CANDIDATES CHOSEN TODAY

Campaigning for the primaries is over. We all know what our opposing candidates think of us and the people of the county have heard both sides of the matters at issue. Another 24 hours and we'll hear all over "I told you so" whether we win or lose. Still the main items of interest and importance are not the persons who secure the nominations, but the propositions they support. We need good law—equal rights to every-

one, whether individual or corporation and now is the time to pave the way. Put aside all personalities; wipe out the prejudices of one candidate for another. Before voting, study the platforms of the various ones on the ballot, pick the one who has character and equality—and vote accordingly. No one gains by "slinging mud." We all have our ideas and know the men who have offered themselves for public service. Would that we could all vote for the best interest of our district. We want more enterprise—more pay roll—larger population—10,000 in 1920. Vote accordingly. Continued prosperity and future growth are within your power.

OREGON CITY AND MOLALLA TO PLAY

The second baseball game in the High school division of the Clackamas School League will be played tomorrow afternoon at Canemah Park, between the Oregon City High and Molalla High. Since the local team was defeated last Saturday by Estacada they have been practicing faithfully and a good game is expected. The Estacada team, which was defeated by McLoughlin Institute, 12 to 4 has entered a protest on the grounds that McLoughlin used two men that were deficient in their studies and for that reason they should not have participated. Canby also has a grievance. They allege that in their game with Molalla the score was 6 to 6 instead of 6 to 5 as the Molalla team alleges. Both of these protests will be considered by the league authorities. The time to read the Morning Enterprise is at the breakfast table or a little before.

CHURCH SOCIETIES ORGANIZE UNIONS

An enthusiastic meeting was held at the Baptist church Tuesday evening by members of the Y. P. S. C. E. of the Baptist, Presbyterian, Christian and Congregational churches and the Epworth League of the Methodist church. A young People's Union was organized. Mr. Baker, who is state president of the Young People's Society Christian Endeavor was in attendance, and assisted in the organization. He made an excellent address upon what the cities are doing which have organized, among them

being Ashland, Medford and other Southern Oregon cities. Among the features of the evening was the excellent banquet, at which about 225 sat down. The tables were prettily decorated, and were presided over by the young women.

At the close of the banquet the remainder of the evening was devoted to business, and a temporary organization effected, Miss Mable Tooze, of the Presbyterian church, being appointed temporary chairman, and John Selvers, temporary secretary. A constitution and by-laws were also adopted and the election of officers resulted as follows: President, Miss Mable Tooze; vice-president, Roy B. Cox; secretary, Charles Selvers; treasurer, Miss Florence White; corresponding secretary, George Edward's. Miss Gertrude Hamilton was appointed chairman of the social committee.

It was voted to have a devotional meeting the first Sunday in May, which will be held at the Presbyterian church at 6:30 o'clock, the regular hour for the meeting of the Young People's Society and of the Epworth League. At this meeting the officers of the Union will be installed.

Miss Anna Smith, of the Christian Endeavor of the Baptist church, was chairman of the banquet committee, and she with her assistants assisted to a large extent in making the meeting one of the most successful ever held in this city. The executive committee composed of Miss Alice Bailey, M. E. church; Kenneth Hendricks, Christian church; Ray Morris, Presbyterian church; George Ockley, Baptist church; Elizabeth Bunell, Congregational church. As the president from the Parkplace church was not present a member of the executive representing that church will be appointed later.

fund for the widows and orphans of victims.

As the day advanced the apprehension here increased because of reports that many of the survivors are in a critical condition. It is known that Colonel John Jacob Astor, who is believed to have perished in the wreck, and his bride, who was Miss Madeline Force of Philadelphia, were returning so that an expected heir could be born in America. The Astor mansion has been put in readiness for their arrival. It is rumored that Astor's widow is among the survivors reported seriously ill. Among the victims of the disaster is "Doc" Owens, the most noted ocean gambler in the world. He and five companions booked passage on the Titanic. Cunard line officials have denied the application of newspaper reporters to be permitted to board the Carpathia before she docks.
