THE GENTLE SEX AS BOOSTERS

Some of us have an idea that the men through their Commercial Club or Boosting medium, and the Publicity Committee are the only people who are working for the upbuilding of our great State, County and City, socially, financially and otherwise, but after learning a few of the real live stunts performed by our superiors or better sex, the women of our City through their current conveying organization, the Woman's Club of Oregon City, we will have an entirely different view.

Their annual banquet to the husbands, brothers and sweethearts had telling effect. The men has resolved to do greater and better things for the community not in an endeavor to do better than the ladies, but if possible to equal their results.

And our George gets all the credit for restoration of original amount in Forest Fire Fighting appropriation. He deserves the credit—it is a great work and no one realizes it more than we who live in a timber country and who see the effects of the forest fires. The Enterprise congratulates Senator Chamberlain upon his untiring efforts and trusts that Congress will pass the bill as now amended.

The plans are in and off for New York for approval. Something will be doing soon in the building line and we will have another link in our improvement chain on its way.

Live Wirelets

Great weather this. A little rain, then a little sunshine and then more rain. One young miss will come along hatless, coatless, and wearing nifty oxford shoes while the next one will wear furs, and carry an umbrella. The grocery stores are featuring strawberries, the department stores are having special sales of blankets and the hardware men are showing lines of new hose, and hose (garden) and screen doors.

Capital punishment in this state will probably be settled at the next general election and the question will arouse a great deal of discussion. The Humphrys case will influence some against the abolishing of the present law in this state, as their crime merits the most severe punishment.

It is believed that the Clackamas Humane Society will soon restore the public drinking fountain at Seventh and Main streets. The convenience of a fountain at this particular

Mankind Is Influenced by Imitation

By Professor WALTER DILL SCOTT of Northwestern University

MANKIND is influenced more by imitation than by personal choice. We think we do what we decide to do, but we simply IMITATE OUR CONTEMPORARIES AND OUR ANCESTORS.

If we are to improve our efficiency we must UTILIZE THE PRINCIPLE OF IMITATION, which is so profound a factor in moving men. Imitation does a great deal of good and a great deal of harm.

Our national government is a republic, but our industrial organization is monarchical by tradition. We haven't made that a republic yet. Maybe we never will. I don't know. We have our independent judiciary because it has been HANDED DOWN TO US.

CHILDREN RESEMBLE THEIR PARENTS BECAUSE OF IMITATION AS MUCH AS BECAUSE OF INHERITANCE. WE ARE REPUBLICANS OR DEMOCRATS. CATHOLICS OR PROTESTANTS. CONSERVATIVES OR PROGRESSIVES, LARGELY BECAUSE OF IMITATION.

MINE WORKERS TO HOLD CONFERENCE

NEW YORK, May 4.—Officials of the United Mine Workers of America who have been in conference here two days, issued a call yesterday for a general convention at Wilkesbarre, Pa., on May 14, to consider the tentative agreement entered into by the subcommittee representing the operators and the miners, which was rejected Thursday by the full committee of the miners.

The convention will be urged to empower the committee of 10 to enter into a second joint conference with the operators and conclude an agreement, subject to ratification by a referendum vote of the miners.

Delegates to the Wilkesbarre convention will be chosen from 400 local unions in the three anthracite districts. If the tentative agreement of the subcommittee which was signed by President White and three district presidents, is approved, the 170-000 men now idle will return to work at once. If the convention rejects the tentative agreement, it is expected by the leader that the committee of 10 will be empowered to enter into another joint conference, which, Mr. Greene said, already had been arranged for, and to conclude an agreement subject to ratification by referendum vote.

John Mitchell, former president of the United Mine Workers of America, and now vice-president of the American Federation of Labor, participated yesterday in deliberations of the mine-workers' representatives over the course to be pursued in dealing further with the operators for increased pay, recognition of the union and other changes not included in the provisional agreement rejected Thursday by the joint conference of operators and miners.

Mitchell conferred with State Senator Green, of Ohio, who represents President White, of the miners, and with the district presidents. None of the conferees would discuss the deliberations.

President Baer, of the Reading Railroad, told the miners that he considered the full committee of miners morally bound to stand by the action of the subcommittee, and that until the question had been submitted to a referendum vote of the miners the full committee was in no position to ask for further concessions from the operators.

THE PINK LADY AT THE HEILIG THEATRE 7 NIGHTS BEGINNING SUNDAY, MAY 5.

"THE PINK LADY" AT THE HEILIG THEATRE 7 NIGHTS BEGINNING SUNDAY, MAY 5. Klaw & Erlanger present the season's biggest musical comedy hit "The Pink Lady" at the Heilig Theatre, 7th and Taylor streets, for 7 nights beginning Sunday, May 5. Special price matinee Wednesday, Regular Matinee Saturday.

Klaw and Erlanger will present their musical comedy de luxe "The Pink Lady" at the Heilig Theatre, Seventh and Taylor streets, for the week beginning Sunday, May 5, and continuing for seven nights and two matinee performances on Wednesday and Saturday afternoons. The Wednesday matinee will be at special prices. Seats for the entire engagement are now selling.

The presentation in Portland will be exactly as given during the now celebrated run of this great hit at the New Amsterdam Theatre, in New York City, where it stayed for over 400 consecutive performances and was the undoubted furor of the two seasons and broke all records for musical comedy attendance in the American theatre. It was during this run as such selections as "My Beautiful Lady" and "The Girl by the Satchewan" and sixteen other numbers of this brilliant score were played throughout the civilized world and served to add to the fame of "The Pink Lady."

The book and lyrics are by C. M. S. McClain and the score by Ivan Caryll. The story is an adaptation of the French farce "Le Satyre" by George Herr and Marcel Guillemard. Herbert Greshman and Julian Mitchell staged the big hit for Klaw and Erlanger and utilized the forces which this well known producing firm brought to their disposal.

It is hardly necessary to introduce "The Pink Lady" with any extended comment. To anticipate the story would rob it of its chief element of interest, surprise. As for the score such song hits as have been heard throughout the country are indicative of Mr. Caryll's musicianship.

Klaw and Erlanger have an established reputation as producers. They have outdistanced their record in respect of this biggest of all their light musical hits. A company of 90 people is now entour in the piece and will be seen here. In the cast are John E. Young, Olga de Baugh, Marguerite Wright, Octavia Broske, Josie Intropidi, Mimi Jarbeau, Louise Kay, Harry Depp, Roland Bottomly, George Majeroni, George Reed, John J. Scannell, Jaeg Ryan, Alfred Fisher, a pink of perfection chorus and the famous Pink Lady orchestra that handled the score throughout the long New York run and is now touring with this company.
