School closed last Friday after a very successful term. All of the pupils in both rooms being promoted to higher grades. The standing of the eighth grade is not known, as the pupils have not yet received reports from the Superintendent. The last day was observed by the teachers giving a picnic at the school house, where a lunch of good things was served to the pupils and patrons of the district, including cake and ice cream. The year's work of each pupil was shown by tacking their completed books on the wall so that they could be examined and compared by all who felt interested enough to do so, giving the parents a good idea of what their children have been doing during the term. Tears were in the eyes of many of the pupils and the teachers when the parting time came, showing there was much affection on both sides. SLUGGING DEFEATS WILLIAMS' TEAM

VICTORIA, B. C., May 27.—Two home runs, any number of two-sackers, and singles galore marked a swat-fest between Victoria and Portland this afternoon, the former winning 11 to 8. Threatening weather and the reckless way in which the Colts started slamming the ball in their half of the first combined to make fans feel mighty glum at the beginning. But after the shouting had ceased on the completion of the third inning, with the Bees two to the good, it was Nick Williams' turn to feel sad. At that, the home lads have no occasion to feel particularly proud. The were out-hit, and the visitors put up a splendid fielding game to and after the third stanza.

The results Monday follow:

- National League: Boston 4-3, Philadelphia 5-0, Chicago 4, Cincinnati 0, New York 6, Brooklyn 2, St. Louis 6, Pittsburg 3. American League: New York 10, Washington 5, Philadelphia 12, Boston 6.

DEARTH OF CHOICE DATTLE IN MARKET

The Portland Union Stock Yards Company report as follows: Receipts for the week have been: cattle, 555; calves, 107; hogs 2536; sheep 3732; horses 109. Very few choice cattle were received, which applied both to the steer and cow divisions. One car of extra fine baby beef twenty-three head in all, averaging nine hundred six pounds, brought \$7.25, which we understand is the top of the steer market at the present time. Fair to medium beef brought \$6.50 to \$6.90 owing to quality. Good fat cows were scarce, the few readily bringing \$3.00 to \$6.25 with plenty of bidders. The veal market went up a notch, best light calves selling for \$7.75, an advance of a quarter over last week's quotations. Pigs and stags were steady at former prices. The hog market steadied somewhat after reaching the level of 8 cents, best finished swine being firm at this figure, fair to medium selling all the way from \$7.75 to \$7.90. The market was well supplied with all classes. Light feeders brought from \$6.50 to \$7.50, owing to size and conditions good heavy hogs sold around 7 cents. Although receipts of sheep were not nearly so heavy as for the past two weeks the market showed no signs of recuperating and former quotations prevail. Owing to the rapid approach of the grass season sheep are likely to be more plentiful in the near future and prices will no doubt fluctuate accordingly.
