IN SPRING-LIKE COLORS. A folded bonnet of fine straw is pictured in this drawing. The shape has the effect of a broad band laid around the head and held at the back with bunches of delicately shaded grapes. The straw turns back about the face in a narrow rever and is of a delicate shade of green. Laid over the band of straw is a wide band of heavy ecru lace. Springing from the center of the grapes at the back is a stiff aigrette also of ecru. This makes an unusually beautiful color combination and truly springlike. The delicate green of the straw is repeated in the shades of the grapes and their foliage.

LIVE STOCK MARKET SHOWS LITTLE CHANGE

The Portland Union Stock Yards Company reports as follows: Receipts for the week were: Cattle 529; Calves 67; Hogs 1878; Sheep 7368 and horses 2. There was little or no change in the cattle market. In the face of very short receipts prices were stationary because of the fact that large killers had filled their pens. Butcher cattle sold at prices that might be considered a shade stronger than the week previous, but steers were steady. The hog market was steady to slow with tops 5 cents lower than last week. The demand was active and there was an early clearance throughout. On account of heavy receipts there was a soft sheep market. Prices were off to some extent but good sheep brought fairly good prices. An unusual condition prevails in the sheep supply this year because of early green food. Fat sheep are coming forward at a season when as a rule there is nothing of the class obtainable in the country.

Prevailing Oregon City prices are as follows: DRIED FRUITS—(Buying)—Prunes on basis of 6 to 8 cents. Fruits, Vegetables. OHIO DELEGATION WILL BE DIVIDED

COLUMBUS, O., May 20.—In a climax of bitterness the personal campaigns of President Taft and Colonel Theodore Roosevelt came to an end tonight and left the shrewdest political observers guessing the outcome of the state preference primary election tomorrow. The most definite forecast any unprejudiced prophet would make is that the delegation of 48 will be divided pretty evenly. At the same time they say they will not be surprised at anything that may happen. On the Democratic side the appearances are Governor Harmon, "favorite son," will get the bulk of the delegation, with possibly 10 or a dozen going to Governor Wilson. Governor Harmon's friends probably will win control of the home state convention and get the home state indorsement for their candidate.

Evershed, of Maple Lane; Miss Ina Evershed, of Los Angeles, Cal.; and Miss Elsie Evershed, of Los Angeles. Harry and Miss Ina have arrived here to attend the funeral of their mother.
