Remember the times when we had to smoke the mosquitoes away of an evening? And to brush the flies or simply endure them? How times have changed!

Now we know that these insects were the means of spreading dangerous diseases, and protect our homes and families by screening them out.

It pays, both from the standpoint of comfort and convenience or health.

Our stock of screens and screening permits you to fit any door or window. We handle the best quality which will last for years. This means that you can put them up in a few minutes next season, thus saving you the time and trouble of fitting new ones as well as the cost of buying them.

How about screening off that porch? It will be the most popular place in the neighborhood. Come in and see how little it will cost.

WAGNER VICTIM FOR MOORE.

Phillies' Pitcher Seems to Have Indian Sign on Pittsburgh Shortstop.

Some time ago it was remarked that Hans Wagner of Pittsburgh had not made more than three hits off Earl Moore since "Ebby" has been with the Phillies. Wagner declared in Pitts burgh that it was even worse than that and that he had only made one hit off Moore-a bomer into the bleachers in Philadelphia-in the four years he has faced Moore

Wagner says that he does not see how any batter can hit Moore. The German swears that big "Ebby" has more stuff than any pitcher he ever saw and bars no one. Haus claims that with a good break of luck and any kind of hitting behind him Moore would not lose more than five games in a season.

Jim Callahan gives Kid Gleason all the credit for the good showing the Chicago Americans are making He contends that the brilliant work of his youngsters is due entirely to the efforts of Gleason, who has been coaching them

Gleason has ever been a valuable man on a ball team, even since he quit playing, and it is surprising that he has never been chosen to manage some major league team. He was of the greatest assistance to Bill Murray when he had charge of the Phillies and he is again showing to good ad vantage with the White Sox.
