ESTACADA BEATS

The Estacada high school won a to 5 victory in an eleven inning contest from the Oregon City high school at Estacada Saturday afternoon. The local team showed great improvement since last Saturday's game with Milwaukie, but a few costly errors lost them the game. Hedges of Oregon City high drove one over the fence for a home run in the ninth inning, which the Oregon City boy said was a fair hit but the umpire declared it a foul. Had this hit been allowed it would have won the game for Oregon City. The showing made by Estacada was owing mainly to the good work of their pitcher, Douglass. In the eleventh inning Estacada scored the run that won the game. The line-up was

as follows: Oregon City: Dungay, Rowland p.; Holmes, c.; Wilson, captain, ss.; Beatie, 1b.; Guffin, 2b.; Morris Manager, 3b.; Hedges, 1. f.; Greene, c. f.; Betyel, r. f., Estacada: Douglass, p.; Sutterfield, c.; Graham, ss.; Morton, Manager, 1b.; Dale, 2b.; Evans, 3b. Perhaps one of the most popular plays ever staged will be presented at Oregon City Tuesday evening, April 16, "Lena Rivers" is a direct dramatization of the popular novel by the same title. The play has lost none of its interest by being dramatized, the characters have all been kept and the dialogue carries residents of Carus, accompanied by interest in every line. Frank Fisher, the eminent dramatist is resposible for the play and his clever work shows out well throughout the piece. The first act opens in a small village in Massachusetts and the other three acts occur in Sunny Kentucky every character in the play is well drawn and natural to life. The play abounds in good clean comedy to relieve the pathos that is felt at times.
