattie 1b; Griffin 2b.; Morris 3b.; Hedges l f; Greene c. f.; Betzel r. f.  
The Oregon City boys have been practicing faithfully for the last two weeks and expect to win.

**LOSES BET SO HE WHEELS WINNER THROUGH STREET**

Joseph Meyer, of this city, who has been working for some time on a bridge across Pudding River near Aurora, is being hailed by his friends as a hero. Meyer and E. Patch, of Milwaukie, who also is working on the bridge made a bet a few days ago on who could do the most work in a day, the loser to wheel the winner through the Main street in Aurora on a wheel barrow. Meyer won, and Patch gamely carried out his part of the wager.

"the cloth."  
With this Roberts became silent again and refused to make any suggestion as to where the officers might find the cloth.  
Jefferson's One Hobby.  
Joseph Jefferson's one hobby was painting. In the early morning, at half past 6 or so, he would be heard calling for his coffee and for his palette and brushes. It was very hard to get any conversation out of him during the day that did not in some way lead up to painting. He would talk by the hour about the different painters and their works. He was gifted with a peculiar ability to make clear to other persons all he himself had learned.—Mary Shaw in Century.

**Dancing Natural Outlet to Play Impulse**

By Dr. WOODS HUTCHINSON

Physician and Lecturer of New York

DANCING is a natural and proper outlet for the play impulse.  
IF THE OPPORTUNITY FOR YOUNG PEOPLE TO DANCE IS NOT PROPERLY AFFORDED UNDER PROPER MANAGEMENT THE CITY SHOULD CONCERN ITSELF WITH SUCH PROVISION.  
The dance hall problem may be helped greatly by USING THE PUBLIC SCHOOL HOUSES for dances under proper supervision.  
Young men and women should have greater opportunity to MINGLE AMONG WHOLESOME SURROUNDINGS, and there is much good in any plan that will bring them together more frequently.  
Much of the evil that besets the young in the cities could be AVOIDEN in this way.

**PRICE OF OATS IS UP 50 CENTS TON**

An advance of 50c a ton is being quoted in the bids of local dealers for No. 1 white oats. For this stock the bids range from \$38.50 to \$34 a ton with both prices in effect.  
The strength in the oats trade at this time is occasioned by the extreme lack of offerings and the improving demand.  
Wheat market is holding firm but prices are unchanged. As a rule buyers for California account are bidding 98c for bluestem track basis and 93c for club. Both varieties are still being bid for by the south and this is about the only business that is passing at present.  
Flour market is very firm but the Portland Flouring Mills continue to hold out for old prices while the three other local mills have advanced their card rates. The situation shows similar character in the north.  
A small amount of export business is passing for June-July shipments but the trade consists principally of the regular brands. Outside of this the export market is nominal.  
Prevailing Oregon City prices are as follows:  
DRIED FRUITS—(Buying)—Prunes on basis of 6 to 8 cents.

**WOMEN ARE CLUBBED IN BIG STRIKE RIOT**

PASSAIC, N. J., April 5.—A battle between several hundred striking silk mill operatives and 40 deputy sheriffs and policemen occurred today outside the Forstmann & Huffman silk mills at Garfield. The strikers rained bricks and stones at the guards and the latter using their clubs and revolvers.  
Some of the deputies fired over the heads of the strikers and dispersed the crowd, which included 100 or more women. Six arrests were made.  
Among those nursing wounds made by clubs are a dozen of the women. Strikers who gathered outside the plant at Garfield and jeered the employees in the mill were ordered to disperse, whereupon Charles Rothfischer, one of the organizers of the Industrial Workers of the World, mounted a box and told the crowd the deputies had no right to enforce their order, and a general fight occurred.  
Henry Fagan, a deputy, was struck in the face by a brick and knocked down. One of the strikers was found unconscious, with blood flowing from a cut in the head.  
Rothfischer was among the six arrested.
