large would demand seats at Chicago Roosevelt. He contends that the Taft majority in the preferential primary. As the returns come in Clark's plu rality over Woodrow Wilson continues

It is believed that the defeat of Sen ator Murray Crane at the primaries as delegate-at-large for Taft means his retirement from political life.

The Roosevelt supporters still claim victory. They now lay claim to one delegate in the eighth district. If this is true, the Colonel will have 19 delegates and President Taft 17. In case the delegates-at-large vote for Roose

The official count in the eighth disvotes over the Roosevelt delegate. The weeks ago brought 85 cents. Cream- Roosevelt supporters are circulating ery butter, however, is cheaper in petitions demanding a recount of the votes. If they carry their point the figures would stand Roosevelt 20, Taft 16-so far as official returns go.

The same districts that gave Taft comfortable plurality gave the ray Crane, 74,835.
