Resolution and Notice for the Improve ment of Sixteenth Street, Oregon City, Oregon.

Whereas, pursuant to an order of the City Council of Oregon City, Clackamas County, Oregon, heretofore made, the City Engineer of said City, has made his report and filed in the office of Recorder, plans and specifications for an appropriate improvement of Sixteenth Street, said city, from the West line of Jackson street to the West line of Division street, and estimates of the work to be done thereon, and of the cost thereof, and

Wheras, such plans, specifications and estimates are satisfactory to the City Council of Oregon City,

The said plans, specifications and estimates are hereby approved and

Rescived, that it is the purpose and intention of the said City Counof Oregon City to make the said improvement, being described

as follows, to-wit: The street shall be brought to the sub-grade the full width therof, between the West line of Jackson Street and the West line of Division street. On the road-bed Macadam shall be placed not less than six inches thick at the curbs and not less than nine inches thick at the center of the street and when completed the road-bed shall be brought to the grade specified in resolution read and adopted at the meeting of the said City Council

held on the 19th day of March, 1912. Said street shall be properly provided with drains, catch basins and gutters necessary to preserve the grades, embankments and surface of the street, and to provide all prop-

Sidewalks shall be made of concrete except where upon application the Council, owners are permitted to have wood walks laid. All sidewalks shall be six feet wide and laid to the property line. Curbs shall be placed on each side of the macadimized portion of the street 20 feet from the center line of the street where the road-bed is 40 feet wide. Curbs shall be of concrete and set vertically to sub-grade of street. Cross walks shall be four feet wide and not less than three inches thick and all of said improvement shall be made according to the plans and specifications filed April 22, 1912, and approved here-

The improvement shall be classed as "Macadam" and shall be maintained by Oregon City for the full period of ten years from the acceptance thereof of the City Council.

The recorder is hereby directed cause this resolution and notice to be published as required by the charter of Oregon City.
